E. FINANCIAL PERFORMANCE

RESULTS ACHIEVED IN A HIGHLY COMPETITIVE PROMOTIONAL ENVIRONMENT:

- **Gross profit rate** slightly ahead vs pcp +3bps, despite headwinds from deeper tactical promotions and the Signature changeover, offset mainly by efficiency gains in freight and logistics costs.
- **CODB was managed tightly** throughout the period, up +5.9% vs pcp, which included costs for 3 new stores, 10 additional Pop Ups and core Signature transition costs.
- **Underlying EBIT¹** of \$14.3m, up +3.5% vs pcp.

F. COST OF DOING BUSINESS

TIGHTLY CONTROLLED CODB, WHILST INVESTING IN GROWTH INITIATIVES:

- **Employee expenses** resulted in a reduction of -10 bps driven by improved productivity and effective wage control.
- **Occupancy** increased due to a combination of annual lease escalation costs, net 2 new stores and 10 additional Pop Ups over Christmas (total of 20 Pop Ups). With the rationalisation of stores in 2H FY26 (expected net reduction of 5 stores) we expect to see improved cost leverage.
- **Marketing costs** reduced by -8.5% whilst sales went up +5.1%, which shows much-improved ROI. This was driven by a change in approach in the level of each investment into each campaign and a rebalance of investment into each channel.
- **Other costs** mainly increased due to the further systems improvements (CRM and tech stack platform) and support of growth initiatives.

G. FINANCIAL POSITION

STRONG BALANCE SHEET TO SUPPORT FUTURE GROWTH:

- **Closing cash of \$35.8m, with no debt.**
- In CY2025 we **paid \$7.5m in dividends** to shareholders vs \$4.0m in CY2024.
- **Inventory closed on \$18.9m** up +\$1.6m vs FY25. Partially driven by 3 additional stores opened late December 2025, but also allowing full in-stocks of core ranges for a stronger start to 2H FY26 trade.
- **Trade payables** increase from FY25 due to purchase seasonality and is in line with 1H FY25.
- **Strong operating cash flow with no debt** allows the business to invest aggressively to drive future growth (see slide 18).

DIVIDENDS:

- **A fully franked interim dividend 4.0cps** has been declared with a record date 11 March 2026 and payable date of 25 March 2026 (5.0cps interim dividend paid in FY2025).

NEW ZEALAND

- Our current store portfolio is not well aligned to our desired market positioning or performance parameters.

B. FUTURE GROWTH (INTERNATIONAL)

INTERNATIONAL OPPORTUNITY – A DISCIPLINED, PHASED OPTION

A strategic option under assessment

Over the past 24 months we have materially strengthened the foundations of the business – across leadership, product, store design, marketing, systems and operations. We are now seeing improved momentum in trading performance, providing greater confidence in the sustainability of the reset.

Phase 1 & 2: Rebuild and reposition (underway / completing CY2026)

- Leadership renewal and cultural reset.
- Product rejuvenation to sharpen customer value proposition.
- Improved marketing execution and digital capability.
- AfterGlow validated as a higher-quality, scalable store format.
- Strengthened operational and systems backbone.

Phase 3: Scale readiness (CY2026)

- Further systems, process and productivity enhancements.
- Focus on sustainable domestic performance as proof of “match fitness”.
- Further enhance the AfterGlow store format.

Looking ahead to CY2027 (Provisional)

- Evaluate a targeted international pilot market.
- Launch international e-commerce platform.
- Apply a disciplined, test-and-learn approach in carefully selected markets.
- Maintain strict capital allocation discipline.

International expansion remains contingent on:

- Sustained improvement in Australian performance.
- Continued strengthening of operational capability.
- Clear evidence of attractive return thresholds.

Strategic frame: International expansion is an option enabled by the successful rejuvenation of the Australian business. Our priority remains delivering consistent domestic earnings momentum and return improvement before testing the appeal of our retail offering in selected international markets. Due diligence is underway.
