## ClearView enters Scheme Implementation Deed with Zurich

### Highlights

- ClearView Wealth Limited (ASX: CVW) (ClearView) has entered into a scheme implementation deed with Zurich Financial Services Australia Limited (a wholly owned subsidiary of Zurich Insurance Group Ltd), under which Zurich has agreed to acquire 100% of the ClearView Shares by way of the Scheme.
- Under the terms of the Scheme, ClearView Shareholders will receive Scheme Consideration comprising cash consideration of 65 cents per ClearView Share, less the cash amount of any Permitted Dividend determined to be paid or declared by the ClearView Board prior to the implementation of the Scheme, plus the Ticking Fee (if applicable).
- If the Scheme becoming Effective is delayed to or beyond 30 September 2026, a Ticking Fee will be payable to ClearView Shareholders on implementation of the Scheme in addition to the cash consideration. The amount of this Ticking Fee (which will be calculated on a daily basis) will equate to approximately 0.26 cents per ClearView Share per month that the Scheme becoming Effective is delayed between (and including) 30 September 2026 and 31 December 2026, and will equate to approximately 0.40 cents per ClearView Share per month thereafter that the Scheme becoming Effective is delayed.<sup>1</sup>
- ClearView is permitted to pay one or more Permitted Dividends of an aggregate cash amount up to 5 cents per ClearView Share before the Scheme is implemented. The ClearView Board currently intends to determine to pay this Permitted Dividend as a fully franked Conditional Special Dividend<sup>2</sup>.
- For ClearView Shareholders who can utilise franking credits, the total of the Scheme Consideration (including any fully franked Permitted Dividends (including the Conditional Special Dividend)) and the value of the franking credits attached to those Permitted Dividends<sup>3</sup> may be up to approximately 67 cents per ClearView Share<sup>4</sup>.
- The ClearView Directors unanimously recommend that ClearView Shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of ClearView Shareholders.
- ClearView's largest shareholder group, Crescent Capital Partners<sup>5</sup>, which holds, or otherwise has the power to control the exercise of the voting rights attached to, 53.0% of the ClearView Shares on issue as at the date of this announcement<sup>6</sup>, has informed the ClearView Board in writing that it intends to vote, or cause to be voted, all of those ClearView Shares in favour of the Scheme, provided that the ClearView Board unanimously recommends and continues to unanimously recommend that ClearView Shareholders vote in favour of the Scheme, and the Independent Expert concludes in the Independent Expert's Report, and continues to conclude, that the Scheme is in the best interests of ClearView Shareholders, and there being no superior proposal ("**Intention Proviso**").
- The Scheme Consideration of 65 cents per ClearView Share (excluding any Ticking Fee) represents a 21.5% premium to the last closing ClearView Share price on the ASX on 23 February 2026 and an implied price-to-book<sup>7</sup> multiple of 1.2x.
- Implementation of the Scheme is subject to the satisfaction or, if applicable, waiver of certain conditions, including the approval of the Scheme by the requisite majorities of ClearView Shareholders at the Scheme Meeting, ACCC Clearance and APRA Approval, as well as other customary conditions.
- ClearView Shareholders do not need to take any action at this time.

<sup>1</sup> More information about how the Ticking Fee is calculated is set out in this announcement below.

<sup>2</sup> Less the amount of any HY26 Interim Dividend and/or FY26 Final Dividend that is determined to be paid before the Scheme is implemented, and subject to the Scheme becoming Effective and the other matters set out in the "Permitted Dividends" section of this announcement below. The Scheme Consideration will be reduced by the cash amount per ClearView Share of (but not the value of any franking credits attached to) any Permitted Dividend (including the Conditional Special Dividend) determined to be paid before the Scheme is implemented.

<sup>3</sup> Assuming that fully franked Permitted Dividends of an aggregate amount equal to the maximum amount permitted under the scheme implementation deed (being 5 cents per ClearView Share) are ultimately declared or determined to be paid by the ClearView Board and paid. See the 'Permitted Dividends' section of this announcement for more information.

<sup>4</sup> Whether (and the extent to which) a ClearView Shareholder will be able to realise the benefit of any franking credits attached to the Conditional Special Dividend (if any) will depend (in part) on that ClearView Shareholder's individual circumstances.

<sup>5</sup> Comprising the Crescent Capital Partners Shareholders and CCPM (each as defined in the "Major Shareholder Support" section of this announcement below).

<sup>6</sup> Inclusive of ROC's ClearView Shares and Sony Life's ClearView Shares (each as defined in the "Major Shareholder Support" section of this announcement below).

<sup>7</sup> Based on Net Assets at 30 June 2025 of \$349.8m, as reported in ClearView's annual report for FY25, and calculated on the basis of 638,773,982 ClearView Shares (on a fully diluted basis, net of employee share plan ("ESP") loans to be repaid).

## Overview

ClearView Wealth Limited (**ASX: CVW**) (“**ClearView**” or the “**Company**”) announces that it has entered into a scheme implementation deed with Zurich Financial Services Australia Limited (“**Zurich**”) (“**SID**”), under which Zurich has agreed to acquire 100% of the ordinary shares on issue in ClearView (“**ClearView Shares**”) by way of a scheme of arrangement (“**Scheme**”).

### **Scheme Consideration**

If the Scheme is implemented, each holder of ClearView Shares (“**ClearView Shareholder**”) on the record date in respect of the Scheme will receive cash consideration of 65 cents per ClearView Share, plus an additional cash consideration amount in the form of the Ticking Fee in certain circumstances (as described below) (“**Scheme Consideration**”).

### **Conditional Special Dividend**

As described in more detail in the “Permitted Dividends” section of this announcement below, the board of directors of ClearView (“**ClearView Board**”) currently intends to determine to pay a fully franked Conditional Special Dividend of up to 5 cents per ClearView Share (less the amount of any HY26 Interim Dividend and/or FY26 Final Dividend that is determined to be paid before implementation of the Scheme), subject to the Scheme becoming Effective<sup>8</sup>. If one or more fully franked Permitted Dividends (inclusive of any Conditional Special Dividend) of 5 cents per ClearView Share (in aggregate) are ultimately determined to be paid by the ClearView Board and paid, certain ClearView Shareholders may be able to realise the benefits from up to 2 cents of franking credits per ClearView Share (in aggregate in respect of all Permitted Dividends paid) attached to those Permitted Dividends. The Scheme Consideration of 65 cents per ClearView Share will be reduced by the cash amount per ClearView Share of (but not the value of any franking credits attached to) any Permitted Dividends (including the Conditional Special Dividend (if any)) determined to be paid before the Scheme is implemented.

For ClearView Shareholders who can utilise franking credits, the total of the Scheme Consideration and the aggregate amount of the Permitted Dividends (including the aggregate value of franking credits attached to the Permitted Dividends (inclusive of any Conditional Special Dividend)) may be up to approximately 67 cents per ClearView Share<sup>9</sup>.

### **Ticking Fee**

If the Effective Date of the Scheme is delayed to or beyond 30 September 2026, an additional cash amount calculated at the rate of approximately 0.009 cents per ClearView Share per day<sup>10</sup> (equivalent to 0.26 cents per month<sup>10</sup>), multiplied by the number of days between (and including) 30 September 2026 and the earlier of the date on which the Scheme is implemented and 31 December 2026 (“**Initial Ticking Fee**”), will be payable to ClearView Shareholders on implementation of the Scheme.

In addition to the Initial Ticking Fee, if the Effective Date has not occurred on or before 1 January 2027, an additional cash amount calculated at the rate of approximately 0.013 cents per ClearView Share per day<sup>10</sup> (equivalent to 0.40 cents per month<sup>10</sup>), multiplied by the number of days between (and including) 1 January 2027 and the date on which the Scheme is implemented (“**Increased Ticking Fee**”), will be payable to ClearView Shareholders on implementation of the Scheme.

The Scheme Consideration of 65 cents per ClearView Share will not be reduced by the amount of any Initial Ticking Fee or any Increased Ticking Fee (together the “**Ticking Fee**”).

## Details of the Scheme Consideration

The Scheme Consideration of 65 cents per ClearView Share (excluding the Ticking Fee) implies an equity value for ClearView of approximately \$415 million<sup>11</sup> and represents:

- a 21.5% premium to the last closing ClearView Share price on the ASX (on 23 February 2026) of 53.5 cents;
- a 20.4% premium to the 3-month volume weighted average price (“**VWAP**”) of ClearView Shares up to and including 23 February 2026 of 54.0 cents;
- a 26.4% premium to the 12-month VWAP of ClearView Shares up to and including 23 February 2026 of 51.4 cents; and
- an implied price-to-book multiple of 1.2x ClearView’s Net Assets at 30 June 2025<sup>12</sup>.

<sup>8</sup> And the other matters set out in the “Permitted Dividends” section of this announcement below.

<sup>9</sup> Assuming that fully franked Permitted Dividends of an aggregate amount equal to the maximum amount permitted under the SID (being 5 cents per ClearView Share) are ultimately determined to be paid by the ClearView Board (and paid).

<sup>10</sup> Calculated based on 643,881,380 ClearView Shares (on a fully diluted basis, but not adjusting for ESP loans given the Ticking Fee will be payable in respect of ClearView Shares issued under the ESP that are acquired by Zurich under the Scheme).

<sup>11</sup> Calculated based on Scheme Consideration of 65 cents per ClearView Share, multiplied by 638,773,982 ClearView Shares (on a fully diluted basis, net of ESP loans to be repaid).

<sup>12</sup> Based on Net Assets at 30 June 2025 of \$349.8m, as reported in ClearView’s annual report for FY25, and calculated on the basis of 638,773,982 ClearView Shares (on a fully diluted basis, net of ESP loans to be repaid).

