ASX Announcement

QUBE ENTERS INTO SCHEME IMPLEMENTATION DEED WITH MACQUARIE ASSET MANAGEMENT-LED CONSORTIUM

Qube Holdings Limited (ASX:QUB) (“Qube”) announces that it has entered into a Scheme Implementation Deed (“SID”) with a consortium led by Macquarie Asset Management (“MAM”) (the “Consortium”) under which the Consortium has agreed to acquire 100% of the shares in Qube by way of scheme of arrangement (the “Scheme”).

Details of the Scheme Consideration

Subject to approval of the Scheme, Qube Shareholders will receive the following consideration (the “Scheme Consideration”):

- Qube Shareholders¹ (other than UniSuper) will receive \$5.20 cash per share, less the cash amount of any dividends declared or paid after the date of the SID²;
- UniSuper will transfer its existing direct interest of 15.07% in Qube at equivalent value for a corresponding interest in the holding structure of the Consortium.

The Scheme Consideration implies an enterprise valuation for Qube of approximately \$11.7 billion³ and represents a:

- 27.8% premium to the last closing share price of Qube of \$4.07 per share on 21 November 2025, being the last trading day prior to the announcement of entry into the Process Deed;
- 24.0% premium to the volume weighted average price of Qube since the announcement of Qube’s FY25 results on 21 August 2025 to 21 November 2025 of \$4.19 per share;
- 45.2% premium to the last closing share price of Qube on 21 November 2025 after adjusting for the value of Qube’s 50% shareholding in Patrick Container Terminals⁴;
- an implied enterprise value / FY25 EBITDA multiple of approximately 14.5x⁵.

Under the SID, Qube is permitted to pay the following dividends up to a maximum of \$0.40 cash per share in total to all Qube shareholders, with the cash amount of any dividend being deducted from the cash offer price of \$5.20 per share:

- A special cash dividend; and
- Ordinary cash dividends in relation to each of the six month periods ending 31 December 2025 and 30 June 2026 (to the extent that these dividends are paid).

The cash dividends permitted to be declared and paid by Qube in accordance with the SID are intended to be franked to the maximum extent possible, which may enable Qube shareholders to benefit from franking credits

¹ Subject to being on the Qube register on the relevant record date

² With the Scheme Consideration to be reduced by the cash amount of any dividends declared or paid by Qube prior to the Scheme becoming effective

³ Based on the \$5.20 cash per share, current diluted shares outstanding of 1,794m and net debt as at June 2025 of \$2.3 billion (including Qube’s share of Patrick net debt)

⁴ Based on an estimated enterprise valuation of approximately \$7.0 billion as at 30 June 2025 on a 100% basis

⁵ Based on an enterprise valuation of approximately \$11.7 billion (including Qube share of Patrick net debt) and FY25 proportionally consolidated EBITDA of approximately \$806 million

worth up to approximately 17 cents per share in addition to the cash offer price⁶. There is no certainty as to the amount, timing or franked proportion of any dividends, which will be subject to approval and declaration by the Qube Board.

Qube Board unanimously recommends the Scheme

The Qube Board unanimously recommends that Qube Shareholders vote in favour of the Scheme in the absence of a Superior Proposal and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Qube Shareholders (other than UniSuper).

Subject to those same qualifications, each member of the Qube Board intends to vote, or cause to be voted, any shares held or controlled by them in favour of the Scheme.

Qube Chairman John Bevan said: *“The Qube Board of Directors has carefully considered the terms of the proposal and is unanimous in its recommendation to Qube shareholders.”*

“The scheme consideration represents a significant premium to the share price prior to announcement. It reflects the strength of the business today and the strong growth prospects Qube enjoys as a leading logistics provider across Australia, New Zealand and the region.”

Qube Managing Director, Paul Digney, said: *“MAM’s offer underscores the value that has been created through our strategy for growth, the quality of our business, leadership team and people and the strength of our safety culture.”*

“Since inception, Qube has achieved significant growth and diversification across markets and geographies. I am confident that this transaction will provide the platform for the business to continue that evolution while maintaining our strong track record of enhancing supply chains and delivering outstanding customer service.”

Ani Satchcroft, Macquarie Asset Management Co-Head of Infrastructure for Asia Pacific, said: *“Macquarie Asset Management has extensive experience in developing supply chain infrastructure, security and resilience. We look forward to partnering with our co-investors and working with Qube’s world class management team, as the company enters its next phase.”*

Summary of the SID

The implementation of the Scheme is subject to various customary conditions. A copy of the SID is attached to this announcement, setting out the terms and conditions of the Scheme and associated matters. Capitalised terms used in this section below have the meaning given to those terms in the SID.

In summary, conditions for implementation of the Scheme include:

- The Independent Expert concluding and continuing to conclude that the Scheme is in the best interests of Qube Shareholders (other than UniSuper);
- Regulatory approvals (including from the Foreign Investment Review Board (FIRB), New Zealand Overseas Investment Office (OIO), Australian Competition & Consumer Commission (ACCC) and PNG Independent Consumer and Competition Commission);
- All third party consents required for implementation of the Scheme pursuant to specified contracts in relation to certain Qube sites (agreed between Qube and the Bidder) have been obtained (or waived) prior to the Second Court Date;
- Approval of Qube Shareholders and the Supreme Court of New South Wales;
- No Qube Prescribed Occurrence, Qube Material Adverse Change or Qube Regulated Event occurring prior to the Second Court Date⁷; and

⁶ Qube intends to apply to the Australian Taxation Office for a class ruling to confirm the Australian income tax treatment of any special dividends including the application of relevant Australian franking credit integrity rules. The potential impact of receiving a franked dividend (including any potential entitlement to a tax offset in respect of franking credits) will be dependent on the circumstances of each shareholder and shareholders should seek independent professional taxation advice

⁷ Each of these terms is defined in the SID

- Certain other customary conditions.

The Scheme is not subject to any financing condition.

The SID contains limited termination rights including that either party may terminate in the event of an unremedied material breach by the other party, as well as an obligation on Qube to pay a break fee in certain circumstances. Under the SID, Qube is subject to customary exclusivity obligations, including "no shop", "no talk" and notification obligations. The SID also contains a matching right regime in respect of any Superior Proposal received by Qube.

If Qube and the Consortium agree to extend the End Date beyond 15 December 2026, a ticking fee of 2 cents per month (accruing on a daily basis from 15 December 2026) will be payable. Any ticking fee payable will be in addition to the cash offer price.

UniSuper arrangements

Under the Scheme, UniSuper will transfer its existing direct interest of 15.07% in Qube at equivalent value for a corresponding interest in the holding structure of the Consortium.

UniSuper has entered into an agreement with Qube (the "Voting Deed"⁸) to the effect that, UniSuper will not dispose of such 15.07% interest and will vote such shares in favour of the Scheme, subject to the Qube Board continuing to recommend the Scheme (subject to the qualifications set out above), no superior proposal arising and the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Qube Shareholders (other than UniSuper). It is intended that UniSuper will vote in a separate class of shareholders at the Scheme Meeting such that their approval will be required for the Scheme to be implemented. The Voting Deed is subject to limited termination rights (as set out in the Voting Deed).

The Consortium

The Consortium Members include MAIF 4 Rubik Consortium Pty Limited (an entity controlled by MAM, including on behalf of its managed funds and clients), UniSuper and Pontegadea Shareholdings Luxembourg Sarl ("Pontegadea").

Indicative timetable and next steps

A Scheme Booklet containing further important information and disclosures relating to the Scheme and the Scheme meeting will be issued to Qube Shareholders in due course.

The Directors have appointed Grant Samuel & Associates Pty Ltd as the Independent Expert to opine on whether the Scheme is in the best interests of Qube Shareholders (other than UniSuper).

The Scheme is subject to approval by Qube Shareholders at the Scheme meeting which is currently expected to be held around June 2026.

Qube Shareholders do not need to take any action at the present time.

UBS is acting as Financial Advisor, and Allens is acting as Legal Advisor, to Qube.

