### About this notification

This notification has been issued by Global X Management (AUS) Limited (**Global X**) as the Responsible Entity of each of the funds listed in **Annexure A** (each a **Fund** and together **Funds**).

This notification is issued for the purposes of providing updated information with respect to the Product Disclosure Statement (**PDS**) of each Fund mentioned in Annexure A pursuant to *ASIC Corporations (Updated Product Disclosure Statements) Instrument 2016/1055* on the basis that the updated information is not materially adverse. This notice also constitutes a continuous disclosure notice for the purposes of section 675 of the *Corporations Act 2001* (Cth) for each Fund.

Where relevant, the information should be read in conjunction with the PDS. Potential investors should read the PDS and this update in its entirety before applying to invest in the Fund. The defined terms have the same meaning as the PDS unless otherwise stated.

### Auditor Change

*Outgoing Auditor:* KPMG

*Incoming Auditor:* Ernst & Young

*Reason for the change:* ASIC has consented to the resignation of KPMG as auditor of the Fund Financial Statements and Compliance Plans, and the appointment of Ernst and Young as auditor of the Fund Financial Statements and Compliance Plans, effective from 12 December 2025. KPMG has agreed with the Responsible Entity to resign as the auditor of the Schemes in order to facilitate a rotation of auditor consistent with good corporate governance.

### Updates to the PDS

Effective from 12 December 2025, by this notification, each PDS (where relevant) is amended as set out below, to reflect that Ernst & Young has been appointed as the auditor of the Funds, replacing KPMG. From 12 December 2025, the PDS for each Fund comprises the PDS and the information set out in this notification.

There is no change to how a Fund is managed, or to any investment objective, strategy, fees or other key features because of this transition.
