LOI Gas Sale Agreements Update

Central Petroleum Limited (**ASX: CTP**) ("**Central**") refers to its ASX announcement dated 15 December 2025 "*LOI signed for new drilling and long-term gas supply at Mereenie and Palm Valley*". Central and its Mereenie and Palm Valley Joint Venture partners have agreed with Northern Territory's Power and Water Corporation to extend the 20 February 2026 deadline to execute binding Gas Sales Agreements to 2 March 2026.

ends-

This ASX announcement was approved and authorised for release by Leon Devaney, Managing Director and CEO.

About Central Petroleum

Central Petroleum Limited (Central) is an established ASX-listed Australian oil and gas producer (ASX: CTP) and is the largest onshore gas operator in the NT, supplying gas to customers through central and northern Australia.

In addition to its established NT production operations, Central has a pipeline of growth opportunities which include exploration, appraisal and development projects in some of Australia's premier hydrocarbon producing basins – the Amadeus Basin (NT), Cooper Basin (South Australia) and onshore Otway Basin (Victoria).

General Legal Disclaimer and Explanation of Terms:

This document is for information purposes only and is not investment or financial product advice nor intended for prospective investors and does not purport to provide all of the information an interested party may require in order to investigate the affairs of Central Petroleum Limited ("Company"). This document has been prepared without taking into account the investment objectives, financial situation or particular needs of any particular person. The data, information, opinions and conclusions ("Information") herein are subject to change without notice.

No representation or warranty, express or implied, is made as to the fairness, accuracy, completeness, correctness, likelihood of achievement or reasonableness of the Information contained in this document. To the maximum extent permitted by law, none of the Company or its agents, directors, officers, employees, advisors and consultants, nor any other person, accepts any liability, including, without limitation, any liability arising out of fault or negligence for any loss arising from the use of the Information contained in this document.

This document may contain forward-looking statements which include (but are not limited to) forecasts, prospects or returns. Forward looking statements are only predictions and are subject to risks, uncertainties and assumptions which may be outside the control of the Company and could cause actual results to differ from these statements. These risks, uncertainties and assumptions include (but are not limited to) funding, exploration, commodity prices, currency fluctuations, economic and financial market conditions, environmental risks, legislative or fiscal developments, political risks, project delay, approvals, cost estimates and other risk factors described from time-to-time in the Company's filings with the ASX. Actual facts, matters or circumstances may be different to those expressed or implied in this document. Given these uncertainties, readers are cautioned not to place reliance on forward looking statements. Subject to any continuing obligations under applicable law and the ASX Listing Rules, the Company and its agents, directors, officers, employees, advisors and consultants, nor any other person, do not undertake any obligation to update or revise any Information or any of the forward looking statements in this document. Sentences and phrases are forward looking statements when they include any tense from present to future or similar inflection words, such as (but not limited to) "believe", "understand", "estimate", "anticipate", "plan", "predict", "target", "may", "hope", "can", "will", "should", "expect", "intend", "projects", "is designed to", "with the intent", "potential", the negative of these words or such other variations thereon or comparable terminology or similar expressions of the future which may indicate a forward looking

statement or conditional verbs such as "will", "should", "would", "may", "can" and "could" are generally forward-looking in nature and not historical facts.