## ClearView Directors Unanimously Recommend the Scheme

The members of the ClearView Board (“**ClearView Directors**”) unanimously recommend that ClearView Shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert’s Report (and continuing to conclude) that the Scheme is in the best interests of ClearView Shareholders. Each ClearView Director who holds or controls ClearView Shares at the time of this announcement intends to vote, or cause to be voted, all of the ClearView Shares that he or she holds or controls in favour of the Scheme at the Scheme Meeting, subject to those same qualifications.<sup>13</sup>

ClearView’s Chair, Geoff Black, said: “We believe Zurich and ClearView are highly complementary brands in life insurance and that, if the Scheme is implemented, Zurich will be a great custodian to continue delivering ClearView’s ClearChoice product that protects what is most important to Australians.

“While we remain confident in the long-term outlook for the business and ClearView’s opportunity to continue its success, the Scheme enables ClearView Shareholders to realise full liquidity and certain value for their ClearView Shares.”

## Details of the Scheme Implementation Deed

The implementation of the Scheme is subject to a number of conditions which must be satisfied or, if applicable, waived before the Scheme can become Effective. A copy of the SID, which sets out (in full) the terms and conditions of the Scheme and other provisions and obligations of ClearView and Zurich relating to the Scheme and its implementation, is attached to this announcement. Capitalised terms used, but not defined, in this announcement have the meanings given to those terms in the SID.

In summary, the conditions that must be satisfied or, if applicable, waived for the Scheme to become Effective and be implemented include:

- the Independent Expert issues an Independent Expert’s Report which concludes that the Scheme is in the best interests of ClearView Shareholders (and does not adversely change or qualify or withdraw that conclusion);
- clearance of Zurich’s proposed acquisition of ClearView by the Australian Competition and Consumer Commission (“**ACCC Clearance**”);
- approval of Zurich’s proposed acquisition of ClearView under the *Financial Sector (Shareholdings) Act 1998* (Cth) (“**APRA Approval**”);
- approval of the Scheme by the requisite majorities of ClearView Shareholders at the Scheme Meeting and approval of the Scheme by the Supreme Court of New South Wales (“**Court**”);
- no Material Adverse Change or Target Prescribed Occurrence occurring; and
- other conditions that are customary for a transaction of the nature of the Scheme.

The Scheme is not subject to a condition that Zurich obtains financing for the purpose of funding the Scheme Consideration.

The SID contains certain customary termination rights for each of ClearView and Zurich, including that either party may terminate the SID in the event of an unremedied breach of the SID by the other party (including a breach of a warranty given by the other party under the SID) that is material in the context of the Scheme (taken as a whole).

Under the SID, ClearView is also subject to customary exclusivity obligations, including ‘no shop’, ‘no talk’ and ‘no due diligence’ obligations (the latter two obligations being subject to a customary fiduciary exception), ‘notification’ obligations in respect of Competing Proposals received by ClearView, and a matching right regime for the benefit of Zurich that applies to any Superior Proposal that is received by ClearView.

A Break Fee (payable by ClearView to Zurich) and a Reverse Break Fee (payable by Zurich to ClearView) will be payable under the SID in certain, customary circumstances. The amount of the Break Fee and Reverse Break Fee (should either become payable) is an amount equal to 1% of the aggregate Scheme Consideration of 65 cents per ClearView Share payable by Zurich in respect of all the ClearView Shares under the Scheme.

---

<sup>13</sup> As at the date of this announcement: Mr Geoff Black (Non-executive ClearView Director and Chairman of the ClearView Board) holds or controls 202,881 ClearView Shares (representing approximately 0.03% of the ClearView Shares on issue); Ms Nadine Gooderick (Chief Executive Officer and Managing Director of ClearView) holds or controls 615,845 ClearView Shares (representing approximately 0.10% of the ClearView Shares on issue); Ms Jennifer Lyon (Non-executive ClearView Director) holds or controls 68,878 ClearView Shares (representing approximately 0.01% of the ClearView Shares on issue); Ms Linda Scott (Non-executive ClearView Director) does not hold or control any ClearView Shares; Mr Edward Fabrizio (Non-executive ClearView Director) holds or controls 50,000 ClearView Shares (representing approximately 0.01% of the ClearView Shares on issue); and Mr Michael Alscher and Mr Nathaniel Thomson (both of whom are non-executive ClearView Directors and nominees of the Crescent Capital Partners Shareholders), do not personally hold or control any ClearView Shares.

## Permitted Dividends

Under the SID, ClearView is permitted to pay dividends<sup>14</sup> of up to 5 cents (in aggregate) per ClearView Share before the Scheme is implemented, each of which may be fully franked<sup>15</sup> (“**Permitted Dividends**”). The Scheme Consideration of 65 cents per ClearView Share will be reduced by the aggregate cash amount per ClearView Share of (but not the value of any franking credits attached to) any Permitted Dividend(s) declared or determined to be paid before the Scheme is implemented.

The ClearView Board currently intends to determine to pay a fully franked Permitted Dividend (in the form of a special dividend) of up to 5 cents per ClearView Share (less the amount of any HY26 Interim Dividend and/or FY26 Final Dividend that is determined to be paid before implementation of the Scheme), subject to the Scheme becoming Effective<sup>16</sup> (“**Conditional Special Dividend**”). The amount of this Conditional Special Dividend (if any) will depend on, among other things, the franking credits available at the relevant time. If fully franked Permitted Dividends (inclusive of any Conditional Special Dividend) equal to the maximum aggregate amount permitted under the SID (being 5 cents per ClearView Share) are ultimately determined to be paid by the ClearView Board (and paid), certain ClearView Shareholders may be able to realise the benefits from up to 2 cents of franking credits per ClearView Share (in aggregate in respect of all Permitted Dividends) attached to those Permitted Dividends. Whether (and the extent to which) a ClearView Shareholder will be able to realise the benefit of any franking credits attached to a Permitted Dividend (including the Conditional Special Dividend (if any)) will depend (in part) on that ClearView Shareholder’s individual circumstances.

Whether any Permitted Dividend (including the Conditional Special Dividend) is determined and paid before implementation of the Scheme (and, if any Permitted Dividend is paid, the amount of that Permitted Dividend and the extent to which it is franked) remains at the discretion of the ClearView Board,<sup>17</sup> and there is no certainty that any Permitted Dividend (including the Conditional Special Dividend) will be determined or paid before the Scheme is implemented. ClearView will provide an update on the decision of the ClearView Board in relation to any Permitted Dividend(s) (including the Conditional Special Dividend) at the appropriate time.

## Major Shareholder Support

As at the date of this announcement, the Crescent Capital Partners Shareholders<sup>18</sup> together hold 159,731,491 ClearView Shares (representing 25.4% of the ClearView Shares on issue). The Crescent Capital Partners Shareholders have notified the ClearView Board in writing that they intend to vote all ClearView Shares held by them in favour of the Scheme at the Scheme Meeting, subject to the Intention Proviso.

In addition, Crescent Capital Partners Management Pty Limited (“**CCPM**”) has notified the ClearView Board that, as at the date of this announcement, it has the power to control the exercise of the voting rights attached to:

- (i) 64,215,477 ClearView Shares (representing 10.2% of the ClearView Shares on issue) held by Perpetual Corporate Trust Limited as custodian for ROC Capital Pty Limited (as trustee for the ROC CVW Co-investment Trust); and
- (ii) 7,716,101 ClearView Shares (representing 1.2% of the ClearView Shares on issue) held by Perpetual Corporate Trust Limited as custodian for ROC Capital Pty Limited (as trustee for the ROC Private Investment Fund),

(together “**ROC’s ClearView Shares**”). CCPM has notified the ClearView Board in writing that it intends to cause all of ROC’s ClearView Shares to be voted in favour of the Scheme at the Scheme Meeting, subject to the Intention Proviso.

In addition, a Crescent Capital Partners Shareholder, CCP BidCo Pty Limited (**CCP BidCo**), has notified the ClearView Board that, as at the date of this announcement, it has the power to control the exercise of the voting rights attached to 101,254,639

---

<sup>14</sup> Comprising an interim dividend in respect of ClearView’s financial half-year that ended on 31 December 2025 (“**HY26 Interim Dividend**”), a final dividend in respect of ClearView’s financial year ending on 30 June 2026 (“**FY26 Final Dividend**”), and/or a special dividend.

<sup>15</sup> Subject to the availability of franking credits, the payment of that Permitted Dividend not resulting in the franking account of ClearView being in deficit immediately after the Permitted Dividend is paid, and the determination and payment of the Permitted Dividend complying with the other applicable requirements under the SID.

<sup>16</sup> And subject to the availability of franking credits at the relevant time, the payment of that Conditional Special Dividend not resulting in the franking account of ClearView being in deficit immediately after the Conditional Special Dividend is paid, the determination and payment of the Conditional Special Dividend complying with the other applicable requirements under the SID, and, if determined appropriate by the ClearView Board, receipt of a favourable class ruling in relation to the income tax treatment of the Conditional Special Dividend for ClearView Shareholders that are Australian tax residents (or a draft of that ruling) from the Australian Taxation Office.

<sup>17</sup> And, in each case, will depend on the matters described in footnotes 15 and 16 (as applicable) above.

<sup>18</sup> “**Crescent Capital Partners Shareholders**” means, together, CCP BidCo Pty Limited (which, as at the date of this announcement, holds 32,406,173 ClearView Shares, representing 5.2% of the ClearView Shares on issue), CCP Trusco 1 Pty Limited as trustee for Crescent Capital Partners Specific Trust IVA (which, as at the date of this announcement, holds 27,296,087 ClearView Shares, representing 4.3% of the ClearView Shares on issue), CCP Trusco 2 Pty Limited as trustee for Crescent Capital Partners Specific Trust IVB (which, as at the date of this announcement, holds 12,998,136 ClearView Shares, representing 2.1% of the ClearView Shares on issue), CCP Trusco 3 Pty Limited as trustee for Crescent Capital Partners Specific Trust IVC (which, as at the date of this announcement, holds 15,597,762 ClearView Shares, representing 2.5% of the ClearView Shares on issue), CCP Trusco 4 Pty Limited as trustee for Crescent Capital Partners Designated Trust IVA (which, as at the date of this announcement, holds 41,802,002 ClearView Shares, representing 6.7% of the ClearView Shares on issue), and CCP Trusco 5 Pty Limited as trustee for Crescent Capital Partners Designated Trust IVB (which, as at the date of this announcement, holds 29,631,331 ClearView Shares, representing 4.7% of the ClearView Shares on issue).