3.2 Reasonable endeavours and co-operation

Without prejudice to any other obligations of the parties under this deed:

- (a) the Bidder must use its reasonable endeavours to satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(a), 3.1(b), 3.1(c) and 3.1(d), it being agreed that "reasonable endeavours" of the Bidder in this context will include making applications to the relevant regulators, in accordance with clause 3.3(d)(i), in substantially the form agreed between the Bidder and Qube prior to the date of this deed, accepting those conditions which it is required to do so pursuant to clause 3.3(a) and otherwise complying with its obligations under this clause 3.2;
- (b) Qube must use its reasonable endeavours to satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(e), 3.1(j), 3.1(l), 3.1(m), 3.1(n) and 3.1(o);
- (c) each party must, to the extent it is within its power to do so, use its reasonable endeavours to satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(f), 3.1(g), 3.1(h) 3.1(i) and 3.1(k);
- (d) no party will take any action that will or is likely to hinder, delay or prevent the satisfaction of any Condition Precedent, except to the extent that such action is required to be done or procured pursuant to, or is otherwise permitted by, this deed or the Scheme, or is required by Law; and
- (e) a party will not be in breach of its obligations under clause 3.2(b) or clause 3.2(c) to the extent that it takes an action or omits to take an action:
 - (i) as required or expressly permitted by this deed (including without limitation taking an action or omitting to take an action in response to a Competing Proposal as permitted by clause 11); or
 - (ii) which has been consented to in writing by the other party.

3.3 Regulatory Approvals

- (a) Notwithstanding any other provision of this deed, each of the Regulatory Approvals must be given on an unconditional basis or subject only to such conditions, undertakings or commitments that are acceptable to the Bidder (acting reasonably). The Bidder must agree or accept:
 - (i) in respect of the Regulatory Approval required under clause 3.1(a), the Standard Tax Conditions (including any terms, conditions, commitments, obligations or undertakings that are substantially consistent with or similar to the Standard Tax Conditions), whether imposed on the Bidder or on another person by the application of section 19 of the FATA, and the Bidder acknowledges and agrees that these are reasonable and must be accepted by the Bidder if they are included in any notice of no objection provided or contemplated in relation to that Regulatory Approval;
 - (ii) in respect of the Regulatory Approval required under clause 3.1(b), conditions imposed by the OIO that are substantially the same as the conditions referenced as the 'standard conditions' applying to any consent for an overseas person to acquire significant New Zealand Business Assets at the following link

www.linz.govt.nz/sites/default/files/2024-05/Conditions%20-%20Significant%20business%20assets%20%28example%29.pdf

as at the date of this deed.

- (b) Bidder acknowledges that it has disclosed to Qube prior to the date of this agreement the proposed ownership structure of Bidder on implementation of the Scheme. Before Implementation, Bidder must not take any action that would result in any changes to such ownership structure (including direct or indirect, legal or beneficial ownership interests) where the Bidder has formed the view, acting reasonably and in good faith, after receiving written legal advice, that such change would, or would reasonably be likely to, cause any Regulatory Approvals to:
 - (i) be delayed beyond the End Date; or
 - (ii) not be obtained; or
 - (iii) be obtained on conditions which would not be acceptable to the Buyer (acting reasonably),
 compared to the position had such change not been made, provided that:
 - (iv) in respect of a Consortium Member who is, or is a subsidiary of, a financial sponsor or fund investor, changes to the investors in any applicable fund vehicle(s) by way of transfer of limited partner interests will not be a breach of this clause, provided there is no change to the ultimate management and / or control of the interests (direct or indirect) of that Consortium Member in Bidder.
- (c) The parties acknowledge and agree that if a Regulatory Approval is finally given by the relevant Government Agency subject only to specified conditions, undertakings or commitments that either must be agreed or accepted by the Bidder in accordance with clause 3.3(a), then for the purposes of clauses 3.1(a), 3.1(b), 3.1(c) or 3.1(d) (as applicable), that Regulatory Approval has been obtained.
- (d) Without limiting the generality of clause 3.2 and subject to clause 3.3(f):
 - (i) the Bidder must, to the extent it has not already done so prior to the date of this deed, apply for all Regulatory Approvals as soon as practicable, provided that:
 - (A) in respect of the Regulatory Approvals required under clauses 3.1(a), 3.1(b) and 3.1(c), the Bidder must file the application within 10 Business Days after the date of this deed; and
 - (B) in the case of an ACCC clearance, the Bidder will be taken to have satisfied this requirement by filing a draft notification in near final-form (subject to the outcomes of ACCC consultation) with the ACCC within 15 Business Days after the date of this deed,
 and Qube must provide such assistance in respect of any such application as the Bidder may reasonably request (including, in the case of a consent referenced in clause 3.1(b), filing a "Vendor Information Form" at the same time as the Bidder's application), and each party must take all reasonable steps required as part of the approval process in respect of any such application, including responding to reasonable requests for information at the earliest practicable time;
 - (ii) the Bidder must keep Qube fully informed of progress in relation to the obtaining of the Regulatory Approvals, including:
 - (A) by promptly providing Qube with reasonable details of all material dealings with Government Agencies in relation to the applications for

- Regulatory Approvals (including any requests for information by such Government Agencies, and any conditions or other arrangements proposed by any Government Agency in respect of such Regulatory Approvals);
- (B) by promptly providing Qube with any material information or matter which is likely to result in a delay in receipt of a Regulatory Approval that would mean the Timetable is unlikely to be achieved, or indicate that a Regulatory Approval is unlikely to be given;
 - (C) by consulting with Qube, in advance, in relation to:
 - (1) all proposed material communications and the proposed content of those communications (whether written or oral and whether direct or through an Adviser) with any Government Agency relating to any Regulatory Approval (**Communications**); and
 - (2) each proposed material step in the process of obtaining each Regulatory Approval; and
 - (D) by allowing Qube to be present or represented at any proposed meeting with any Government Agency relating to any Regulatory Approval, unless the relevant Government Agency has indicated that it does not want the other party to be present or represented and the party reasonably expects that meeting to involve the disclosure or discussion of confidential, competitively sensitive or privileged information relating to the existing business or affairs of a party or its Related Entities.
- (e) Without limiting clause 3.3(d)(ii), the Bidder must, in connection with the Regulatory Approvals:
- (i) provide Qube with drafts of any material written communications to be sent to a Government Agency, and, to the extent applicable and reasonably practicable, allow Qube a reasonable opportunity to make comments on them prior to them being sent; and
 - (ii) promptly provide copies of any material written Communications received from a Government Agency.
- (f) Before providing any document or other information to Qube pursuant to this clause 3.3, the Bidder may redact any part of that document, or not disclose any part of that information, which contains or constitutes confidential, competitively sensitive or privileged information relating to the existing business or affairs of the Bidder or its Related Entities or a Consortium Group Member, or to the extent that the Bidder reasonably considers that the disclosure of such information to Qube would be unlawful or damaging to the commercial or legal interests of the Bidder or its Related Entity or a Consortium Group Member, or would be reasonably likely to jeopardise any attorney-client, work product or other legal privilege.

3.4 Qube Regulated Events

In respect of the Condition Precedent in clause 3.1(n), if a Qube Regulated Event occurs between (and including) the date of this deed and 8:00am on the Second Court Date:

- (a) Qube must promptly (and, in any event, within one Business Day of becoming aware of a Qube Regulated Event) after the Qube Regulated Event occurs, give written notice to the

Bidder in accordance with clause 3.6(c) setting out the relevant circumstances of the breach, non-fulfilment or non-satisfaction; and

- (b) if Qube gives a notice in accordance with clause 3.4(a), the Condition Precedent in clause 3.1(n) will not be taken to be breached, not fulfilled or not satisfied as a result of the occurrence of the relevant Qube Regulated Event, unless the relevant circumstances or occurrence continue to exist for five Business Days from the time the notice is given (or any shorter period ending at 8:00am on the Second Court Date).

