

ASX Release

09 February 2026

Guidance Update

Bravura Solutions Limited (ASX: BVS) (Bravura) is updating its FY26 guidance as the business continues to perform well across its customer base:

- Revenue expected to be between \$280m and \$285m (previously \$265m and \$275m).
- Cash EBITDA¹ expected to be between \$69m and \$73m (previously \$55m and \$65m)
- PPE Capex expected to be circa \$4m (previously \$2m to \$3m).

This guidance assumes an average GBP/AUD exchange rate of 1.95 for 2H26.

The key drivers of the updated forecast are:

- Increased project engagement with our customers across business units which is forecast to continue into the second half of the financial year.
- Overall cost levels being well managed whilst project services have increased.
- PPE Capex increase due to additional investment in internal technology.

1H26 Results Briefing

Bravura confirms that the 1H26 results for the period ending 31 December 2025 will be announced to the market via a briefing at 9:30am Australian Eastern Daylight Time (AEDT) on Wednesday, 11 February 2026.