ClearView Shares (representing 16.1% of the ClearView Shares on issue) held by Sony Life Insurance Co., Ltd (“**Sony Life**”) (“**Sony Life’s ClearView Shares**”). CCP BidCo has notified the ClearView Board in writing that it intends to cause all of Sony Life’s ClearView Shares to be voted in favour of the Scheme at the Scheme Meeting, subject to the Intention Proviso.

The above statements were given on the understanding that the Scheme is implemented within 12 months from the date of this announcement.

Each Crescent Capital Partners Shareholder (including CCP BidCo) and CCPM has consented to the inclusion of each statement above (to the extent that the statement applies or relates to it) in this announcement.

## Indicative Timetable and Next Steps

ClearView Shareholders do not need to take any action at this point in time.

As outlined above, implementation of the Scheme is conditional on (amongst other matters) approval of the Scheme by the requisite majorities of ClearView Shareholders at a meeting of ClearView Shareholders ordered by the Court to be convened to consider the Scheme (“**Scheme Meeting**”).

An explanatory statement in respect of the Scheme (“**Scheme Booklet**”) containing important information relating to the Scheme, the reasons for the ClearView Directors’ recommendation in respect of the Scheme, a copy of the Independent Expert’s Report, and formal notice and details of the Scheme Meeting (including instructions on how to vote on the resolution to approve the Scheme) will be prepared by ClearView and provided to the Australian Securities and Investments Commission and the Court for review, and subsequently sent to ClearView Shareholders.

ClearView Shareholders will then have the opportunity to vote on the Scheme at the Scheme Meeting, which is currently expected to be held in mid-August 2026. This date is indicative only, and the timetable for the implementation of the Scheme (including the date of the Scheme Meeting) will depend on the ASIC review and Court approval processes referred to above, and the processes for and timing of satisfaction (or, if applicable, waiver) of other conditions precedent to the Scheme becoming Effective (including the regulatory processes for and timing of ACCC Clearance and APRA Approval).

ClearView will update ClearView Shareholders in relation to the timetable for implementation of the Scheme in due course (and as required).

The knowledge, belief or awareness of any other person will not be imputed to Target nor any other Target Group Member (except to the extent referred to in this clause 1.3(a)).
- (b) Without limiting clause 12, none of the persons referred to in clause 1.3(a) as being agreed between Target and Bidder in writing will bear any personal liability in respect of the Target Representations and Warranties or otherwise under this deed, except where such person has engaged in wilful misconduct or fraud.

### **1.5 Listing requirements included as law**

A listing rule or business rule of a securities exchange (including the ASX Listing Rules) will be regarded as a law, and a reference to such a rule is to be taken to be subject to any waiver or exemption granted to a party.

### **1.6 Reasonable endeavours**

A reference to a party using or an obligation on a party to use reasonable endeavours or all reasonable endeavours does not oblige that party to:

- (a) pay money or provide any financial compensation, guarantee or other accommodation, valuable consideration or any other incentive to or for the benefit of any person in the form of an inducement or consideration to a Third Party to procure something or otherwise in circumstances that are commercially onerous or unreasonable in the context of the Transaction, except (in each case):

## 3 Conditions Precedent

### 3.1 Conditions Precedent

Subject to this clause 3, the Scheme will not become Effective, and the respective obligations of Target and Bidder in relation to the implementation of the Scheme that can only be, or are only required to be, performed after the Court Approval Condition has been fulfilled or satisfied are not binding, until and unless the following Conditions Precedent are satisfied or waived in accordance with clause 3.3:

- (b) **(Court Approval Condition)** the Court approves the Scheme in accordance with section 411(4)(b) of the Corporations Act (either unconditionally and without any modification, amendment or condition, or with modifications, amendments, conditions or any combination thereof consented to in writing by Target and Bidder in accordance with clause 4.1(c)) **(Court Approval Condition)**;
- (c) **(No restraints)** as at the Delivery Time, there is not in effect any:
  - (i) permanent or temporary restraining order, preliminary or permanent injunction or other decision, order or decree issued by any court of competent jurisdiction or by any Public Authority;
  - (ii) law, rule or regulation; or
  - (iii) other legal restraint or prohibition,that restrains, prevents, makes illegal or prohibits the implementation of the Scheme;
- (d) **(Independent Expert)** the Independent Expert:
  - (i) issues an Independent Expert's Report which concludes that the Scheme is in the best interests of Target Shareholders before the time that the Scheme Booklet is registered by ASIC under section 412(6) of the Corporations Act; and
  - (ii) does not withdraw or adversely change its conclusion or materially and adversely qualify its conclusion, or withdraw its Independent Expert's Report, before the Delivery Time;
- (e) **(No Material Adverse Change)** subject to clause 3.2(e), no Material Adverse Change occurs or has occurred;

- (f) **(No Target Prescribed Occurrence)** subject to clause 3.2(e), no Target Prescribed Occurrence occurs during the period commencing on the date of this deed and ending at the Delivery Time;
- (g) **(Target Incentive Rights)** as at the Delivery Time, Target has complied with its obligations under clause 4.6 to give effect to the agreed treatment of the Target Incentive Rights in connection with the Scheme as set out in the Disclosure Letter, other than any such obligation that is conditional on the Scheme becoming, or that is only required to be (or can only be) performed after the Scheme has become, Effective);
- (h) **(FSSA Approval)** before 5:00pm on the Business Day before the Second Court Date, Bidder has received a written notice to the effect that the Treasurer of the Commonwealth of Australia (or their delegate) grants their approval under or for the purpose of section 14 of the *Financial Sector (Shareholdings) Act 1998* (Cth) **(FSSA)** of the acquisition by Bidder of all of the Target Shares under the Transaction or Bidder otherwise holding all of the Target Shares on issue, either unconditionally or, subject to clause 3.2(j), on terms and conditions that are acceptable to Bidder, acting reasonably and in good faith; and
- (i) **(ACCC Clearance)** before 5:00pm on the Business Day before the Second Court Date, one of the following has occurred:
  - (i) the ACCC has made a determination under section 51ABV of the CCA that the Transaction is not required to be notified; or
  - (ii) the ACCC has made, or is taken to have made, a determination that the Transaction may be put into effect or would be of public benefit, either on an unconditional basis or, subject to clause 3.2(j), on terms and conditions that are acceptable to Bidder, acting reasonably and in good faith, and:
    - (A) the Transaction has been finally considered for the purposes of section 51ABF(1) of the CCA; and
    - (B) the determination has not become stale under section 51ABG of the CCA,

(each, a **Condition Precedent**).

### 3.2 Satisfaction of Conditions Precedent

- (a) Target must, to the extent it is within its power to do so, use reasonable endeavours to: (i) satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(a) (**Target Shareholder approval**), 3.1(d) (**Independent Expert**), 3.1(e) (**No Material Adverse Change**), 3.1(f) (**No Target Prescribed Occurrence**) and 3.1(g) (**Target Incentive Rights**) as soon as reasonably practicable after the date of this deed; and (ii) ensure that each such Condition Precedent continues to be satisfied at all times until the last time that the relevant clause provides that such Condition Precedent is to be satisfied.
- (b) Without limiting clauses 3.2(f) and/or 3.2(j), Bidder must, to the extent it is within its power to do so, use reasonable endeavours (other than waiving a Condition Precedent) to:
  - (i) satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(h) (**FSSA Approval**) and 3.1(i) (**ACCC Clearance**) as soon as reasonably practicable after the date of this deed; and

- (ii) ensure that each such Condition Precedent continues to be satisfied at all times until the last time that the relevant clause provides that such Condition Precedent is to be satisfied.
- (c) Each of Target and Bidder must:
- (i) to the extent that it is within its power to do so, use reasonable endeavours (other than waiving a Condition Precedent) to: (A) satisfy, or procure the satisfaction of, the Conditions Precedent in clauses 3.1(b) (**Court Approval Condition**) and 3.1(c) (**No restraints**) in accordance with the Scheme Timetable (unless otherwise agreed between Target and Bidder under clause 3.4(a)) and, in any event, before the End Date; and (B) ensure that each such Condition Precedent continues to be satisfied at all times until the last time that the relevant clause provides that such Condition Precedent is to be satisfied; and
  - (ii) without limiting clause 3.2(c)(i), use reasonable endeavours to ensure that there is no occurrence or non-occurrence within its reasonable control (or control of, in the case of Bidder, another Bidder Group Member, or, in the case of Target, another Target Group Member), other than waiving a Condition Precedent, that prevents, or would be reasonably likely to prevent, the satisfaction of any Condition Precedent.
- (d) No party will be in breach of its obligations under clauses 3.2(a), 3.2(b), 3.2(c) or 3.2(f) to the extent that it takes an action or omits to take an action:
- (i) which is expressly required or expressly permitted (including any action expressly required or expressly permitted to be taken or not be taken) by this deed or the Scheme;
  - (ii) subject to the acknowledgement and agreement set out below, which is reasonably undertaken to (A) enable or assist the Independent Expert to consider an actual or proposed Competing Proposal, (B) facilitate a Third Party or Target to conduct an investigation and assessment of whether or not the Third Party (or one of its Related Bodies Corporate) or Target (as applicable) wishes to pursue an actual or proposed Competing Proposal (and if so, on what terms), (C) discuss or negotiate the terms of the actual or proposed Competing Proposal and any agreements and other document necessary to record and give effect to those terms (including an implementation agreement or deed), or (D) enter into any such agreement or other document, or which is otherwise expressly referred to in clause 8.2(c) and taken (or omitted to be taken) in reliance on clause 8.3, in each case provided that such actions are not restricted or prohibited under clause 8 and Target has complied with its obligations under clauses 8.4 and 8.5 in respect of the Competing Proposal);
  - (iii) which has been agreed to in writing by Bidder or Target (as applicable) or requested by Bidder or Target (as applicable) in writing; or
  - (iv) which is required by any applicable law or Public Authority (including a request or direction of or made by a Public Authority), including a requirement of, or a prudential standard or determination made or put in place by, APRA from time to time.