3.5 Waiver of Conditions Precedent

- (a) The Conditions Precedent in clauses 3.1(a) to 3.1(i) (other than clause 3.1(g)) are for the benefit of Qube and the Bidder. Any breach or non-satisfaction of any of the Conditions Precedent in clauses 3.1(a) to 3.1(h) cannot be waived. Any breach or non-satisfaction of the Condition Precedent in clause 3.1(i) may only be waived by the Bidder and Qube giving their written consent.
- (b) The Conditions Precedent in clauses 3.1(j), 3.1(k), 3.1(l), 3.1(m) and 3.1(n) are for the sole benefit of the Bidder, and any breach or non-satisfaction of those Conditions Precedent may only be waived by the Bidder giving its written consent.
- (c) The Condition Precedent in clause 3.1(g) is for the sole benefit of Qube, and any breach or non-satisfaction of that Condition Precedent may only be waived by Qube giving its written consent.
- (d) A party entitled to waive the breach or non-satisfaction of a Condition Precedent pursuant to this clause 3.4 may do so in its absolute discretion.
- (e) If a waiver by a party of a Condition Precedent is itself expressed to be conditional and the other party accepts the conditions, then the terms of the conditions apply accordingly. If the other party does not accept the conditions, then the relevant Condition Precedent has not been waived.
- (f) If a party waives the breach or non-satisfaction of a Condition Precedent, that waiver will not preclude it from suing the other party for any breach of this deed constituted by the same event that gave rise to the breach or non-satisfaction of the Condition Precedent.
- (g) Waiver of a breach or non-satisfaction in respect of one Condition Precedent does not constitute:
 - (i) a waiver of breach or non-satisfaction of any other Condition Precedent resulting from the same event; or
 - (ii) a waiver of breach or non-satisfaction of that Condition Precedent resulting from any other event.

3.6 Notifications

Each party must:

- (a) keep the other party promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of the Conditions Precedent;
- (b) promptly notify the other party in writing if it becomes aware that any Condition Precedent has been satisfied, in which case the notifying party must also provide reasonable evidence that the Condition Precedent has been satisfied; and
- (c) promptly notify the other party in writing of a failure to satisfy a Condition Precedent or of any fact or circumstance that results in that Condition Precedent becoming incapable of

being satisfied or that may result in that Condition Precedent not being satisfied in accordance with its terms.

3.7 Scheme voted down because of Headcount Test

- (a) If the Scheme is not approved by Qube Shareholders at the Scheme Meetings by reason only of the non-satisfaction of the Headcount Test and Qube considers, acting reasonably, that the splitting by a holder of Qube Shares into two or more parcels of Qube Shares (whether or not it results in any change in beneficial ownership of the Qube Shares) or some abusive or improper conduct may have caused or materially contributed to the Headcount Test not having been satisfied, then Qube must:
 - (i) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
 - (ii) make such submissions to the Court and file such evidence as counsel engaged by Qube to represent it in Court proceedings related to the Scheme, in consultation with the Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.
- (b) If the Court's approval of the Scheme under section 411(4)(b) of the Corporations Act is given, notwithstanding that the Headcount Test has not been satisfied, the Condition Precedent in clause 3.1(f) is deemed satisfied for all purposes.

3.8 Termination on failure of Condition Precedent

- (a) If there is an event or occurrence that would or does prevent any of the Conditions Precedent being satisfied (including, for the avoidance of doubt, if Qube Shareholders do not agree to the Scheme resolutions at the Scheme Meetings by the requisite majorities), or if any of the Conditions Precedent will not otherwise be satisfied, by the earlier of:
 - (i) the time and date specified in this deed for the satisfaction of that Condition Precedent; and
 - (ii) the End Date,
 or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable), then either party may give the other party written notice (**Consultation Notice**) within 5 Business Days after a relevant notice being given under clause 3.8(c) and the parties then must consult in good faith to:
 - (iii) consider and, if agreed, determine whether the Transaction may proceed by way of alternative means or methods or whether, in the case of a breach of a Condition Precedent in clause 3.1(l), clause 3.1(m) or clause 3.1(n), the breach or the effects of the breach is or are able to be remedied; or
 - (iv) consider changing and, if agreed, change, the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Scheme or adjourning the application to another date agreed to in writing by the Bidder and Qube (being a date no later than 5 Business Days before the End Date), unless there is no reasonable prospect that the Condition Precedent will be satisfied before the End Date; or
 - (v) consider extending and, if agreed, extend, the relevant date or End Date,

respectively.

- (b) Subject to clause 3.8(c), if the parties are unable to reach agreement under clause 3.8(a) within 5 Business Days after the date on which the Consultation Notice is given, then, unless:
 - (i) the relevant Condition Precedent has been waived in accordance with clause 3.4; or
 - (ii) each party or parties (as applicable) entitled to waive the relevant Condition Precedent in accordance with clause 3.4 confirms in writing to the other party that it will not rely on the event or occurrence that would or does prevent the relevant Condition Precedent from being satisfied, or would mean the relevant Condition Precedent would or will not otherwise be satisfied,

either party may terminate this deed without any liability to the other party because of that termination (except as provided under clause 13.3). For the avoidance of doubt, nothing in this clause 3.8(b) affects the obligation of Qube to pay the Reimbursement Fee if it is required to do so under clause 12.
- (c) A party may not terminate this deed pursuant to clause 3.8(b) if:
 - (i) the relevant occurrence or event, the failure of the Condition Precedent to be satisfied, or the failure of the Scheme to become Effective, arises out of a breach of clause 3.2 or clause 3.6 by that party, although in such circumstances the other party may still terminate this deed; or
 - (ii) the relevant Condition Precedent is stated in clause 3.4 to be for the sole benefit of the other party.

4 Transaction Steps

4.1 Scheme

Qube must, subject to the terms and conditions of this deed, propose the Scheme to Qube Shareholders.

4.2 No amendment to the Scheme without consent

Qube must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of the Bidder, such consent not to be unreasonably withheld or delayed.

4.3 Scheme Consideration

- (a) The consideration to be provided by the Bidder to each Scheme Shareholder for the transfer to the Bidder of each Scheme Share in respect of each Scheme Share held by a Scheme Shareholder as at the Scheme Record Date:
 - (i) is, in relation to each Scheme Shareholder other than UniSuper in relation to the UniSuper Specified Shares only:
 - (A) an amount of \$5.20 adjusted in accordance with clause 4.5, if applicable;
 - (B) less the cash amount of any Qube Special Dividend; and
 - (C) less the cash amount of the Interim Dividend and Final Dividend; and
 - (ii) in the case of the UniSuper Shareholder in relation to the UniSuper Specified Shares only, such number of fully paid HoldCo Shares as is equal to X divided by Y (rounded up to the nearest whole number), where:

- (A) X is the amount of Scheme Consideration per Scheme Share to which Scheme Shareholders (other than UniSuper in relation to the UniSuper Specified Shares) are entitled pursuant to this Scheme multiplied by the number of UniSuper Specified Shares; and
- (B) Y is the issue price per HoldCo Share in relation to the other HoldCo Shares to be issued on or prior the Implementation Date,
(together, the **Scheme Consideration**).
- (b) The parties acknowledge that each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder subject to and in accordance with the terms and conditions of this deed and the Scheme.
- (c) The Bidder undertakes and warrants to Qube (in its own right and separately as trustee on behalf of the Scheme Shareholders) that, in consideration of the transfer to the Bidder of each Scheme Share held by a Scheme Shareholder under the terms of the Scheme, on the Implementation Date the Bidder will provide to each Scheme Shareholder the Scheme Consideration for each Scheme Share in accordance with the terms and conditions of this deed and the Scheme.

4.4 Qube Incentives

- (a) Qube must use reasonable endeavours to procure that the ASX grants a waiver from rule 6.23 of the ASX Listing Rules (to the extent required) in connection with any actions to be taken by Qube under clause 3.1(j).
- (b) If the waiver is not obtained before the First Court Date, then Qube agrees to seek any approvals that are required from Qube Shareholders under rule 6.23 of the ASX Listing Rules in connection with any actions to be taken by Qube under clause 3.1(j).

4.5 Extension of End Date

Where the parties agree in writing to extend the End Date as contemplated by paragraph (b) of the 'End Date' definition, an additional cash amount per Qube Share equal to an additional \$0.02 per month, accruing daily for each day that has elapsed from and including 15 December 2026 to (and including) the Effective Date of the Scheme shall be payable to Scheme Shareholders as Scheme Consideration.

