New Omni Strategy Gains Momentum, Delivers Solid Financial Performance

Profitability underpinned by strong revenue growth and disciplined cost management

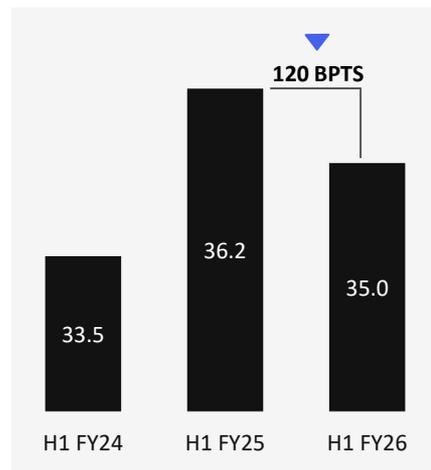

Revenue (\$A Million)

Strong revenue growth

Retail stores, successful promotional events, and iKOU deliver step-up in revenue; continuing to improve quality of earnings.

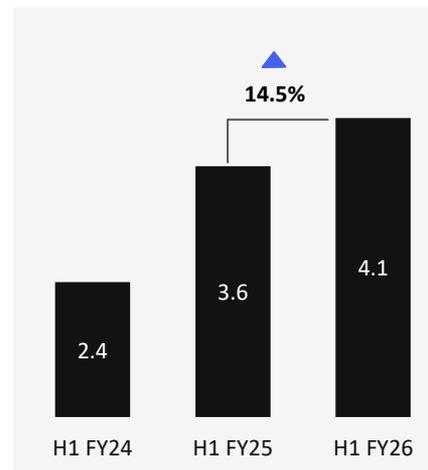

Gross Profit Margin (%)

Gross profit margin up 146bps from H1 FY24

Significant sales growth during peak promotional periods skew margins; continued focus on reducing promotional intensity.

Underlying EBITDA¹ (\$A Million)

Operating leverage drives profitability

Material profit growth supported by strong topline performance, improved inventory health, and disciplined cost management.

1. Underlying EBITDA is normalised on a pre-AASB 16 basis, excluding store rollout pre-opening expenses, restructuring costs, non-cash impacts of AASB 2 Share Based Payments, and other non-core income and expenses. See reconciliation on slide 21.

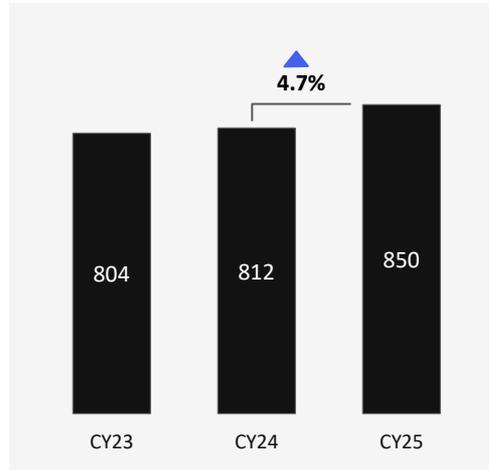

Engaged Customer Base Continues to Grow

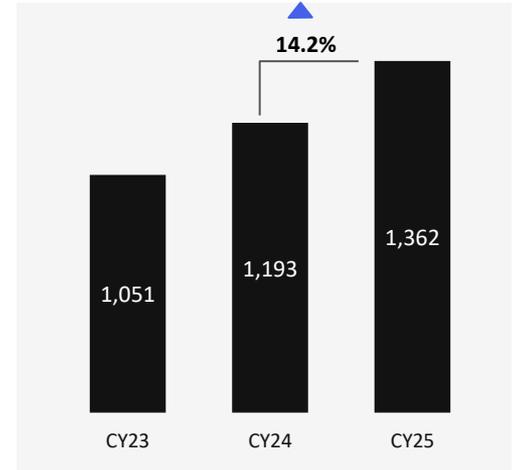

Loyalty members contributed 78% of sales

Active Customers¹ ('000)

New customers, loyalty initiatives and new channels underpin active customer growth, as rebasing of promotional activity and cycling of unprofitable customers continues.

Total Contactable Database² ('000)

Growing contactable database enables cost-effective targeting of qualified customers, enhancing marketing efficiency and supporting customer targets.