The parties acknowledge and agree that clause 3.2(d)(ii) only applies to Target's obligations under clauses 3.2(a) and/or 3.2(c) to the extent those obligations

concern the satisfaction of the Conditions Precedent in clauses 3.1(a) (**Target Shareholder approval**) and/or 3.1(d) (**Independent Expert**).

- (e) In respect of the Conditions Precedent in clauses 3.1(e) (**No Material Adverse Change**) and 3.1(f) (**No Target Prescribed Occurrence**), if a Material Adverse Change or a Target Prescribed Occurrence occurs, and a notice under clause 3.5 has been given in respect of that Material Adverse Change or Target Prescribed Occurrence, in each case before the Delivery Time, the Condition Precedent in clause 3.1(e) (**No Material Adverse Change**) or 3.1(f) (**No Target Prescribed Occurrence**) (as applicable) will not be taken to have been breached or not satisfied unless Target has failed to remedy the breach or occurrence or the effects of the breach or occurrence within 10 Business Days (or any shorter period ending at 5:00pm on the Business Day before the Second Court Date) after the date on which the relevant notice under clause 3.5 has been given in respect of that Material Adverse Change or Target Prescribed Occurrence. For the avoidance of doubt, in the case of the Condition Precedent in clause 3.1(e) (**No Material Adverse Change**), if Target remedies the breach or occurrence of a Material Adverse Change or the effects of the breach or occurrence of a Material Adverse Change to an extent that the relevant Specified Event or Specified Events would no longer constitute or have the effect of a Material Adverse Change, the Condition Precedent in clause 3.1(e) (**No Material Adverse Change**) will be deemed to not have been triggered or breached as a result of the remedied matters.
- (f) Without limiting clause 3.2(b) (but subject to clause 3.2(g)):
  - (i) (**apply for FSSA Approval and ACCC Clearance**): Bidder must:
    - (A) subject to clause 3.2(g), as soon as reasonably practicable after the date of this deed, prepare, file and lodge all notices and applications (and otherwise formally apply) for approval or clearance (as applicable), and pay all applicable filing fees and charges relating thereto, in respect of (or where such approval or clearance is required to satisfy) either or both of the Conditions Precedent in clauses 3.1(h) (**FSSA Approval**) (with such approval being **FSSA Approval**) and 3.1(i) (**ACCC Clearance**) (with such approval or clearance being **ACCC Clearance**) (**Regulatory Approval Applications**) and provide to Target a copy of each such Regulatory Approval Application. Without limiting any of the Bidder's obligations in the foregoing sentence, if the Regulatory Approval Application in respect of ACCC Clearance is or becomes "subject to phase 2 review" (as defined in the CCA), Bidder must promptly pay the applicable fee required by the ACCC in respect of that review); and
    - (B) as soon as reasonably practicable after the date of this deed, consult with Target about any proposed approach by Bidder to a Public Authority (in advance of such approach being made) in connection with a Regulatory Approval Application before that Regulatory Approval Application is lodged or filed with that Public Authority.
  - (ii) (**FSSA Approval and ACCC Clearance processes generally**) subject to clause 3.2(g), Bidder must take all steps reasonably required, and for which it is responsible for, under the FSSA Approval process and the ACCC Clearance process, including responding to requests for information as soon as reasonably practicable after those requests are made in accordance with clause 3.2(f)(v);

- (iii) (**provision of information**) Target must, as soon as reasonably practicable after a request from Bidder, provide Bidder with all assistance and information (within its possession or control) reasonably requested by Bidder for the purpose of Bidder satisfying its obligations in clauses 3.2(f)(i) and 3.2(f)(ii) (including as required in accordance with clause 3.2(f)(v));
- (iv) (**notice, information provision and consultation obligations in relation to FSSA Approval and ACCC Clearance**) without limiting clause 3.2(f)(ii), Bidder must:
  - (A) as far as reasonably practicable and permitted by the relevant Public Authority, consult with Target in relation to the process and progress of obtaining FSSA Approval and ACCC Clearance;
  - (B) as far as reasonably practicable and permitted by the relevant Public Authority, provide Target with an advanced draft of all applications, notices and lodgements to be made, submitted or provided (including Regulatory Approval Applications), and a draft of all material written correspondence and communications to be provided, by or on behalf of Bidder (including through a Representative of Bidder) to one or more Public Authorities in connection with FSSA Approval and/or ACCC Clearance (**Material Regulatory Communication**) so that Target has a reasonable opportunity to review and comment on each Material Regulatory Communication before it is made, provided or submitted (as applicable) to the relevant Public Authority, and, prior to making, providing or submitting (as applicable) each Material Regulatory Communication, correct any factual inaccuracy in such Material Regulatory Communication identified by Target and notified to Bidder and, acting reasonably and in good faith, consider any other reasonable comments on or proposed amendments to that Material Regulatory Communication notified to Bidder or any of its Representatives by or on behalf of Target in a timely manner, and provide copies of all Material Regulatory Communications that are made, provided or submitted (as applicable) by or on behalf of Bidder (including through a Representative of Bidder) to a Public Authority to Target as soon as reasonably practicable after they are made, provided or submitted;
  - (C) promptly provide Target with a copy of any material communication between Bidder (or a Representative of Bidder) and a Public Authority in connection with FSSA Approval, ACCC Clearance or both as soon as reasonably practicable (including in relation to any conditions or undertakings imposed, requested, proposed or required by a Public Authority, and details of any such conditions or undertakings);
  - (D) give Target reasonable notice of any proposed meetings or discussions (whether in the form of an in-person meeting, a videoconference, a telephone call, or otherwise) between Bidder (or a Representative of Bidder) and a Public Authority where such meetings or discussions relate to FSSA Approval or ACCC Clearance and concern substantive matters relating to the assessment or determination of FSSA Approval or ACCC Clearance (rather than, for example, routine administrative, scheduling or procedural matters) (each, a **Regulatory Approval Meeting**) and, if such participation by Target in a Regulatory Approval Meeting is requested or required by Target (by notice in writing to Bidder) or a Public Authority:

- (1) subject to the relevant Public Authority providing its consent (if required), Target has the right to be represented and attend (through its nominated Representatives) and make submissions at that Regulatory Approval Meeting (in each case, to the extent consented to by the relevant Public Authority), and, if required to allow Target to exercise any such right, Bidder must make a formal request to the relevant Public Authority that the Public Authority consent to Target's representation, attendance or the making by Target of submissions (as applicable) at that Regulatory Approval Meeting; and
  - (2) Bidder must use reasonable endeavours to procure that the Regulatory Approval Meeting is held at such time that will enable Representatives of Target to attend that Regulatory Approval Meeting; and
- (E) keep Target reasonably informed of the progress in relation to (including all material developments regarding) FSSA Approval and/or ACCC Clearance (including any material issues raised by, or conditions, undertakings or other arrangements imposed, requested, proposed or required by a Public Authority, and/or any material issues that may affect Bidder's ability to complete the Transaction or the provision or receipt of FSSA Approval or ACCC Clearance); and
- (v) (**provision of information and assistance**) without limiting any other provision of this clause 3.2(f), each of Bidder and Target must, as soon as reasonably practicable, provide:
- (A) the other party with all information and assistance that the other party reasonably requests; and
  - (B) the applicable Public Authorities with all information that the relevant Public Authority reasonably requests,
- for the purpose of progressing an application for FSSA Approval or ACCC Clearance.
- (g) Bidder will not be in breach of clause 3.2(f)(i) or clause 3.2(f)(ii) to the extent that its failure to comply with its obligations under or the requirements of the relevant clause is directly caused by Target's inability or failure to provide the assistance and information reasonably requested by Bidder in accordance with clause 3.2(f)(iii).
- (h) Nothing in clauses 3.2(f)(i) to 3.2(f)(v) (inclusive) requires either Target or Bidder (the **Disclosing Party**) to disclose to the other party or its Representatives any information, document, submission or other material or to permit the other party or its Representatives to attend meetings or discussions to the extent that:
- (i) the subject matter of which is, or where the relevant information, document, submission or other material is otherwise, subject to legal professional privilege for the benefit of:
    - (A) if the Disclosing Party is Target, Target or another Target Group Member (or one or more Target Directors or directors of a Target Group Member); or

- (B) if the Disclosing Party is Bidder, Bidder or another Bidder Group Member (or one or more directors of a Bidder Group Member),

and the disclosure of that information, document, submission or other material, or attendance at the relevant meeting or discussion, would, or would be reasonably likely to, waive or otherwise compromise that privilege, and the relevant information, document, submission or other material cannot be provided pursuant to common interest privilege, or on an external counsel to counsel basis, without waiving such privilege;

- (ii) the disclosure of that information, document, submission or other material, or attendance at the relevant meeting or discussion would, or would be reasonably likely to, result in a breach of an obligation of confidentiality owed to:

- (A) if the Disclosing Party is Target, a Third Party; or

- (B) if the Disclosing Party is Bidder, a person other than Target, another Target Group Member, or a Representative of Target (acting in that capacity),

including, in each case, a Public Authority;

- (iii) the Disclosing Party is, or is reasonably likely to be, prohibited from disclosing that information, document, submission or other material (or permitting or providing that attendance at the relevant meeting or discussion is, or is reasonably likely to be, prohibited) under any applicable law or direction or requirement of a Public Authority (including a requirement of, or a prudential standard or determination made or put in place by, APRA from time to time);

- (iv) without limiting clause 3.2(h)(iii), the disclosure of that information, document, submission or other material, or attendance at the relevant meeting or discussion would, or would be reasonably likely to, result in a breach of the Competition Law Protocol or any applicable competition law, antitrust law or both (including the CCA and any other law relating to “gun jumping”) or where Target or Bidder (as applicable) has received written advice (which may be provided by email) from a reputable external legal adviser specialising in the area of Australian competition law that the adviser’s view is that, on balance, there is a substantial risk that the disclosure of that information, document, submission or other material, or attendance at the relevant meeting or discussion (as applicable), would result in a breach of any applicable competition law, antitrust law or both (including the CCA and any other law relating to “gun jumping”);