5 Implementation

5.1 Timetable

- (a) Subject to clause 5.1(b), the parties must each use all reasonable endeavours to:
 - (i) comply with their respective obligations under this clause 5; and
 - (ii) take all necessary steps and exercise all rights necessary to propose and implement the Transaction,in accordance with the Timetable.
- (b) Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of clause 5.1(a) to the extent that such failure is due to circumstances and matters outside of that party's control, acting reasonably (including, for the avoidance of doubt, any delays caused by a Government Agency), or due to Qube taking or omitting to take any action in response to a Competing Proposal as permitted by this deed.

- (c) Each party must keep the other informed about their progress against the Timetable and notify each other if it believes that any of the dates in the Timetable are not achievable.
- (d) To the extent that any of the dates or timeframes set out in the Timetable become not achievable due to matters outside of a party's control, the parties will consult in good faith to agree to any necessary extension to ensure such matters are completed within the shortest possible timeframe.

5.2 Qube's obligations

Qube must take all steps necessary to propose and implement the Scheme as soon as is reasonably practicable after the date of this deed and, without limiting the foregoing, must use reasonable endeavours to ensure that each step in the Timetable is met by the date set out beside that step, including by doing any acts it is authorised and able to do on behalf of Qube Shareholders and each of the following:

- (b) **(Directors' recommendation)** include in the Scheme Booklet a statement by the Qube Board:

 - (ii) that each Qube Board member will (subject to the same qualifications as set out in clause 5.2(b)(i)) vote, or procure the voting of, any Director Shares at the time of the Scheme Meetings in favour of the Scheme at the Scheme Meetings, unless there has been a change of recommendation permitted by clause 5.8;
- (c) **(paragraph 411(17)(b) statement)** apply to ASIC no later than 14 days before the First Court Date for the production of:

In respect of those leases, authorisations and contracts:

- (b) The Qube Board agrees that a modification to the proposed price of any Competing Proposal will constitute a new Competing Proposal for the purposes of the requirements under this clause 11.5.

If the Qube Board, acting in good faith, determines that the Counter Proposal provides an equivalent or superior outcome for Qube Shareholders (as a whole, other than UniSuper) compared with the applicable Competing Proposal, then Qube and the Bidder must use their best endeavours to agree the amendments to this deed and any other transaction documentation that is reasonably necessary to reflect the Counter Proposal.

11.6 Non-public Information

- (a) If, during the Exclusivity Period, any Non-public Information is provided or made available to any person in connection with an actual, proposed or potential Competing Proposal which has not previously been provided or made available to the Bidder, Qube must promptly, and in any event within 24 hours of the date on which such Non-public Information has been provided or made available to such person, provide to the Bidder:
 - (i) in the case of written materials, a copy of; and
 - (ii) in any other case, a written statement of,
 that Non-public Information.
- (b) Clause 11.6(a) does not require Qube or any of its Related Entities to provide or make available to the Bidder any information that Qube reasonably considers is likely to

disclose information relating to that other person which is commercially or competitively sensitive information of that person.

11.7 Compliance with law

- (a) This clause 11 imposes obligations on Qube only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Australian Takeovers Panel; and
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of the Qube Board's fiduciary or statutory duties),subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Australian Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 11.7(a).

11.8 Normal provision of information

Nothing in this clause 11 prevents a party from:

- (a) providing information to its Representatives;
- (b) providing information to any Government Agency;
- (c) providing information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business;
- (d) providing information required to be provided by law, including to satisfy its obligations of disclosure under the ASX Listing Rules or to any Government Agency;
- (e) making presentations to, and responding to enquiries from, brokers, portfolio investors, analysts, institutional investors and institutional lenders in the ordinary course in relation to its business generally; or
- (f) engaging with its securityholders (in their capacity as a securityholder) in the ordinary course and consistent with past practice, in relation to the Qube Group or the Patrick Group, provided such engagement does not relate to Qube soliciting, inviting, encouraging or initiating an actual or proposed or potential Competing Proposal.

12 Reimbursement Fee

12.1 Background to Reimbursement Fee

- (a) The Bidder and Qube acknowledge that, if they enter into this deed and the Scheme is subsequently not implemented, the Bidder will incur significant costs, including those set out in clause 12.5.
- (b) In these circumstances, the Bidder has requested that provision be made for the compensation payments outlined in clause 12.2, without which the Bidder would not have entered into this deed or otherwise agreed to implement the Scheme.
- (c) The Qube Board believes, having taken advice from its external legal Advisers and Financial Adviser, that the implementation of the Scheme will provide benefits to Qube and the Qube Shareholders (other than UniSuper) and that it is appropriate for Qube to agree to the compensation payments referred to in clause 12.2 in order to secure the Bidder's participation in the Transaction.

12.2 Reimbursement Fee triggers

Subject to this clause 12, Qube must pay the Reimbursement Fee to the Bidder if:

- (a) at any time before the End Date or, if earlier, the date this deed is terminated under clause 13, any director of Qube:
 - (i) fails to recommend the Scheme in accordance with clause 5.8;
 - (ii) withdraws, adversely changes, adversely modifies or adversely qualifies their support of the Scheme or their recommendation that Qube Shareholders (other than UniSuper) vote in favour of the Scheme; or
 - (iii) makes a public statement indicating that they no longer recommend the Transaction or they recommend, support or endorse another transaction (including any Competing Proposal but excluding a statement that no action should be taken by Qube Shareholders pending assessment of a Competing Proposal by either Qube Board or the completion of the matching right process set out in clause 11.5,

in each case provided that the Bidder has terminated this deed in accordance with clause 13, and other than in circumstances where:

- (iv) the Independent Expert concludes that the Scheme is not in the best interests of Qube Shareholders, other than UniSuper (except in circumstances where the Independent Expert reaches that conclusion as a result of a Competing Proposal);
- (v) the failure to recommend, or the change to or withdrawal of a recommendation to vote in favour of the Scheme occurs because of and to the extent of a requirement by a court or Government Agency of competent jurisdiction that one or more Qube Board members abstain or withdraw from making a recommendation that Qube Shareholders (other than UniSuper) vote in favour of the Scheme after the date of this deed; or
- (vi) Qube is entitled to terminate this deed pursuant to clause 13.1(a) or 13.2(b), and has given the appropriate termination notice to the Bidder,

provided that, for the avoidance of doubt, a statement made by Qube, the Qube Board or any Qube Board member to the effect that no action should be taken by Qube Shareholders pending the assessment of a Competing Proposal by either Qube Board or the completion of the matching right process set out in clause 11.5 will not of itself require Qube to pay the Reimbursement Fee to the Bidder;

- (b) at any time before the End Date or, if earlier, the date the deed is terminated under clause 13, a Competing Proposal is announced by a Third Party and, within one year after that occurring, the Third Party or any one or more Associate(s) of the Third Party has a Relevant Interest in at least 50% of Qube Shares under a transaction that is or has become wholly unconditional or otherwise comes to control (within the meaning of section 50AA of the Corporations Act) Qube or acquires substantially all of the assets of Qube (in each case alone or in aggregate); or
- (c) the Bidder has terminated this deed pursuant to:
 - (i) clause 3.8;
 - (ii) clause 13.1(a)(i); or
 - (iii) clause 13.2(a),

and the Transaction does not complete.

12.3 Payment conditions

- (a) Notwithstanding the occurrence of any event under clause 12.2, no amount is payable under that clause if the Scheme becomes Effective.
- (b) Notwithstanding the occurrence of an event referred to in clause 12.2, no amount is payable under that clause if, prior to the event occurring Qube terminates this deed pursuant to clause 13.1 or clause 13.2.
- (c) Qube can only ever be liable to pay the Reimbursement Fee once.

12.4 Payment of Reimbursement Fee

- (a) A demand by the Bidder for payment of the Reimbursement Fee under clause 12.2 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of the Bidder into which Qube is to pay the Reimbursement Fee.
- (b) Qube must pay the Reimbursement Fee into the account(s) nominated by the Bidder, without set-off or withholding, within 10 Business Days after receiving a demand for payment where the Bidder is entitled under clause 12.2 to the Reimbursement Fee.

12.5 Basis of Reimbursement Fee

The Reimbursement Fee has been calculated as compensation for loss to reimburse the Bidder for costs including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Transaction (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transaction or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Transaction; and
- (d) out of pocket expenses incurred by the Bidder and the Bidder's employees, Advisers and agents in planning and implementing the Transaction,

and the parties agree that:

- (e) the costs actually incurred by the Bidder will be of such a nature that they cannot all be accurately ascertained; and
 - (f) the Reimbursement Fee is a genuine and reasonable pre-estimate of those costs,
- and Qube represents and warrants that it has received written legal advice from its legal advisers in relation to the operation of this clause 12.