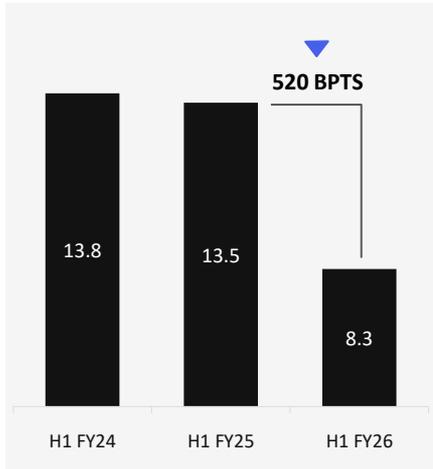

1. Customers who have ordered in the last 12 months .

2. Customers that have provided consent to be contacted via email for marketing purposes

Customer Growth Accelerates as Marketing Efficiency Materially Improves

New acquisition strategy and retail stores deliver strongest new customer growth in four years

Marketing Spend (% of revenue)

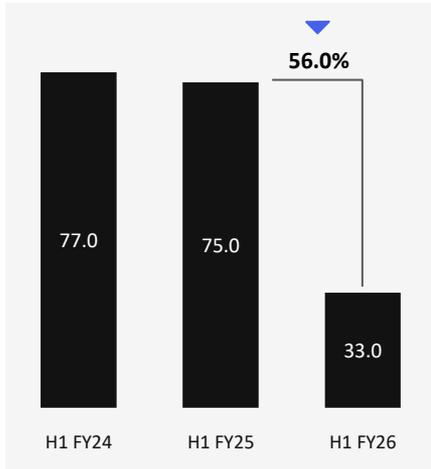

Record marketing efficiency

In-house team, retail stores, and targeted acquisition strategy drive profitable growth.

1. Excludes iKOU

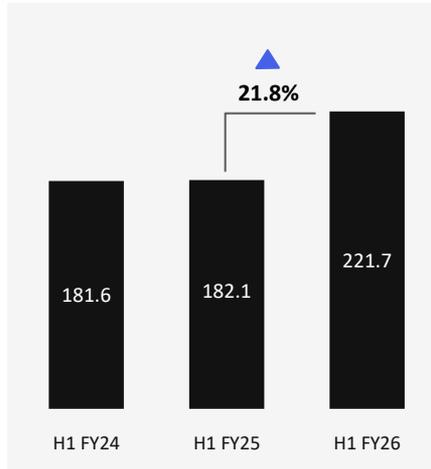

Customer Acquisition Costs (\$)

Profitable customer acquisition

Customer acquisition costs continue to decline, down \$42 over the PCP as new customers grow at fastest rate in four years.

New Customers¹ ('000)

Customer growth up 21.8%

Strong new customer growth reflects new channels, refreshed marketing strategy, and loyalty initiatives. Acquiring higher-value customers outside of promotional events.

Customer-led Strategy Driving Growth

All Channels Contribute to Customer & Revenue Uplift¹

Retail network performing well, benefitting from premium skin and hair brands

Cost-effective Adore Beauty app continues to grow, up from 25% mix prior year

Growing loyalty member base offsetting reduction in promotional activity

Sticky customer base with loyalty revenue up 21.5% over PCP

Nine new brands launched in H1 FY26, 30 brands discontinued

Customers through stores to date; stores expected to reach maturity in 12-18 months