- (v) without limiting clause 3.2(h)(iii), the disclosure of that information, document, submission or other material, or attendance at the relevant meeting or discussion would, or would be reasonably likely to, result in a breach by one or more Target Directors (and/or any director(s) of a Target Group Member) or any directors of a Bidder Group Member (as applicable) of their obligations and duties under section 48 of the *Life Insurance Act 1995* (Cth) and/or any other statutory and/or fiduciary duties relating to the protection of life insurance policyholder interests;

- (vi) the information, document, submission or other material (or the subject matter of which) is (in the opinion of the Disclosing Party, acting reasonably) commercially or competitively sensitive to the Disclosing Party or:

- (A) where the Disclosing Party is Bidder, the Bidder Group; or
- (B) where the Disclosing Party is Target, the Target Group,

and Bidder and Target do not agree that the relevant information, document, submission or other material can be provided on an external counsel to counsel basis;

(vii) where the Disclosing Party is Target, the relevant information relates to:

- (A) an actual, proposed or potential control transaction or proposal in relation to Target before the date of this deed or any actual, proposed or potential Competing Proposal (including the Target Board's, a Target Director's or the Target Group's management's consideration of any such actual, proposed or potential control transaction or Competing Proposal, or any advice provided in connection with such consideration), provided that nothing in this clause 3.2(h)(vii)(A) limits Target's obligations under clause 8.4 in relation to an actual, proposed or potential Competing Proposal;
- (B) the Target Board's, a Target Director's or the Target Group's management's consideration of the Transaction or the Scheme or any other proposal by Bidder or another Bidder Group Member at any time in relation to the acquisition of an interest in Target or Target Shares; or
- (C) the Target Board's assessment, consideration or view of the value of Target Shares,

and, for the avoidance of doubt, the Disclosing Party may redact any information from any document, submission or other material provided to the other party to the extent that it contains any of the relevant information expressly referred to in paragraphs (i) to (vii) above.

- (i) Each of Target and Bidder acknowledges that all information, documents, submissions or other materials that are provided to it by or on behalf of the other party pursuant to clause 3.2(f)(iv) or clause 3.2(f)(v) is provided subject to the terms of the Confidentiality Agreement and the Competition Law Protocol.
- (j) In respect of the Condition Precedent in clause 3.1(h) (**FSSA Approval**) or clause 3.1(i) (**ACCC Clearance**):
  - (i) Bidder must, acting reasonably and in good faith:
    - (A) consider any conditions, commitments, remedies, undertakings or obligations imposed, required or requested by APRA in respect of the Condition Precedent in clause 3.1(h) (**FSSA Approval**) or the ACCC in respect of clause 3.1(i) (**ACCC Clearance**) (each a **Regulatory Approval Undertaking**) as soon as reasonably practicable; and
    - (B) consult with Target about whether Bidder is willing to agree or consent to, or accept (as applicable) the Regulatory Approval Undertaking,unless such Regulatory Approval Undertaking would:
    - (C) adversely impact any material part of the Target Group's or the Bidder Group's business or both, or any combination thereof; or

- (D) require the sale or disposal of or disposal of all or any material part of a business of the Target Group or the Bidder Group; and
- (ii) without limiting Bidder's obligations under clause 3.2(j)(i), Bidder must agree or consent to, or accept (as applicable) any Regulatory Approval Undertaking:
  - (A) relating to the independence of directors of a Target Group Member after implementation of the Scheme;
  - (B) requiring a letter of comfort (or similar) from Bidder regarding compliance by Bidder with its legal and regulatory obligations (including any applicable competition and/or antitrust laws, the *Life Insurance Act 1995* (Cth) or any prudential standards or determinations made or put in place by APRA from time to time);
  - (C) requiring Bidder to contribute capital to a Target Group Member at or after implementation of the Scheme to replace any cash paid to Target Shareholders under (or otherwise restore or support the capital position of a Target Group Member after the payment of) a Permitted Dividend (provided that such Permitted Dividend is determined or declared and paid in accordance with clause 4.5); and/or
  - (D) that is otherwise acceptable to Bidder (acting reasonably and in good faith).

### 3.3 Benefit and waiver of Conditions Precedent

- (a) The Conditions Precedent in clauses 3.1(a) (**Target Shareholder approval**), 3.1(b) (**Court Approval Condition**), 3.1(h) (**FSSA Approval**) and 3.1(i) (**ACCC Clearance**) cannot be waived.
- (b) The Condition Precedent in clause 3.1(c) (**No restraints**) is for the benefit of Target and Bidder and any breach or non-fulfilment of that Condition Precedent may only be waived with the written consent of both Bidder and Target (in each party's absolute discretion).
- (c) The Condition Precedent in clause 3.1(d) (**Independent Expert**) is for the sole benefit of Target and any breach or non-fulfilment of that Condition Precedent may only be waived with the written consent of Target (in its absolute discretion).
- (d) The Conditions Precedent in clauses 3.1(e) (**No Material Adverse Change**), 3.1(f) (**No Target Prescribed Occurrence**) and 3.1(g) (**Target Incentive Rights**) are for the sole benefit of Bidder and any breach or non-fulfilment of any of those Conditions Precedent may only be waived with the written consent of Bidder (in its absolute discretion).
- (e) If a waiver by a party of a Condition Precedent is itself expressed to be conditional and the other party accepts the condition(s), the terms of the condition(s) apply accordingly. If the other party does not accept the condition(s), the relevant Condition Precedent has not been waived.
- (f) If a party waives the breach or non-fulfilment of a Condition Precedent, such waiver will not prevent that party from suing the other party for any breach of this deed that resulted in the breach or non-fulfilment of the Condition Precedent, provided that the relevant party is permitted to do so under this deed.

- (g) Waiver of breach or non-fulfilment of a Condition Precedent does not constitute:
  - (i) a waiver of breach or non-fulfilment of any other Condition Precedent resulting from the same matter or event; or
  - (ii) a waiver of breach or non-fulfilment of that Condition Precedent resulting from any other matter or event.
- (h) A party entitled to waive a Condition Precedent under this clause 3.3 may do so in its absolute discretion. Any waiver of a Condition Precedent by a party for whose benefit the Condition Precedent applies must take place at or prior to the Delivery Time.

### 3.4 Termination on failure of Condition Precedent

- (a) If:
  - (i) there is a breach or non-fulfilment of a Condition Precedent before the earlier of the End Date and (if applicable) the time and date specified in this deed for the satisfaction of that Condition Precedent and:
    - (A) the breach or non-fulfilment is not waived in accordance with clause 3.3 or cannot be waived because of clause 3.3(a); or
    - (B) in respect of a Condition Precedent that can be waived under clause 3.3, each party having the benefit of that Condition Precedent confirms in writing to the other party that it will not waive the breach or non-fulfilment in accordance with clause 3.3; or
  - (ii) subject to clause 3.4(d), a Condition Precedent becomes incapable of satisfaction or being fulfilled before the earlier of the End Date and (if applicable) the time and date specified in this deed for the satisfaction of that Condition Precedent and:
    - (A) the breach or non-fulfilment of that Condition Precedent that has occurred or would otherwise occur is not waived in accordance with clause 3.3 or cannot be waived because of clause 3.3(a); or
    - (B) in respect of a Condition Precedent that can be waived under clause 3.3, each party having the benefit of that Condition Precedent confirms in writing to the other party that it will not waive the breach or non-fulfilment of that Condition Precedent that has occurred or would otherwise occur in accordance with clause 3.3; or
  - (iii) the Effective Date has not occurred, or will not occur, before the End Date,  
then either Target or Bidder may give the other party written notice (**Consultation Notice**) within 10 Business Days after the later of the relevant event (**Termination Event**) and the date on which notice of the Termination Event is given to Bidder or Target (as applicable) in accordance with clause 3.5. Following the issue of a Consultation Notice, Target and Bidder must then consult in good faith with a view to determining whether they can reach agreement with respect to any of the following (or any combination thereof):
    - (iv) changing the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed to in

writing by Bidder and Target, unless, if applicable, there is no reasonable prospect that the applicable Condition Precedent will be satisfied before the End Date;

- (v) an extension of the time for satisfaction of the relevant Condition Precedent or an extension of the End Date, or both (as the case may be); or
  - (vi) the Transaction proceeding by way of alternative means or methods or whether, in the case of a breach of the Conditions Precedent in clauses 3.1(e) (**No Material Adverse Change**) or 3.1(f) (**No Target Prescribed Occurrence**), the breach or non-fulfilment or the effects of the breach or non-fulfilment are still able to be remedied.
- (b) If Target and Bidder are unable to reach agreement under clause 3.4(a) within 10 Business Days after a Consultation Notice is given, or if Target and Bidder agree in writing that a Consultation Notice is not required to be given or a Consultation Notice is otherwise not given within 10 Business Days after the later of:
- (i) the date on which notice of the Termination Event is given to Bidder or Target (as applicable) in accordance with clause 3.5; and
  - (ii) a Termination Event,
- then either Target or Bidder (in this clause 3.4, the **Terminating Party**) may terminate this deed by giving written notice (**Termination Notice**) to the other party, provided that:
- (iii) if the basis upon which the Terminating Party is seeking to terminate this deed is the occurrence of an event described in clause 3.4(a)(i) or 3.4(a)(ii), the Terminating Party has the benefit of the relevant Condition Precedent (whether or not the other party also has the benefit of the Condition Precedent) or the Condition Precedent is one referred to in clause 3.3(a); and
  - (iv) there has been no failure by the Terminating Party to comply with its obligations under this deed, where that failure materially contributed to the circumstances giving rise to the Termination Event.
- (c) Where a Termination Notice is validly given under clause 3.4(b), this deed will terminate with immediate effect and clause 13.6 will apply.
- (d) For the purposes of clause 3.4(a)(ii), a Condition Precedent will be incapable of satisfaction or incapable of being fulfilled if there is an act, failure to act or occurrence that will prevent the Condition Precedent being satisfied by the End Date (and the breach or non-fulfilment that would otherwise have occurred has not already been waived in accordance with this deed).
- (e) Target may not give a Consultation Notice pursuant to clause 3.4(a) or terminate this deed pursuant to clause 3.4(b) where the relevant Condition Precedent is the Condition Precedent in clause 3.1(d) (**Independent Expert**) and the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, the Independent Expert's Report) that the Scheme is not in the best interests of Target Shareholders, and the sole, a substantial or the primary reason for the Independent Expert's opinion is the existence, announcement or publication of a Competing Proposal (**Relevant Adverse Independent Expert Conclusion**) (provided that nothing in this clause will prevent Target from giving a Consultation Notice pursuant to clause 3.4(a) or terminating

this deed pursuant to clause 3.4(b) where the relevant Condition Precedent is the Condition Precedent in clause 3.1(d) (**Independent Expert**) if, following a Relevant Adverse Independent Expert Conclusion, the Independent Expert concludes in any update of, or revision, amendment or supplement to, the Independent Expert's Report that the Scheme is not in the best interests of Target Shareholders, and that conclusion is not itself a Relevant Adverse Independent Expert Conclusion).