12.6 Compliance with law

- (a) This clause 12 does not impose an obligation on Qube to pay the Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reimbursement Fee:
 - (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or

- (ii) is determined to be unenforceable or unlawful by a court,
- and the Bidder will refund to Qube within 10 Business Days any amount in excess of its obligation under this clause 12.6 that Qube has already paid to the Bidder when that declaration or determination is made (unless otherwise required by the Takeovers Panel or a court). For the avoidance of doubt, any part of the Reimbursement Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by Qube.
- (b) The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 12.6(a).

12.7 Limitation of liability

- (a) Notwithstanding any other provision of this deed:
 - (i) the maximum aggregate liability of Qube to Bidder under or in connection with this deed, including in respect of any breach of this deed, will be the amount of the Reimbursement Fee; and
 - (ii) a payment by Qube of the Reimbursement Fee in accordance with this clause 12 represents the sole and absolute liability of Qube to the Bidder under or in connection with this deed and no further damages, fees, expenses or reimbursements of any kind will be payable by Qube to the Bidder in connection with this deed; and
 - (iii) the amount of the Reimbursement Fee payable to the Bidder under this clause 12 shall be reduced by the amount of any loss or damage recovered by the Bidder in relation to a breach of any other clause of this deed.
- (b) Nothing in this clause limits Bidder's right to seek and obtain, without limitation, injunctive relief or specific performance if Qube breaches or threatens to breach this deed.
- (c) Clauses 12.7(a)(i) and 12.7(a)(ii) do not apply in respect of a fraud, wilful or intentional breach of clause 11 by Qube.

13 Termination

13.1 Termination

- (a) Either party may terminate this deed by written notice to the other party:
 - (i) other than in respect of a breach of either a Bidder Representation and Warranty or a Qube Representation and Warranty (which are dealt with in clause 13.2), at any time before 8:00am on the Second Court Date, if the other party has materially breached this deed and such breach is material in the context of the Transaction as a whole, the party entitled to terminate has given written notice to the party in breach of this deed setting out the relevant circumstances and stating an intention to terminate this deed, and the other party has failed to remedy the breach within 5 Business Days (or any shorter period ending at 5:00pm on the Business Day before the Second Court Date) after the date on which the notice is given;
 - (ii) at any time before 8:00am on the Second Court Date, if the Court or another Government Agency (including any other court) has taken any action permanently restraining or otherwise prohibiting or preventing the Transaction, or has refused to do anything necessary to permit the Transaction to be

- implemented by the End Date, and the action or refusal has become final and cannot be appealed or reviewed or the party, acting reasonably, believes that there is no realistic prospect of an appeal or review succeeding by the End Date (provided that the party purporting to terminate this deed has complied with its obligations in clause 3.8 to the extent applicable);
- (iii) in the circumstances set out in, and in accordance with, clause 3.8 (provided that the party purporting to terminate this deed has complied with its obligations in clause 3.8 to the extent applicable); or
 - (iv) if the Effective Date for the Scheme has not occurred, or will not occur, on or before the End Date.
- (b) The Bidder may terminate this deed by written notice to Qube at any time before 8:00am on the Second Court Date if any Qube Board member:

 - (ii) withdraws, adversely changes, adversely modifies or adversely qualifies their support of the Scheme or their recommendation that Qube Shareholders (other than UniSuper) vote in favour of the Scheme; or
 - (iii) makes a public statement indicating that they no longer recommend the Transaction or they recommend, support or endorse another transaction (including any Competing Proposal but excluding a statement that no action should be taken by Qube Shareholders pending assessment of a Competing Proposal by either Qube Board or the completion of the matching right process set out in clause 11.5).
- (c) Qube may terminate this deed by written notice to the Bidder at any time before 8:00am on the Second Court Date:
- (i) if a majority of the Qube Board has changed, withdrawn, modified or qualified its recommendation as permitted under clause 5.8, and, if required to pay the Reimbursement Fee as a result of such withdrawal, Qube has paid the Reimbursement Fee to the Bidder; or
 - (ii) if Qube gives notice to the Bidder that it has determined that a Competing Proposal is a Superior Proposal having complied with clause 11.5(a)(vi)(B)(2).

13.2 Termination for breach of representations and warranties

- (a) The Bidder may, at any time before 8:00am on the Second Court Date, terminate this deed for material breach of a Qube Representation and Warranty only if:
- (i) the Bidder has given written notice to Qube setting out the relevant circumstances and stating an intention to terminate or to allow the Scheme to lapse;
 - (ii) the relevant breach continues to exist 5 Business Days (or any shorter period ending at 5:00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 13.2(a)(i); and
 - (iii) the relevant breach is (or all such relevant breaches together are) material in the context of the Scheme taken as a whole.

- (b) Qube may, at any time before 8:00am on the Second Court Date, terminate this deed for material breach of a Bidder Representation and Warranty only if:
 - (i) Qube has given written notice to the Bidder setting out the relevant circumstances and stating an intention to terminate or to allow the Scheme to lapse;
 - (ii) the relevant breach continues to exist 5 Business Days (or any shorter period ending at 5:00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 13.2(b)(i); and
 - (iii) the relevant breach is material in the context of the Scheme taken as a whole.

13.3 Termination by written agreement

The parties may terminate this deed by another written agreement between them.

13.4 Effect of termination

If this deed is terminated by either party under clauses 13.1 or 13.2:

- (a) each party will be released from its obligations under this deed, except that this clause 13.4, and clauses 1, 7.5 to 7.9, 8.1, 8.2, 10, 12, 14, 15, 16 and 17 (except clause 17.8), will survive termination and remain in force;
- (b) each party will retain the rights it has or may have against the other party in respect of any past breach of this deed; and
- (c) in all other respects, all future obligations of the parties under this deed will immediately terminate and be of no further force and effect, including any further obligations in respect of the Scheme.

13.5 Notice of termination

Where a party has a right to terminate this deed, that right for all purposes will be validly exercised if the party delivers a notice in writing to the other party stating that it terminates this deed and the provision under which it is terminating this deed.

13.6 No other termination

Neither party may terminate or rescind this deed except as permitted under clauses 3.8, 13.1, 13.2 or 13.3.

14.2 Costs and expenses

Except as otherwise provided in this deed, each party must pay its own costs and expenses in connection with the negotiation, preparation, execution, delivery and performance of this deed and the proposed, attempted or actual implementation of this deed and the Transaction.

15 GST

15.1 Recovery of GST

If GST is or becomes payable, or notionally payable, on a supply made under or in connection with this deed, the party providing the consideration for that supply must pay as additional consideration an amount equal to the amount of GST payable, or notionally payable, on that supply (the **GST Amount**) as calculated by the party making the supply (the **Supplier**) in accordance with the GST Law. Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time and in the same manner that the other consideration for the supply is provided. This clause 15 does not apply to the extent that the consideration for the supply is expressly stated to be GST inclusive or the supply is subject to reverse charge.

15.2 Liability net of GST

Notwithstanding any other provision in this deed, where any indemnity, reimbursement or similar payment under this deed is based on any cost, expense or other liability incurred by a party, it may be reduced by any input tax credit entitlement, or notional input tax credit entitlement, of that party (or its representative member) in relation to the relevant cost, expense or other liability.

15.3 Adjustment events

If an adjustment event occurs in relation to a supply under or in connection with this deed, the GST Amount will be recalculated in accordance with the GST law to reflect that adjustment and an appropriate payment will be made between the parties and the Supplier shall issue an adjustment note to the recipient within 10 Business Days after becoming aware of the occurrence of the adjustment event.

15.4 Survival

This clause 15 will continue to apply after expiration or termination of this deed.

15.5 Definitions

Unless the context requires otherwise, words used in this clause 15 that have a specific meaning in the GST law (as defined in the *A New Tax System (Goods and Services Tax) Act 1999* (Cth)) have the same meaning in this clause 15.