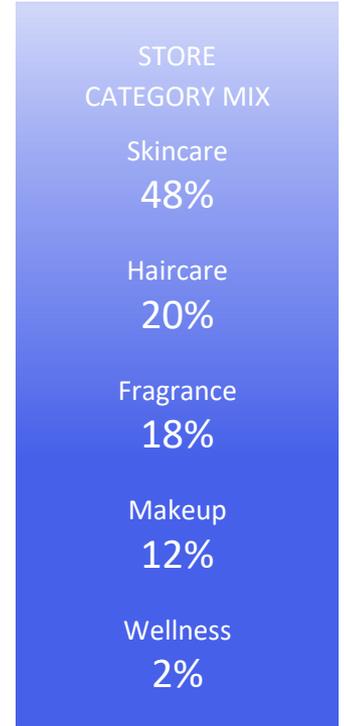

Conversion targeted at 12% at 12-18 month maturity, on track to achieve

Omni customer LTV (Life Time Value) is 20% higher than single channel customers

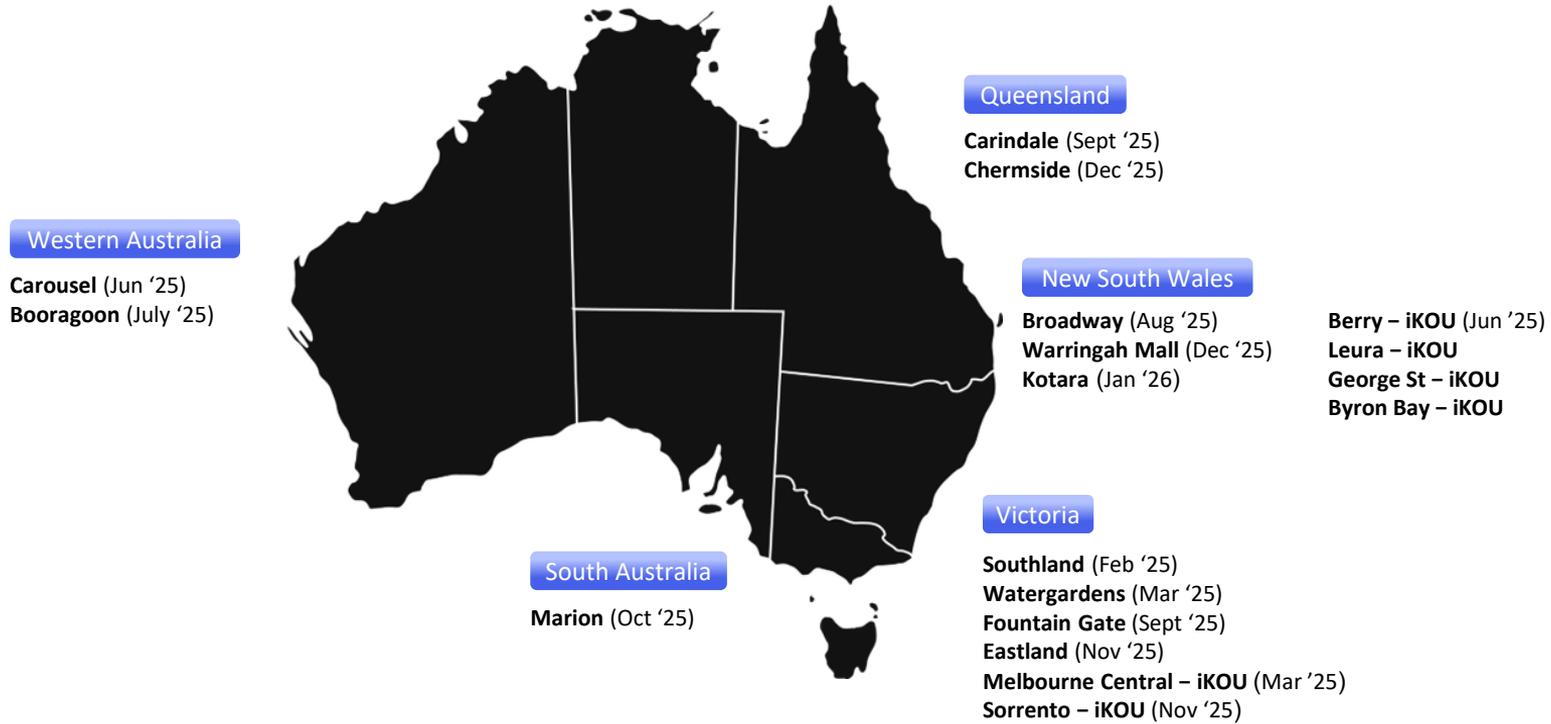

Valuable omni customers shopping both online and in-store gaining momentum

1. Adore Beauty only, excludes iKOU customer database data

Rapidly Expanding Store Footprint

Excellent progress on targeted store rollout plans: 18 retail stores across the Adore Beauty and iKOU brands; six opened in final months of CY25/Jan 26

Adore Stores Evolve Brand & Service Offer

Skincare & services driving customer engagement

- Evolution of Adore Beauty retail format and product offering
 - In-store offering increased from initial 60 brands in Southland to 120 across all stores, including majority of top 10 best selling cosmeceuticals and premium hair brands
 - Refinement of 'back-end' processes and inventory management
 - All stores, except Southland, now feature a dedicated treatment space
 - Enhanced staff training and product education via National Training Manager; on-staff dermal therapists
- Stores expected to reach maturity in 12-18 months with meaningful financial contribution from year 2
 - 'Omni' customers now contributing >5% of total Adore revenue with Lifetime Value (LTV) of this cohort +20% than single channel
 - Rosters optimised to suit foot traffic nuances of individual centres
 - Transaction conversion lifting materially over first 9-12 months
- Online/omni halo emerging across all new store catchments, strongest where Adore Beauty existing customer base was underpenetrated

Rituals

that carry you further.

IKOU