- (f) Target and Bidder agree that the Condition Precedent in clause 3.1(d) (**Independent Expert**) will be deemed to have been satisfied with effect from immediately following the satisfaction of the Condition Precedent in clause 3.1(a) (**Target Shareholder approval**) if, without limiting clause 3.4(e), Target has not before the satisfaction of the Condition Precedent in clause 3.1(a) (**Target Shareholder approval**) given a Consultation Notice in accordance with clause 3.4(a) in respect of a breach or non-fulfilment of the Condition Precedent in clause 3.1(d) (**Independent Expert**).

### 3.5 Certain notices

Subject to the proviso below, each of Target and Bidder must, as soon as reasonably practicable (and in any event within 2 Business Days), notify the other party in writing if:

- (a) it becomes aware that a Condition Precedent has been satisfied, in which case that party must comply with any reasonable request for evidence of such satisfaction made by the other party;
- (b) there is a breach or non-fulfilment of a Condition Precedent; or
- (c) it becomes aware of any fact, matter or circumstance that has resulted, will result or is reasonably likely to result in a Condition Precedent becoming incapable of satisfaction or otherwise not being satisfied in accordance with its terms,

and, in each case, such notice must contain reasonable details of the relevant fact, matter or circumstance that resulted in, will result in or is reasonably likely to result in, the relevant matter referred to in paragraph (a), (b) or (c) above.

For the avoidance of doubt, a party is not required to give notice to the other party of any matter referred to in paragraph (a), (b) or (c) above to the extent that the other party has already given notice to the first-mentioned party of that same matter under this clause 3.5.

### 3.6 Further certain notices

Each of Bidder and Target (as applicable) must, as soon as reasonably practicable (and in any event within 2 Business Days), notify the other party in writing if it becomes aware of any breach of this deed by that party (including any breach of any of the representations or warranties given by that party in this deed), or any fact, matter or circumstance that will or is reasonably likely to result in such breach, in each case, where that breach is, or is reasonably likely to be, material in the context of the Transaction (taken as a whole).

### 3.7 Scheme voted down

If the Scheme is not approved by Target Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and Bidder or Target has given notice in writing to the other party within 5 Business Days after the conclusion of the Scheme Meeting that it considers (acting reasonably and in good faith) that Share Splitting or

some abusive or improper conduct may have caused or contributed to the Headcount Test not having been satisfied, then Target must:

- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
- (b) make such submissions to the Court and file such evidence as counsel engaged by Target to represent it in Court proceedings related to the Scheme, in consultation with Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.

If the Court exercises its discretion, or gives its approval, referred to in the preceding sentence, the Condition Precedent in clause 3.1(a) (Target Shareholder approval) is deemed to be satisfied for all purposes.

### **3.8 Extension of End Date**

- (a) If at any time before the End Date any party applies to a court of competent jurisdiction for an order granting injunctive relief, declaratory relief, specific performance or any combination thereof of the other party's obligations under this deed, the Scheme (or, if applicable, the Deed Poll) or both and any such order is made by a court of competent jurisdiction before the End Date (or, if earlier, the date on which this deed is validly terminated in accordance with clause 13), the End Date will be automatically extended to the date ordered by the court or, if no date is ordered by the court, the date which is 40 Business Days after the then current End Date.
- (b) If at any time before the End Date any party applies to a court of competent jurisdiction for an order granting injunctive relief, declaratory relief, specific performance or any combination thereof of the other party's obligations under this deed, the Scheme (or, if applicable, the Deed Poll) or both but the order is not made by the court or the application is not withdrawn (or the matter the subject of the application is not finally resolved by the parties as a result of a settlement) before the End Date, the End Date will be automatically extended to:
  - (i) if the application is withdrawn (or the matter the subject of the application is finally resolved by the parties as a result of a settlement) at any time after the End Date, the date the application is withdrawn or the matter is resolved;
  - (ii) if the application is unsuccessful (that is, no injunctive relief, declaratory relief or specific performance of the other party's obligations under this deed, the Scheme (or, if applicable, the Deed Poll) or both is ordered by a court of competent jurisdiction), the date on which the court dismissed the application; or
  - (iii) if the application is successful (that is, injunctive relief, declaratory relief, specific performance or any combination thereof of the other party's obligations under this deed, the Scheme (or, if applicable, the Deed Poll) or both is ordered by a court of competent jurisdiction):
    - (A) the date ordered by the court; or
    - (B) if no date is ordered by the court, the date which is 40 Business Days after the claim was finally resolved or determined.

## 4 Scheme and Scheme Consideration

### 4.1 Scheme

- (a) Target agrees to propose the Scheme on and subject to the terms of this deed and the Scheme.
- (b) The parties acknowledge and agree that, subject to the Scheme becoming Effective, on the Implementation Date the general effect of the Scheme will be that:
  - (i) all of the Scheme Shares will be transferred to Bidder; and
  - (ii) each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder at the Scheme Record Date, in accordance with this deed and the Scheme.
- (c) Each of Target and Bidder must not consent to any modification of, or amendment to, the Scheme, or to the making or imposition by the Court of any condition in respect of the Scheme, without the prior written consent of the other party (such consent not to be unreasonably withheld, conditioned or delayed).

### 4.2 Scheme Consideration

- (a) Target and Bidder acknowledge and agree that, under the Scheme, subject to the Scheme becoming Effective, each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder at the Scheme Record Date, in accordance with this deed and the Scheme.
- (b) Bidder undertakes to Target (in its own right and separately as trustee for each Scheme Shareholder) that, if the Scheme becomes Effective, in consideration for the transfer to Bidder of all of the Scheme Shares in accordance with the Scheme, Bidder will:
  - (i) accept that transfer on the Implementation Date; and
  - (ii) pay, or procure the payment of, an amount in cleared funds equal to the Aggregate Scheme Consideration for all Scheme Shares (free of any set-off or withholding, including withholding under Subdivision 14-D of Schedule 1 to the Tax Act) into the Trust Account by no later than one Business Day before the Implementation Date,

in each case, in accordance with the terms of the Scheme and the Deed Poll.

### 4.3 Additional Scheme Consideration Amount

Target and Bidder acknowledge and agree that:

- (a) if the Effective Date has not occurred before 30 September 2026 (**First Scheme Consideration Increase Date**), the Scheme Consideration will be increased by a cash amount equal to:
  - (i) the amount equal to:
    - (A) A\$56,000; multiplied by

- (B) the number of calendar days between (and including each of) the First Scheme Consideration Increase Date and the earlier of the Implementation Date and 31 December 2026; divided by
  - (ii) the aggregate number of Scheme Shares; and
- (b) without limiting clause 4.3(a) above, if the Effective Date has not occurred on or before 1 January 2027 (**Second Scheme Consideration Increase Date**), the Scheme Consideration will be further increased by a cash amount equal to:
  - (i) the amount equal to:
    - (A) A\$84,000; multiplied by
    - (B) the number of calendar days between (and including each of) the Second Scheme Consideration Increase Date and the Implementation Date; divided by
  - (ii) the aggregate number of Scheme Shares,

(with any amount(s) payable under clause 4.3(a) and clause 4.3(b) comprising the **Additional Scheme Consideration Amount**).

#### 4.4 Fractional entitlements

Where the calculation of the aggregate Scheme Consideration to be provided to a Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent (after applying the Scheme Shareholder's entitlement (prior to rounding) to its entire holding of Scheme Shares), that fractional entitlement will be rounded down to the nearest whole cent.