17.5 No waiver

A failure to exercise or a delay in exercising any right, power or remedy under this deed does not operate as a waiver. A single or partial exercise or waiver of the exercise of any right, power or remedy does not preclude any other or further exercise of that or any other right, power or remedy. A waiver is not valid or binding on the party granting that waiver unless made in writing.

17.6 Assignment

Qube and the Bidder have agreed, by executing the Scheme Implementation Deed, to implement this Scheme.

2.3 Deed Poll

- (a) This Scheme attributes actions to the Bidder and HoldCo but does not itself impose an obligation on them to perform those actions. The Bidder and HoldCo have agreed, by executing the Deed Poll, to perform the actions attributed to them under this Scheme, including the provision or procuring the provision of the Scheme Consideration to the Scheme Shareholders.
- (b) This Scheme attributes actions to UniSuper, but does not itself impose an obligation on it to perform those actions. UniSuper has agreed, by executing the Voting Deed dated [insert] February 2026, to perform the actions attributed to it under and in accordance with this Scheme.

3 Conditions

3.1 Conditions precedent

This Scheme is conditional on and will have no force or effect until, the satisfaction of each of the following conditions precedent:

- (a) all the conditions in clause 3.1 of the Scheme Implementation Deed (other than the condition in clause 3.1(h) of the Scheme Implementation Deed relating to Court approval of this Scheme) having been satisfied or waived in accordance with the terms of the Scheme Implementation Deed by 8:00am on the Second Court Date;
- (b) neither the Scheme Implementation Deed nor the Deed Poll having been terminated in accordance with their terms before 8:00am on the Second Court Date;
- (c) approval of this Scheme by the Court under paragraph 411(4)(b) of the Corporations Act, including with any alterations made or required by the Court under subsection 411(6) of the Corporations Act and agreed to by the Bidder and Qube;
- (d) such other conditions made or required by the Court under subsection 411(6) of the Corporations Act in relation to this Scheme and agreed to by the Bidder and Qube having been satisfied or waived; and
- (e) the orders of the Court made under paragraph 411(4)(b) (and, if applicable, subsection 411(6)) of the Corporations Act approving this Scheme coming into effect, pursuant to subsection 411(10) of the Corporations Act on or before the End Date (or any later date Qube and the Bidder agree in writing).

3.2 Certificate

- (a) Qube and the Bidder will provide to the Court on the Second Court Date a certificate, or such other evidence as the Court requests, confirming (in respect of matters within their knowledge) whether or not all of the conditions precedent in clauses 3.1(a) and 3.1(b) have been satisfied or waived.
- (b) The certificate referred to in clause 3.2(a) constitutes conclusive evidence that such conditions precedent were satisfied, waived or taken to be waived.

3.3 End Date

Without limiting clause 3.4, this Scheme will lapse and be of no further force or effect if:

- (a) the Effective Date does not occur on or before the End Date; or
- (b) the Scheme Implementation Deed or the Deed Poll is terminated in accordance with its terms,

unless Qube and the Bidder otherwise agree in writing.

3.4 Condition subsequent

This Scheme will automatically terminate at the end of the Implementation Date and be of no further force or effect if, at any time before the Scheme is implemented:

- (a) UniSuper Shareholder, UniSuper or any entity holding the UniSuper Specified Shares on behalf of UniSuper, deals with, sells or otherwise disposes of (or deals with, sells or otherwise disposes of any interest in) any of the UniSuper Specified Shares, or agrees to any of the foregoing; or
- (b) UniSuper is not the full beneficial owner of any of the UniSuper Specified Shares,

(other than as a result of a transfer of all of the UniSuper Specified Shares to the Bidder pursuant to the Scheme and any subsequent transfer by the Bidder or its successors in title) unless Qube and the Bidder otherwise agree in writing on or before the Implementation Date.

4 Implementation of Scheme

Qube must lodge with ASIC, in accordance with subsection 411(10) of the Corporations Act, an office copy of the Court order approving this Scheme as soon as possible after the Court approves this Scheme and in any event by 5:00pm on the first Business Day after the day on which the Court approves this Scheme.

5 Scheme Shareholders

5.1 Determination of Scheme Shareholders

To establish the identity and addresses of the Scheme Shareholders, dealings in Qube Shares or other alterations to the Qube Share Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Qube Share Register as the holder of the relevant Qube Shares on or before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of those alterations, are received on or before the Scheme Record Date at the place where the Qube Share Register is kept,

and Qube must not accept for registration, nor recognise for any purpose (except a transfer to the Bidder pursuant to this Scheme and any subsequent transfer by the Bidder or its successors in title), any transfer or transmission application or other request received after such times, or received before such times but not in registrable or actionable form, as appropriate.

5.2 Register

- (a) Qube must register, or cause to be registered, registrable transmission applications or transfers of the Scheme Shares in accordance with clause 5.1(b) by the Scheme Record Date, provided that, for the avoidance of doubt, nothing in this clause 5.2(a) requires the registration of a transfer that would result in a Scheme Shareholder holding a parcel of Qube Shares that is less than a 'marketable parcel' (for the purposes of this clause 5.2(a) 'marketable parcel' has the meaning given in the Operating Rules).
- (b) If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of or otherwise deal with, any Scheme Shares or any interest in them after the Scheme Record Date (except a transfer to the Bidder pursuant to this Scheme or any subsequent transfer by the Bidder or its successors in title) and any attempt to do so will have no effect and Qube shall be entitled to disregard any such disposal or other dealing.
- (c) Qube will, until the Scheme Consideration has been provided and the name and address of the Bidder has been entered into the Qube Share Register as the holder of all Scheme Shares, maintain, or procure the maintenance of, the Qube Share Register in accordance with the provisions of this clause 5.2, and the Qube Share Register in this form and the terms of this Scheme will solely determine entitlements to the Scheme Consideration.
- (d) All statements of holding for Qube Shares will cease to have effect after the Scheme Record Date as documents of title in respect of those Qube Shares and, as from that date, each entry current at that date on the Qube Share Register (other than any entries on the Qube Share Register in respect of the Bidder) will cease to have effect except as

evidence of entitlement to the Scheme Consideration in respect of the Qube Shares relating to that entry.

- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5:00pm on the first Business Day after the Scheme Record Date, Qube will ensure that details of the names, Registered Addresses and holdings of Qube Shares for each Scheme Shareholder as shown in the Qube Share Register are available to the Bidder in the form the Bidder reasonably requires.

6 Scheme Consideration

6.1 Entitlement to Scheme Consideration

- (a) The Scheme Consideration in respect of the Scheme Shares is, in respect of each Scheme Shareholder, the Scheme Consideration for the Scheme Shares held by that Scheme Shareholder.
- (b) Each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of the Scheme Shares held by that Scheme Shareholder, subject to the terms of this Scheme.

6.2 Deposit of Scheme Consideration

The Bidder must, by no later than 12:00pm on the Business Day before the Implementation Date, deposit (or procure the deposit) in cleared funds an amount in Australian currency at least equal to the aggregate amount of the Scheme Consideration payable to all Scheme Shareholders (other than the UniSuper Shareholder in relation to the UniSuper Specified Shares) into the Trust Account (provided that any interest on the amounts deposited (less bank fees and other charges) will be credited to the Bidder's account).

6.3 Provision of Scheme Consideration

- (a) On the Implementation Date, subject to funds having been deposited in accordance with clause 6.2, Qube must pay or procure the payment of that Scheme Consideration from the Trust Account, to each Scheme Shareholder (other than the UniSuper Shareholder in relation to the UniSuper Specified Shares) as that Scheme Shareholder is entitled under clause 6.1.
- (b) The obligations of Qube under clause 6.3(a) will be satisfied by Qube (in its absolute discretion and despite any election referred to in clause 6.3(b)(i) below or authority referred to in clause 6.3(b)(ii) below made or given by the Scheme Shareholder):
 - (i) where a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the Qube Registry to receive distribution payments from Qube by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;
 - (ii) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Shareholder by an appropriate authority from the Scheme Shareholder to Qube; or
 - (iii) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Shareholder by prepaid post to their Registered Address (as at the Scheme Record Date), such cheque being drawn

in the name of the Scheme Shareholder (or in the case of joint holders, in accordance with the procedures set out in clause 6.7).

