EXPLANATORY STATEMENT

1 Important Notice

The purpose of this Explanatory Statement is to provide Shareholders with an explanation of the business of the meeting and the resolutions proposed to be considered at the General Meeting to be held on Thursday 29 January 2026 at 10:00am (Sydney time) and to assist Shareholders in determining how they wish to vote on the resolutions.

2 Resolution 1 – Ratification of issue of Placement Shares to sophisticated investors

On 10 December 2025 the Company announced a placement of 74,448,054 fully paid Ordinary Shares to institutional and sophisticated investors, at an issue price of \$0.0046 per share (which represent an 8% discount to the 5 days Volume Weighted Average Price (VWAP) up to and including Friday 5 December 2025 of \$0.005) to raise \$342,461 to fund to expand existing brands, pursue complementary value-accretive business opportunities, retire debt, cover day-to-day working capital requirements, and for costs of the placement.

Listing Rule 7.1 imposes a limit on the number of Ordinary Shares that the Company can issue without Shareholder approval. Generally, a company may not, without shareholder approval, issue, during any 12 months period, more than 15% of the number of Ordinary Shares on issue 12 months before the issue date. Subject to obtaining shareholder approval at the previous annual general meeting, Listing Rule 7.1A permits eligible entities to issue a further 10% of the number of Ordinary Shares on issue 12 months before the issue date.

If Resolutions 1 is passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 months period following the date of the issue.

If Resolutions 1 is not passed, the issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 months period following the date of the issue.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

By ratifying the issue of 74,448,054 Ordinary Shares, the Company will retain the flexibility to issue equity securities in the future up to 15% placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

In accordance with Listing Rule 7.5 the following information is provided to Shareholders in relation to Resolution 1:

The number of securities issued:	74,448,054 Ordinary Shares
Date of issue:	22 December 2025
The issue price of Ordinary Share:	\$0.0046 per Ordinary Share
The names of the allottees:	Various sophisticated investors
The terms of the securities:	Fully paid ordinary shares
The intended use of the funds raised:	The funds used to expand existing brands, pursue complementary value-accretive business opportunities, retire debt, cover day-to-day working capital requirements, and for costs of the placement.

The Directors unanimously recommend that Shareholders **vote in favour** of Resolutions 1.

3 Resolution 2 – Approval for the Issue of Shares to Sophisticated Investors

Background – Announcement of Placement of Shares

On 10 December 2025, the Company's announced placement of shares to Sophisticated investors to raise \$2.25 million before costs via a placement of a total of approximately 489,130,435 shares to institutional and sophisticated investors at \$0.0046 per share. The issue price represents an 8% discount to the 5 days Volume Weighted Average Price (VWAP) up to and including Friday 5 December 2025 of \$0.005.

The capital raising will be conducted under two tranches with the first tranche within the Company's existing placement capacity under ASX Listing Rule 7.1 to raise \$342,461 by the issue of 74,448,054 shares, followed by a second tranche to raise \$1,907,539 by the issue of 414,682,381 shares, subject to shareholder approval at a meeting to be held in January 2026.

Participating AFSL holders are entitled to a selling fee of 6% + GST payable in cash on the gross proceeds from the placement and, subject to shareholder approval, the grant of 122,282,609 unlisted options with an option exercise price of \$0.008 and expiry date of 3 years after date of grant.