#### 4.5 Permitted Dividends

- (a) Bidder acknowledges and agrees that, subject to clause 4.5(b), at any time between the date of this deed and the Scheme Record Date, Target may (in its absolute discretion) determine to pay, or declare, and pay to Target Shareholders:
  - (i) an interim dividend in respect of Target's financial half-year that ended on 31 December 2025 (**HY26 Interim Dividend**);
  - (ii) a final dividend in respect of Target's financial year ending on 30 June 2026 (**FY26 Final Dividend**); and/or
  - (iii) in addition to the HY26 Interim Dividend and the FY26 Final Dividend (in each case, if any), a special dividend (**Permitted Special Dividend**),

(each, a **Permitted Dividend** and, together, the **Permitted Dividends**) (each of which may, at Target's election (in its absolute discretion, but subject to clause 4.5(b)(i)), be partially or fully franked), provided that:

  - (iv) each Permitted Dividend that is paid to Target Shareholders must be paid in cash, and must not be funded by drawings under or proceeds from any Financial Indebtedness to any Third Party (other than drawings under any debt facility the terms of which have been Fairly Disclosed in the Disclosure Materials);

- (v) each Permitted Dividend that is determined, declared and/or paid by Target must be determined, declared and/or paid (and, to the extent applicable, franked) in accordance with the requirements of the Corporations Act, the Tax Act, the Target Constitution and applicable APRA prudential standards (except to the extent approved or consented to by APRA in writing (including for the purpose of Prudential Standard LPS 110 (Capital Adequacy)) before the payment of the relevant Permitted Dividend);
  - (vi) each Permitted Dividend that is paid by Target must be paid from profits, retained earnings or distributable reserves (or a combination of all or some of them) of the Target Group existing prior to the payment of such Permitted Dividend;
  - (vii) following the declaration and payment of each Permitted Dividend, the capital position of the Target Group must remain in excess of 1.5 times the applicable prudential capital requirement (as defined in APRA Prudential Standard LPS 110) (except to the extent approved or consented to by APRA in writing (including for the purpose of Prudential Standard LPS 110 (Capital Adequacy)) before the payment of the relevant Permitted Dividend);
  - (viii) each Permitted Dividend that is determined, declared and/or paid by Target must not cause the share capital account of any Target Group Member to be tainted;
  - (ix) the record date for each Permitted Dividend that is determined or declared by Target must be at least 2 calendar days before the Scheme Record Date;
  - (x) the payment date for each Permitted Dividend that is determined or declared by Target must be before the Scheme Record Date; and
  - (xi) the aggregate cash amount of all Permitted Dividends that are determined, declared and/or paid by Target must not exceed A\$0.05 per Target Share.
- (b) If Target declares or determines to pay, and pays, one or more Permitted Dividends:
- (i) subject to each relevant proviso in clause 4.5(a), each such Permitted Dividend may be franked to the maximum extent possible, subject to the Permitted Dividend not causing the franking account of Target to be in deficit immediately after the payment of the applicable Permitted Dividend or on the Implementation Date (or would fall into deficit if any claimed tax refund was received) (and, at least 5 Business Days before the determination or declaration of any Permitted Dividend, Target must provide Bidder with supporting documents evidencing (to Bidder's reasonable satisfaction) that the franking account of Target will not be in deficit immediately after the payment of that Permitted Dividend); and
  - (ii) each such Permitted Dividend made within a particular franking period must:
    - (A) be franked to the same extent in accordance with Division 203 of the Tax Act;
    - (B) not occasion an imposition of franking tax (as defined in the Tax Act) of any member of the Target Group; and
    - (C) not contravene any anti-avoidance provisions of any Tax Act or other applicable tax law or regulation.

- (c) Bidder acknowledges and agrees that Target may choose to seek a ruling or rulings from the Australian Taxation Office (**ATO**) confirming the taxation implications of payment of a Permitted Dividend to Target Shareholders, provided that the seeking, receipt or both of such a ruling or rulings does not cause or materially contribute to any delay to the implementation of the Scheme in accordance with the Scheme Timetable, unless Bidder has given its prior written consent to such delay. Bidder must promptly provide Target with such assistance and information as may be reasonably requested and reasonably required by Target for the purpose of seeking or obtaining any such ruling, with such assistance and information including confirmation that no equity interests (as that term is defined in section 995-1 of the Tax Act) will be issued by the Bidder in a manner that would cause the ATO to rule that a Permitted Dividend is not a partially or fully franked dividend. For the avoidance of doubt, this will include information regarding how the Bidder Group intends to effect the repayment of any portion of a debt facility that has been drawn by any Target Group Member prior to the Implementation Date to pay part or all of any Permitted Dividend. Target must provide Bidder with a draft of any ruling request proposed to be made to the ATO by Target in respect of any such ruling within a reasonable time (and in any event, at least 10 Business Days) before submission to the ATO so that Bidder has a reasonable opportunity to review and comment on that draft ruling request before it is submitted to the ATO, and, prior to submitting that ruling request to the ATO, Target must, acting reasonably and in good faith, consider any reasonable comments on, or proposed amendments to, that draft ruling request notified to Target or any of its Representatives by or on behalf of Bidder in a timely manner. For the avoidance of doubt, neither the declaration, determination or payment, nor the franking, of a Permitted Dividend is contingent or otherwise conditional on Target seeking a ruling from the ATO described in this clause 4.5(c) or receiving drafts of such a ruling (or the final ruling) from the ATO.
- (d) Bidder acknowledges and agrees that Target may choose to seek the prior approval or consent of APRA for the payment of a Permitted Dividend to Target Shareholders (including for the purpose of Prudential Standard LPS 110 (Capital Adequacy)), provided that the seeking, receipt or both of such approval or consent does not cause or materially contribute to any delay to the implementation of the Scheme in accordance with the Scheme Timetable, unless Bidder has given its prior written consent to such delay. Bidder must promptly provide Target with such assistance and information as may be reasonably requested and reasonably required by Target for the purpose of seeking or obtaining such approval or consent from APRA. Target must provide Bidder with a draft of all applications, notices and lodgements to be made, submitted or provided, and a draft of all material written correspondence and communications to be provided, by or on behalf of Target (including through a Representative of Target), to for the purpose of seeking any such approval or consent (**Material APRA Communication**) within a reasonable time (and in any event, at least 10 Business Days) before provision or submission (as applicable) so that Bidder has a reasonable opportunity to review and comment on each Material APRA Communication before it is made, provided or submitted (as applicable) to APRA, and, prior to making, providing or submitting (as applicable) each Material APRA Communication, Target must, acting reasonably and good faith, consider any reasonable comments or proposed amendments notified to Target or any of its Representatives by or on behalf of Bidder in a timely manner. Target acknowledges and agrees that no representation, warranty or statement may be given to APRA by or on behalf of Target in connection with Target seeking the approval or consent of APRA for the payment of a Permitted Dividend which states that any Bidder Group Member will contribute capital to a Target Group Member to replace any cash paid to Target Shareholders under (or otherwise restore or support the capital position of a Target Group Member after the payment of) a Permitted Dividend at or after

implementation of the Scheme, unless Bidder has given its prior written consent to such representation, warranty or statement.

- (e) Target must give Bidder reasonable notice of any proposed meetings or discussions (whether in the form of an in-person meeting, a videoconference, a telephone call, or otherwise) between Target (or a Representative of Target) and APRA where such meetings or discussions concern substantive matters relating to the seeking, receipt or both of any approval or consent in connection with a Permitted Dividend (each, a **Dividend APRA Meeting**) and, if such participation by Bidder in a Dividend APRA Meeting is requested or required by Bidder (by notice in writing to Target) or APRA:
  - (i) subject to APRA providing its consent (if required), Bidder has the right to be represented and attend (through its nominated Representatives) and make submissions at that Dividend APRA Meeting (in each case, to the extent consented to by APRA), and, if required to allow Bidder to exercise any such right, Target must make a formal request to APRA that APRA consent to Bidder's representation, attendance or the making by Bidder of submissions (as applicable) at that Dividend APRA Meeting; and
  - (ii) Target must use reasonable endeavours to procure that the Dividend APRA Meeting is held at such time that will enable Representatives of Bidder to attend that Dividend APRA Meeting. Target must keep Bidder reasonably informed of the progress in relation to (including all material developments regarding) any approval or consent sought from APRA under this clause 4.5 (including any material issues raised by, or conditions imposed, requested, proposed or required by, APRA).
- (f) Target must ensure that no amount of any Permitted Dividend will be directly or indirectly funded before the Implementation Date from the issue of equity interests (as defined in section 995-1 of the Tax Act) by any Target Group Member (as applicable), where such equity interests are issued before the implementation of the Scheme.
- (g) If Target pays one or more Permitted Dividends between the date of this deed and the Implementation Date (inclusive of both dates), the Scheme Consideration will be reduced by a cash amount equal to the aggregate cash amount per Target Share of all such Permitted Dividends (but, for the avoidance of doubt, the Scheme Consideration will not be reduced by the value attributed to any franking credits attached to any Permitted Dividend).

#### **4.6 Target Incentive Rights**

- (a) Subject to clause 4.6(b), Target and Bidder agree that:
  - (i) the Target Incentive Rights will be treated in connection with the Scheme in the manner agreed between the parties in the Disclosure Letter; and
  - (ii) Target must:
    - (A) take each action that Target is expressly required to take (or it is expressly contemplated that Target will take); and
    - (B) ensure that the Target Board takes each action and exercises any right or discretion and makes any determination that the Target Board is expressly required to take, exercise or make (as applicable) (or it is

otherwise expressly contemplated that the Target Board will take, exercise or make),

as set out in the Disclosure Letter in order to give effect to such treatment (in each case, at or before the time required under the Disclosure Letter and, where expressly contemplated or required in the Disclosure Letter that the relevant action, the exercise of the relevant right or discretion, or the relevant determination becomes effective on the Scheme becoming Effective, subject to the Scheme becoming Effective).

- (b) For the avoidance of doubt, the parties agree that the taking of any action by a Target Group Member or a Representative of a Target Group Member (including the taking of any action or the exercising of any right or discretion or the making of any determination required or contemplated by clause 4.6(a)) to give effect to the treatment of Target Incentive Rights in connection with the Scheme in accordance with clause 4.6(a) will not be a Target Prescribed Occurrence or a Target Regulated Event or a breach of clause 5.5.

## 5 Implementation of the Scheme

### 5.1 Scheme Timetable

- (a) Subject to clause 5.1(b), Target and Bidder must each use all reasonable endeavours to:
  - (i) comply with their respective obligations under clauses 5.2 and 5.3; and
  - (ii) take all necessary steps and exercise all rights reasonably necessary to implement the Transaction,in accordance with the Scheme Timetable.
- (b) Failure by Target, Bidder or both to meet any timeframe or deadline set out in the Scheme Timetable will not constitute a breach of clause 5.1(a) to the extent that such failure is due to circumstances and matters outside the party's control (including, for the avoidance of doubt, any delays caused by a Public Authority or the Court).
- (c) Each of Target and Bidder must keep the other informed about their respective progress in complying with their respective obligations under clauses 5.2 and 5.3 and taking all necessary steps and exercising all rights reasonably necessary to implement the Transaction against the Scheme Timetable, and notify each other if it believes that any of the dates or timeframes set out in the Scheme Timetable are not achievable.
- (d) To the extent that any of the dates or timeframes set out in the Scheme Timetable become not achievable due to circumstances or matters outside of a party's control (including, for the avoidance of doubt, any delays caused by a Public Authority or the Court), or Target and Bidder agree to change the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) or an extension of the time for satisfaction of a Condition Precedent or an extension of the End Date (or both) under clause 3.4(a), Target and Bidder must consult in good faith to agree to any necessary extension to the relevant dates to ensure such circumstances or matters are completed within the shortest possible timeframe

and/or any required or consequential changes to the Scheme Timetable (as applicable).

