We refer to your letter dated 22 January 2026 regarding a significant increase in the price and volume of EIQ's securities between 21 to 22 January 2026. We respond to your questions using the same numbering as in your letter.

1. The Company confirms it is not aware of any sensitive information concerning EIQ that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities.
2. Not applicable.
3. The Company is not aware of any specific or company-related reason for the recent increase in the price or volume of trading in its securities. The Company notes that the movement may reflect broader positive market sentiment, including increased investor interest in the artificial intelligence, technology and healthcare sectors as driven by media reporting in the United States of America. The Company believes this heightened sector interest may have contributed to increased market attention on companies operating in these areas.
4. The Company confirms that it is complying with the ASX Listing Rules and, in particular, Listing Rule 3.1, and continues to actively monitor its continuous disclosure obligations.
5. The Company confirms that the responses above have been authorised and approved in accordance with its published Continuous Disclosure Policy by the Board. The Company confirms it will continue to ensure compliance with its Continuous Disclosure Policy going forward.

Yours sincerely,

Jessamyn Lyons

Dear Ms Lyons

EchoIQ Limited ('EIQ'): Price Query

ASX refers to the following:

- A. The change in the price of EIQ's securities from a close of \$0.41 on 21 January 2026 to a high of \$0.49 today.
- B. The significant increase in the volume of EIQ's securities traded today.

Request for information

In light of this, ASX asks EIQ to respond separately to each of the following questions and requests for information:

- 1. Is EIQ aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
- 2. If the answer to question 1 is "yes".
 - (a) Is EIQ relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in EIQ's securities would suggest to ASX that such information may have ceased to be confidential and therefore EIQ may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
 - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
 - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
- 3. If the answer to question 1 is "no", is there any other explanation that EIQ may have for the recent trading in its securities?
- 4. Please confirm that EIQ is complying with the Listing Rules and, in particular, Listing Rule 3.1.
- 5. Please confirm that EIQ's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of EIQ with delegated authority from the board to respond to ASX on disclosure matters.

When and where to send your response

This request is made under Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by no later than **8:30 AM AEDT Friday, 23 January 2026**.

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, EIQ's obligation is to disclose the information 'immediately'. This may require the information to be disclosed before the deadline set out in the previous paragraph and may require EIQ to request a trading halt immediately.

Your response should be sent by e-mail to **ListingsComplianceSydney@asx.com.au**. It should not be sent directly to the ASX Market Announcements Office. This is to allow us to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is “yes” and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in EIQ’s securities under Listing Rule 17.1. If you wish to request a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. You can find further information about trading halts in Guidance Note 16 *Trading Halts and Voluntary Suspensions*.

Suspension

If you are unable to respond to this letter by the time specified above, ASX will likely suspend trading in EIQ’s securities under Listing Rule 17.3.1.

Listing Rules 3.1 and 3.1A

In responding to this letter, you should have regard to EIQ’s obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure: Listing Rules 3.1 – 3.1B*. It should be noted that EIQ’s obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

Release of correspondence between ASX and entity

ASX reserves the right to release all or any part of this letter, your reply and any other related correspondence between us to the market under Listing Rule 18.7A. The usual course is for correspondence to be released to the market.

Yours sincerely