- (c) Subject to any administrative arrangements agreed with the Commissioner of Taxation, if the Bidder is required by Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) to pay amounts to the Commissioner of Taxation in respect of the acquisition of Scheme Shares from certain Scheme Shareholders, then the Bidder is permitted to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Shareholders and remit such amounts to the Commissioner of Taxation. The aggregate sum payable to Scheme Shareholders shall not be increased to reflect the deduction and the net aggregate sum payable to those Scheme Shareholders shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Shareholders. The Bidder must pay any amount so withheld to the Commissioner of Taxation within the time required by law, and, if requested in writing by the relevant Scheme Shareholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Shareholder.
- (d) If, following satisfaction of the Bidder's obligations under clause 6.2 but prior to the occurrence of all of the events described in clause 7, this Scheme lapses under clause 3.3 or clause 3.4:
 - (i) Qube must immediately repay (or cause to be repaid) to or at the direction of the Bidder the funds that were deposited into the Trust Account plus any interest on the amounts deposited (less bank fees and other charges);
 - (ii) the obligation to transfer Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, to the Bidder under clause 7 will immediately cease;
 - (iii) the Bidder must return the Scheme Transfers, if provided pursuant to clause 7; and
 - (iv) Qube is no longer obliged to enter, or procure the entry of, the name of the Bidder in the Qube Share Register in accordance with clause 7.

6.4 Provision of Scheme Consideration in relation to the UniSuper Specified Shares

HoldCo must, on the Implementation Date, prior to the provision of the Scheme Consideration by Qube under clause 6.3 (without impacting Qube's obligations under clause 6.3):

- (a) issue the Scheme Consideration in relation to the UniSuper Specified Shares to UniSuper (or to the UniSuper Nominee HoldCo Shareholder in accordance with clause 6.5);
- (b) procure that the name and address of UniSuper (or the UniSuper Nominee HoldCo Shareholder (as applicable)) is entered in the HoldCo Register in respect of that Scheme Consideration and provide to UniSuper a copy of each of such register evidencing the issue of the Scheme Consideration to UniSuper (or the UniSuper Nominee HoldCo Shareholder (as applicable)); and
- (c) procure that a share certificate or holding statement (or equivalent document) is sent to UniSuper representing the HoldCo Shares issued as Scheme Consideration pursuant to this clause 6.4.

6.5 Direction to issue Scheme Consideration to UniSuper Nominee HoldCo Shareholder

- (a) Subject to clause 6.5(b), the UniSuper Shareholder or UniSuper may, by written notice delivered to the Bidder, HoldCo and Qube no later than two Business Days before the

Scheme Record Date, irrevocably direct and permit HoldCo to discharge its obligations in clause 6.4 by instead issuing that Scheme Consideration to:

- (i) a single Australian incorporated wholly-owned subsidiary of UniSuper; or
- (ii) a single nominee or custodian of UniSuper,

(together, the **UniSuper Nominee HoldCo Shareholder**),

provided that the UniSuper Nominee HoldCo Shareholder only holds the Scheme Consideration as legal and full beneficial owner or as trustee for the UniSuper Fund, a wholly-owned subsidiary of UniSuper or a wholly-owned subsidiary fund of UniSuper Fund and for no one else.

- (b) In order to be valid, a notice delivered to the Bidder, HoldCo and Qube under clause 6.5(a) must be in the form of a deed poll duly executed by UniSuper Shareholder in favour of Bidder, HoldCo and Qube, and must include or be accompanied by:
 - (i) a representation that UniSuper Shareholder nominates the UniSuper Nominee HoldCo Shareholder to be issued the Scheme Consideration in relation to the UniSuper Specified Shares under the Scheme;
 - (ii) a representation setting out complete details of the UniSuper Nominee HoldCo Shareholder's full legal name, registered office, directors, ACN or ABN, and details for the service of legal notices (including by electronic means); and
 - (iii) a representation that the UniSuper Nominee HoldCo Shareholder has validly authorised UniSuper Limited as its attorney and agent to give the covenants set out in clause 9.3 of this Scheme and evidence of that valid authorisation.

6.6 Status of Scheme Consideration provided to UniSuper

Subject to the Scheme becoming Effective, HoldCo must, on the Implementation Date, issue the Scheme Consideration in relation to the UniSuper Specified Shares to UniSuper (or the UniSuper Nominee HoldCo Shareholder, if applicable under clause 6.5) under the Scheme on terms such that each HoldCo Share will rank equally in all respects with each issued ordinary share in HoldCo and any HoldCo Shares which have been agreed to be issued (and no amount will be payable on the HoldCo Shares).

6.7 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any Scheme Consideration payable is payable to the joint holders and any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of Qube, the holder whose name appears first in the Qube Share Register as at the Scheme Record Date or to the joint holders; and
- (b) any other document required to be sent to Scheme Shareholders under this Scheme will be forwarded to either, at the sole discretion of Qube, the holder whose name appears first in the Qube Share Register as at the Scheme Record Date or to the joint holders.

6.8 CHESS Holdings

Each Scheme Shareholder who holds their Scheme Shares in a CHESS Holding agrees to the conversion of those Scheme Shares to an Issuer Sponsored Holding and irrevocably authorises Qube to do anything necessary or expedient (whether required by the Settlement Rules or otherwise) to effect or facilitate such conversion.

6.9 Fractional entitlements

Where the calculation of the aggregate Scheme Consideration to be provided to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.

6.10 Remaining monies in Trust Account

To the extent that, following satisfaction of Qube's obligations under clause 6.3(a) and provided the Bidder has by that time acquired the Scheme Shares in accordance with this Scheme, there is a surplus in the amount held by Qube as trustee for the Scheme Shareholders in the Trust Account, then subject to compliance with applicable laws, the other terms of this Scheme, the Deed Poll and the Scheme Implementation Deed, that surplus (less any bank fees and related charges) shall be paid by Qube (or the Qube Registry on Qube's behalf) to the Bidder.

6.11 Unclaimed monies

- (a) Qube may cancel a cheque issued under this clause 6 if the cheque:
 - (i) is returned to Qube; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Qube (or the Qube Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), Qube must reissue a cheque that was previously cancelled under this clause 6.11.
- (c) The *Unclaimed Money Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 7 of the *Unclaimed Money Act 1995* (NSW)).

6.12 Orders of a court or Government Agency

- (a) If written notice is given to Qube, the Qube Registry or the Bidder of an order or direction made by a court of competent jurisdiction or by another Government Agency that:
 - (i) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by Qube in accordance with this clause 6, then Qube shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (ii) prevents Qube from providing consideration to any particular Scheme Shareholder or third party in accordance with this clause 6, or the payment or issuance of such consideration is otherwise prohibited by applicable law, Qube shall be entitled to (as applicable):
 - (A) retain an amount, in Australian dollars, equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration; or
 - (B) direct HoldCo not to issue, or to issue to a trustee or nominee, such Scheme Consideration as that Scheme Shareholder or third party would otherwise be entitled to under clause 6.4,

until such time as the provision of the Scheme Consideration in accordance with this clause 6 is permitted by that (or another) court or direction or otherwise by law.

- (b) To the extent that amounts are so deducted or withheld in accordance with clause 6.12(a), such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.

7 Transfer of Scheme Shares

On the Implementation Date, subject to the Bidder having satisfied its obligations in clause 6, all of the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, must be transferred to the Bidder, without the need for any further act by any Scheme Shareholder (other than acts performed by Qube or any of its directors and officers as attorney and agent for Scheme Shareholders under this Scheme), by:

- (a) Qube delivering to the Bidder for execution a duly completed Scheme Transfer, executed on behalf of the Scheme Shareholders by Qube (or any of its directors and officers) for registration;
- (b) the Bidder duly executing the Scheme Transfer as transferee, attending to the stamping of the Scheme Transfer (if required) and delivering it to Qube for registration; and
- (c) Qube, immediately following receipt of the Scheme Transfer in accordance with clause 7(a), but subject to the stamping of the Scheme Transfers (if required), or the transfer being effected under section 1074D of the Corporations Act (as the case may be), entering, or procuring the entry of, the name and address of the Bidder in the Qube Share Register as the holder of all of the Scheme Shares transferred to the Bidder in accordance with this Scheme.

