Company Announcements
ASX Limited

Change of Auditor

Bioxyne Limited (ASX:BXN) (Bioxyne or Company) is pleased to advise it has appointed Pitcher Partners in Brisbane, as auditor of the Company following a tender process. This also aligns its auditors with the location of its Australian operations.

Pitcher Partners is an independent member of Baker Tilley International, an English company. Pitcher Partners is well positioned to service Bioxyne as it expands its business in the UK and Germany.

The Board takes this opportunity to thank RSM Australia Partners, Sydney, for many years of service to the Company.

This announcement has been approved by the Board.
