Notice of Executive Chair Collar Arrangement

WiseTech Global Limited (ASX:WTC; WiseTech; the Company) has been informed that RealWise Holdings Pty Ltd (RealWise), a company owned and controlled by WiseTech Executive Chair, Mr Richard White, has entered into a collar derivative transaction (Collar) and related financing facility (together the Collar Financing Transaction) with Macquarie Bank Limited (Macquarie) in respect of 20 million WiseTech shares (equating to approximately 6% of the total issued share capital of WiseTech).

Mr White has informed the Company that the Collar involves a series of bought cash-settled put and sold cash-settled call options over WiseTech shares and will allow RealWise to gradually release liquidity against these shares via a financing facility provided by Macquarie. The Collar Financing Transaction relates to a period of up to 5.5 years.

Details of the Collar Financing Transaction are set out in the notice of change of interests of substantial holder and the covering letter from RealWise released to ASX on 19 December 2025.

Mr White has indicated that the proceeds from the Collar Financing Transaction will be used to refinance existing debt at RealWise with Macquarie and to fund tax and other personal obligations.

Mr White retains approximately 95 million WiseTech shares that are not subject to this Collar Financing Transaction. Mr White indicated that neither he nor RealWise have any intention of selling any WiseTech shares or entering into further derivative transactions over WiseTech shares prior to the release of WiseTech's FY26 results, which is expected to occur in August 2026.

Mr White in his capacity as a director of RealWise and as Chief Innovation Officer and Executive Chair of WiseTech has informed the Company that, "I remain deeply committed to WiseTech and to my roles as Chief Innovation Officer and Executive Chair. As I spoke about at WiseTech's Investor Day earlier this month, the opportunity for WiseTech is extraordinary and each day we make progress on our vision of being the operating system for global trade and logistics. This transaction does not change my involvement or my confidence in the business, and my interests remain strongly aligned with those of all shareholders."

As part of the Collar Financing Transaction, RealWise lends the relevant shares to Macquarie, which involves a transfer of legal title. We attach a cleansing notice from each of the Company and Mr White to this announcement, provided on the basis the arrangement may therefore be legally characterized for the purposes of section 707 of the Corporations Act as a sale.