8 Quotation of Qube Shares

- (a) Qube must apply to the ASX to suspend trading of Qube Shares on the ASX with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date, to be determined by the Bidder, Qube must apply to the ASX for termination of official quotation of Qube Shares on the ASX and the removal of Qube from the official list of the ASX.

9 General Scheme Provisions

9.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) Qube may by its counsel consent on behalf of all persons concerned to those alterations or conditions to which the Bidder has consented in writing; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions which Qube has consented to.

9.2 Covenants by Scheme Shareholders

Each Scheme Shareholder:

- (a) acknowledges that this Scheme binds Qube and all of the Scheme Shareholders from time to time (including those who do not attend the Scheme Meetings, do not vote, or

vote against this Scheme) and, to the extent of any inconsistency, overrides any other part of the Constitution (but, for the avoidance of doubt, remains subject to the Corporations Act and the Listing Rules);

- (b) irrevocably agrees to the transfer of all of their Scheme Shares, together with all rights and entitlements attaching to those Scheme Shares, to the Bidder in accordance with the terms of this Scheme, without the need for any further act by that Scheme Shareholder;
- (c) agrees to the modification, cancellation or variation (if any) of the rights attaching to their Scheme Shares constituted by or arising from this Scheme, without the need for any further act by that Scheme Shareholder; and
- (d) without the need for any further act by any Scheme Shareholder, irrevocably appoints Qube and each of its directors and secretaries (jointly and each of them individually) as its attorney and agent for the purpose of executing any document necessary or expedient to give effect to the transactions described in this Scheme or doing any other act or thing necessary or desirable to give effect to this Scheme, provided that this clause 9.2(d) does not apply with respect to the obligations of UniSuper under clause 9.3 (or any other matter specific to UniSuper as distinct from matters in respect of which all Scheme Shareholders are treated the same).

9.3 Covenants by UniSuper and UniSuper Nominee HoldCo Shareholder

In addition to the covenants set out in clause 9.2, UniSuper:

- (a) must not (and must procure that each UniSuper Shareholder and any entity holding the UniSuper Specified Shares on behalf of UniSuper does not):
 - (i) deal with, sell or otherwise dispose of (or deal with, sell or otherwise dispose of any interest in) any of the UniSuper Specified Shares, or purport or agree to any of the foregoing; or
 - (ii) take any action that would cause UniSuper to cease to be the full beneficial owner of any of the UniSuper Specified Shares,

(except a transfer to the Bidder pursuant to the Scheme or any subsequent transfer by the Bidder or its successors in title) and any attempt to do so will have no effect and Qube must disregard any such disposal.

9.4 Authority given to Qube

- (a) Each Scheme Shareholder, without the need for any further act:
 - (i) on the Effective Date, irrevocably appoints Qube and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of enforcing the Deed Poll against the Bidder or HoldCo, and Qube undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against the Bidder and HoldCo and, in doing so, to the extent necessary, enforce Qube's rights under the Equity Commitment Letters and the Debt Commitment Letter, on behalf of and as agent and attorney for each Scheme Shareholder; and
 - (ii) on the Implementation Date, irrevocably appoints Qube and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme, the Scheme Implementation Deed, and the transactions contemplated by them, including executing the Scheme Transfers,

and Qube accepts each such appointment.

- (b) Qube, as attorney and as agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under clause 9.4(a) to all or any of its directors, officers, secretaries or employees (jointly, severally, or jointly and severally).
- (c) Each Scheme Shareholder:
 - (i) consents to Qube doing all things necessary or incidental to the implementation of this Scheme, the Scheme Implementation Deed and the transactions contemplated by them; and
 - (ii) indemnifies Qube and each of its directors, officers, secretaries or employees against all losses, liabilities, charges, costs and expenses arising from the exercise of powers under this clause 9.4.

9.5 Warranties by the Scheme Shareholders

Each Scheme Shareholder is deemed to have warranted to Qube and the Bidder, and to have appointed and authorised Qube as that Scheme Shareholder's agent and attorney to warrant to the Bidder, that as at the Implementation Date:

- (a) all of their Scheme Shares (including all rights and entitlements attaching to those Scheme Shares) will, at the time of the transfer of them to the Bidder pursuant to this Scheme, be fully paid and free from all Encumbrances; and
- (b) they have full power and capacity to sell and to transfer their Scheme Shares (together with any rights and entitlements attaching to those Scheme Shares) to the Bidder pursuant to this Scheme.

Qube undertakes in favour of each Scheme Shareholder that it will provide such warranties to the Bidder as agent and attorney of that Scheme Shareholder.

9.6 Warranties by UniSuper

In addition to the warranties given in clause 9.5, UniSuper (or, if applicable, UniSuper Nominee HoldCo Shareholder provided that UniSuper or the UniSuper Shareholder has delivered a valid notice to Bidder, HoldCo and Qube in accordance with clause 6.5), is deemed to have warranted to Qube and the Bidder, and, to the extent enforceable, to have appointed and authorised Qube as that Scheme Shareholder's agent and attorney to warrant to the Bidder, that on the Effective Date, on the Scheme Record Date and on the Implementation Date:

- (a) UniSuper is entitled to be registered as the registered holder of, and is the full beneficial owner of, the UniSuper Specified Shares; and
- (b) if a UniSuper Nominee HoldCo Shareholder is nominated by UniSuper in accordance with clause 6.5, the UniSuper Nominee HoldCo Shareholder is an Australian incorporated wholly-owned subsidiary of UniSuper.

Qube undertakes in favour of UniSuper that it will provide such warranties to the Bidder as attorney, agent and trustee for, and on behalf, of UniSuper (or, if applicable, UniSuper Nominee HoldCo Shareholder).

9.7 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to the Bidder will, at the time of transfer, vest in the Bidder free from all Encumbrances.

- (b) Immediately following provision of the Scheme Consideration in accordance with clauses 6.2 and 6.4, the Bidder will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by Qube of the name and address of the Bidder in the Qube Share Register as the holder of the Scheme Shares.

9.8 Appointment of sole proxy

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder, and until the Bidder is registered as the holder of all Scheme Shares in the Qube Share Register, each Scheme Shareholder:

- (a) is deemed to have appointed the Bidder as attorney and agent (and directed the Bidder in each such capacity) to appoint any director, officer, secretary or agent nominated by the Bidder as its sole proxy and, where applicable or appropriate, corporate representative to attend Qube Shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any resolution or document;
- (b) must not attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to this clause 9.8);
- (c) must take all other actions in the capacity of a registered holder of Scheme Shares as the Bidder reasonably directs; and
- (d) acknowledges and agrees that in exercising the powers referred to in this clause 9.8, the Bidder and any director, officer, secretary or agent nominated by the Bidder may act in the best interests of the Bidder as the intended registered holder of the Scheme Shares.

10 General

10.1 Stamp duty

The Bidder will:

- (a) pay all stamp duty and any related fines and penalties in respect of this Scheme and the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under or in connection with the Scheme and the Deed Poll; and
- (b) indemnify each Scheme Shareholder against any liability arising from failure to comply with clause 10.1(a).

10.2 Consent

Each of the Scheme Shareholders consents to Qube doing all things necessary or incidental to, or to give effect to, the implementation of this Scheme, whether on behalf of the Scheme Shareholders, Qube or otherwise.

10.3 Notices

- (a) If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Qube, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Qube's registered office or at the office of the Qube Registry.
- (b) The accidental omission to give notice of the Scheme Meetings or the non-receipt of such notice by a Qube Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meetings or the proceedings of the Scheme Meetings.

10.4 Governing law

- (a) This Scheme is governed by the laws in force in New South Wales, Australia.

- (b) The parties irrevocably submit to the non-exclusive jurisdiction of courts exercising jurisdiction in New South Wales, Australia and courts of appeal from them in respect of any proceedings arising out of or in connection with this Scheme. The parties irrevocably waive any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

10.5 Further action

Qube must do all things and execute all documents necessary to give full effect to this Scheme and the transactions contemplated by it.

10.6 No liability when acting in good faith

Each Scheme Shareholder agrees that neither Qube nor any director, officer, secretary or employee of Qube shall be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

1.3 Nature of Deed Poll

Each of the Bidder and HoldCo acknowledges that:

- (a) this Deed Poll may be relied on and enforced by any Scheme Shareholder in accordance with its terms, even though the Scheme Shareholders are not party to it; and
