TT Investments Pty Limited ABN 89 098 158 028 as trustee for TT Investment Trust ABN 16 299 769 401 ("Bidder"), reminds TGP Securityholders of its intentions post close of the Offer and the risks of remaining invested.

Highlights

- The Bidder and its Associates currently have a relevant interest of 74.84% and **have nearly reached 75%**.
- As soon as the Bidder acquires 75% or more, the Bidder intends to cause TGP **to apply to the ASX for removal from the Official List**.

- TGP Securityholders are encouraged to **ACCEPT** the Offer and sell their TGP Securities at the Offer Price of \$0.31 per TGP Security prior to the close of the Offer.

For further details see overpage.

Yours faithfully,

Tony Pitt

Director

TT Investments Pty Limited as trustee for TT Investment Trust

Further Details

Bidder's Intentions if it acquires more than 75% and less than 90% in a relevant interest at the close of the Offer

- **ASX Delisting** - The Bidder intends to cause TGP to apply for removal from the Official List where it is entitled to do so in accordance with ASX Listing Rules and ASX guidance. Refer to Section 6 (Bidder's Intentions) of the Bidder's Statement dated 15 September 2025.
- **Bidder an active major securityholder** - The Bidder will be in a position to determine the outcome of a "special resolution" at a meeting of TGP securityholders which will enable it greater control, including for example, to amend the TGP constitutions.
- **Review of capital structure and financing** – The Bidder has indicated that TGP will undertake a strategic review post close of the Offer including potentially changing the capital structure of TGP Trust, reviewing the level of co-investment, future dividends and distributions which may be reduced or cancelled in the future.

Risks of not accepting the Offer

There are risks of not accepting the Offer, including that:

- TGP's Security price may fall if the Offer lapses. The Bidder has bought on market 18.6% of the total TGP securities on issue since the Offer opened 8 weeks ago and has been the majority buyer of TGP Securities. The Bidder is restricted from buying for 6 months post close of the Offer.
- There is likely to be a reduction in liquidity in TGP Securities if the Bidder further increases its interest in TGP Securities, thereby reducing the free float of TGP Securities.
- If you do not accept the Offer, you risk remaining or becoming a minority TGP Securityholder in TGP which is controlled by the Bidder and its Associates.
- If you retain your TGP Securities, TGP is reliant on third party capital to grow its Managed Funds to a scale where the Fund Manager is profitable. There is no guarantee of this occurring and therefore no guarantee of distributions in the future.
- As referred to above, if the Bidder and its Associates own or control at least 75% of TGP Securities after close of the Offer, the Bidder intends to apply for TGP to be delisted from the ASX.

Chairman's Proposed Retirement if TGP not delisted

As announced by TGP on 3 November 2025, Tony Pitt, the Executive Chairman intends to retire post the close of the Offer from his role as Executive Chairman of the Group and the managed fund's responsible entity, if post the close of the Offer, the Bidder is not in a position to privatise and delist TGP from the ASX.

"After 12 years as the Managing Director and subsequently Executive Chairman of a publicly listed funds management company, with the majority of my executive time spent managing the demands associated with listing obligations instead of focusing on my passion of real estate investing, it has now become obvious that it is time to hand over the day to day responsibility of the Group to the CEO and CFO and step back into a non-executive role as Non Executive Chairman if the Group remains listed on the ASX.¹"
