REQUEST FOR VOLUNTARY SUSPENSION

TasFoods Limited (ASX: TFL) (the **Company**) requests an immediate voluntary suspension of its securities, effective immediately 20 February 2026, in accordance with ASX Listing Rule 17.2. The voluntary suspension is requested in connection with the continuing negotiation of a proposed sale transaction of a material nature (although there is no certainty that the transaction will progress), which constitutes a significant change to the Company's activities under Listing Rule 11.1.

For the purposes of Listing Rule 17.2, the Company provides the following information:

- Reason for Voluntary Suspension:** The Company requires the voluntary suspension to manage its continuous disclosure obligations, as it is currently negotiating a potential sale transaction that is incomplete, confidential, and market-sensitive.
- Duration:** The Company requests that the voluntary suspension remains in place until the earlier of:
 - The release of an announcement regarding the transaction; or
 - The commencement of normal trading on Friday, 27 February 2026.
- End to Suspension:** The Company expects to end the voluntary suspension by making an announcement to the market regarding the sale transaction.
- No Reason Not to Grant:** The Company is not aware of any reason why the voluntary suspension should not be granted.
- Further Information:** The Company is not aware of any other information necessary to inform the market about the suspension.

Yours sincerely,

Leanne Pritchard
Company Secretary
