

**30 January 2026****ASX Announcement**

## **Delay in Lodgement of Annual Report for FY 2025 Update**

**Admiralty Resources NL (ASX: ADY) ('Admiralty' or the 'Company')** advises that the lodgement of the Company's audited annual financial statements (AAFS) for the year ended 30 June 2025 continue to be delayed. As announced on 30 September 2025, the delay reflects ongoing discussions between the Company and its auditors, RSM Australia Partners, regarding the interpretation and application of appropriate accounting standards and related disclosures. These discussions are required to ensure the AAFS fully align with the IFRS accounting standard pronouncements.

The Company remains suspended from trading while awaiting the delivery of audited project accounts from Hainan. Under the agreement executed on 25 June 2024, responsibility for the preparation of these project accounts rests with the third party. The absence of these accounts has prevented completion of the Company's audit process.

The Company continues to actively progress the finalisation of the AAFS and is working closely with its advisers and auditors, while also engaging with and assisting the third party where possible. Notwithstanding these efforts, completion of the AAFS remains dependent on matters outside the Company's direct control.

The Company will provide updates as material information becomes available.

**The release of this announcement was authorised by the Board of the Company and released by the Company Secretary.**

## ABOUT ADMIRALTY

Admiralty Resources NL (ASX: ADY) is a public diversified mineral exploration company listed on the Australian Securities Exchange, with mineral interests in Chile and Australia.

Admiralty is advancing its flagship Mariposa Iron Ore Project in Chile towards production, targeting first production in 2024, with a view to increasing production capacity from 2025.

The Project contains Inferred Mineral Resources of 59.74 Mt, with Measured Mineral Resources of 6.65 Mt, Indicated Mineral Resources of 39.16 Mt and total Mineral Resources of 105.6 Mt (cut-off grade 15% TFe) – a JORC 2012 compliant resource (refer ASX Announcement 4 October 2023). Estimated Ore Reserves comprise 36.3 million tonnes (Mt) as a cut-off grade of 15% TFe, with Total Fe concentrate of approximately 14 Mt at a grade of 65% TFe (refer ASX Announcement 14 February 2024).

The Project has favourable access to infrastructure, including being located just 6km from the railway line, 70km from the port and 25km from the town of Vallenar, with access to road infrastructure and a high voltage power line.

The company has entered into an agreement with Hainan Xinlei Management Co Ltd (Hainan or Project Managers), to provide project finance, management and operator services to the Mariposa Iron Ore Project.

Together with the Project, other exploration projects in the Company's Harper South district (2,498 ha) include La Chulula and Soberana, with potential for further growth in iron ore resources. Other exploration areas in Chile include the Pampa Tololo district (3,455 ha) and El Cojin (600 ha).

In Australia, Admiralty holds a 50% stake in the Pyke Hill Project, a cobalt and nickel project in Western Australia.