## 5.2 Target's obligations

Without limiting the general nature of clause 2.2 or Target's obligations under clause 3.2, clause 4, clause 5.1 or clauses 5.4 to 5.12 (inclusive), but subject to clause 5.1, Target must take all steps reasonably necessary to propose and implement the Scheme in accordance with the Scheme Timetable, including taking the following actions:

  - (iii) without limiting clauses 5.3(e) and 5.4, obtain the written consent of Bidder of the form and context in which the Bidder Information appears in the Scheme Booklet (which consent must not be unreasonably withheld, conditioned or delayed by Bidder, and may be provided on behalf of Bidder by way of an email from its legal Adviser to Target's legal Adviser), in each case before:
    - (A) providing the Regulator's Draft to ASIC;
    - (B) providing the Scheme Booklet to the Court; and
    - (C) requesting ASIC to register the explanatory statement included in the Scheme Booklet in relation to the Scheme in accordance with section 412(6) of the Corporations Act (as contemplated by clause 5.2(h)),

and Target must not lodge the Scheme Booklet with ASIC or the Court (as applicable) before Bidder provides that consent;

- (c) **(due diligence and verification)** undertake appropriate due diligence and verification processes in relation to the Target Information;

- (g) **(First Court Hearing)** promptly:
  - (i) prepare all Court Documents reasonably necessary for the Court proceedings relating to the First Court Hearing and consult with Bidder as to the content of all relevant Court Documents (and such consultation must include providing Bidder with a reasonable opportunity to review and comment on the relevant Court Documents before they are finalised and lodged, and Target must, acting reasonably and in good faith, consider any reasonable comments on those Court Documents provided by or on behalf of Bidder in a timely manner); and
  - (ii) lodge all relevant documents with the Court and take all other reasonable steps necessary to ensure that an application is heard by the Court for orders under section 411(1) of the Corporations Act directing Target to convene the Scheme Meeting (including applying to the Court to make such orders);

  - (ii) of information that is required to be disclosed to Target Shareholders under any applicable law (including the Corporations Act or the Corporations Regulations), RG 60 or the ASX Listing Rules but was not included in the Scheme Booklet,

promptly consult with Bidder in good faith as to the need for, and form of, any supplementary disclosure to Target Shareholders, and make any such disclosure that it considers reasonably necessary in the circumstances, having regard to applicable laws (including the Corporations Act or the Corporations Regulations), RG 60 and the ASX Listing Rules. Such consultation with Bidder includes, to the extent reasonably practicable, providing Bidder with a reasonable opportunity to review and comment on such disclosure before it is made, and Target must, acting reasonably and in good faith, consider any reasonable comments provided by or on behalf of Bidder in a timely manner (however in relation to any update of, or revision, amendment or supplement to, the Independent Expert's Report in connection with the proposed supplementary disclosure, Target makes no representation as to the extent to which the Independent Expert will receive or consider those comments from Bidder). To the extent that the supplementary disclosure relates to (or constitutes) Bidder Information, it may only be made with Bidder's prior written consent (which Bidder must not unreasonably withhold, condition or delay);

- (k) **(no objection statement)** apply to ASIC for a statement under section 411(17)(b) of the Corporations Act stating that ASIC has no objection to the Scheme;

including a summary of feedback received from Target Shareholders (if any);  
and

- (ii) where reasonably requested by Bidder in writing, meet with key Target Shareholders to promote the merits of the Transaction and permit Bidder to do the same;

  - (iii) the process referred to in clause 5.9 (if applicable); and
  - (iv) any other matters as the parties agree from time to time.
- (c) The Integration Committee will meet at such times and places as agreed between the members, but no less than fortnightly. Meetings may be held via telephone or other technology.
- (d) Each party must ensure that its representatives on the Integration Committee act in good faith in their capacity as members of the Integration Committee with a view to fulfilling the role and objectives of such committee.
- (e) The members of the Integration Committee may agree to invite other persons to attend meetings of the Integration Committee from time to time.
- (f) For the avoidance of doubt, Target and Bidder acknowledge and agree that:

  - (iv) the respective businesses of Bidder Group and Target Group are to continue to operate independently until (and subject to) implementation of the Scheme; and
  - (v) no matters may be discussed at the Integration Committee which could give rise to potential breaches of applicable laws, including competition law and antitrust law, and any member of the Integration Committee may decline to discuss matters on the basis of such concerns, may seek legal advice regarding such concerns or may do both.
- (g) Nothing in this clause 5.8 requires Target or its representatives on the Integration Committee to provide to Bidder or its representatives on the Integration Committee any information (including in a meeting of the Integration Committee) to the extent that Target would not be required to provide that information to Bidder or its Representatives under clause 5.7(a) because one or more of the exceptions in clause 5.7(b) applies in respect of that information.

- (b) in respect of any Consent Contracts and any other Material Contracts that contain Change of Control Requirements that have been identified under clause 5.9(a) (together the **Change of Control Contracts**):
  - (i) Target and Bidder must each act reasonably and negotiate in good faith to seek to agree a proposed course of action to obtain any consents, waivers, approvals or other formal confirmations required in accordance with the terms of the applicable provision(s) in each Change of Control Contract. If it is agreed between Target and Bidder that Target will initiate contact with the relevant counterparties to request that they provide any such consents, waivers, approvals or other formal confirmations in accordance with any such course of action agreed between Bidder and Target, Target must do so as soon as reasonably practicable after such course of action has been agreed between Bidder and Target (and for the avoidance of doubt, Target will initiate contact with the relevant counterparties if Target and Bidder do not agree that Bidder should initiate that contact);
  - (ii) Bidder and its Representatives must not contact any counterparties to any Change of Control Contract in connection with Bidder's obligations under this clause 5.9 without Representatives of Target or a Target Group Member

being present or without Target's prior written consent (which must not be unreasonably withheld, conditioned or delayed);

- (iii) Target must cooperate with, and provide reasonable assistance to, Bidder to obtain such consents, waivers, approvals or confirmations as soon as reasonably practicable after the course of action referred to in clause 5.9(b)(i) is agreed between Target and Bidder, including by providing any information reasonably requested by the relevant counterparties as soon as reasonably practicable after any such request is made (but nothing in this clause requires Target or Bidder to incur material costs or expenses); and
- (iv) Bidder must cooperate with, and provide reasonable assistance to, Target to obtain such consents, waivers, approvals or confirmations as soon as reasonably practicable after the course of action referred to in clause 5.9(b)(i) is agreed between Target and Bidder, including:
  - (A) subject to the counterparty agreeing to any confidentiality obligations reasonably requested by Bidder, providing any information reasonably requested by the relevant counterparties as soon as reasonably practicable after any such request is made; and

  - (ii) Target enters into a confidentiality agreement with a Third Party for the purpose of providing Non-public Information to that Third Party in reliance on clause 8.3, and that confidentiality agreement contains confidentiality or standstill obligations on the Third Party (as the recipient of that Non-public Information) which, when taken as a whole, are materially more favourable to that Third Party than the confidentiality or standstill (as applicable) obligations of Bidder under the Confidentiality Agreement are to Bidder, Target must notify Bidder of the relevant terms of that confidentiality agreement and, if Bidder subsequently requests in writing, Target must take all steps reasonably necessary (and within its control) to amend the Confidentiality Agreement to reflect those terms (provided that Target's obligations under this clause 8.5(a) will cease to apply in respect of a confidentiality agreement entered into with a Third Party during the Exclusivity Period if Bidder does not act reasonably and in good faith in relation to the negotiation of the documentation of any relevant amendment of the Confidentiality Agreement that would otherwise be required under this clause 8.5(a)(ii)).

- (iv) Target has provided Bidder with a notice stating that it is given for the purposes of this clause 8.5 and which sets out the material terms and conditions of the Competing Proposal (including those terms and conditions set out in clause 8.4(b)(iii)) and the identity of the Third Party that made the Competing Proposal (in each case, to the extent the Target Board is actually aware of the relevant information);
- (v) Target has given Bidder until the date determined by the Target Board and notified to Bidder in writing (which must be a date that is at least 5 Business Days after the date of provision of the notice referred to in clause 8.5(b)(iv) (which notice must comply with the requirements of clause 8.5(b)(iv))) (**Bidder Counterproposal Deadline**) to announce or otherwise propose or provide to the Target Board a counter-proposal to the Competing Proposal (**Bidder Counterproposal**); and

notice must comply with the requirements of clause 8.5(e)(i)) that the Target Board's determination is that the Bidder Counterproposal is not a Superior Bidder Counterproposal,

and provided that a statement that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target Board or the completion of the matching right process set out in this clause 8.5 shall not contravene this clause 8.5.

- (c) If Bidder announces or otherwise proposes or provides to Target a Bidder Counterproposal before the Bidder Counterproposal Deadline, Target must procure that the Target Board promptly considers the Bidder Counterproposal and determines, acting in good faith, after consulting with Target's financial adviser and external legal adviser (who must be a reputable legal adviser experienced in transactions of the nature of the Transaction), whether the Bidder Counterproposal would provide an outcome that is no less favourable, or more favourable, for Target Shareholders (as a whole) than the Competing Proposal (such a Bidder Counterproposal being a **Superior Bidder Counterproposal**), taking into account all relevant terms and conditions and other aspects of the Bidder Counterproposal and the Competing Proposal (in each case, to the extent known by the Target Board after having made reasonable enquiries that are not prohibited by clause 8 at the relevant time), including the identity, reputation and financial condition of the person making or proposing the Competing Proposal or the Bidder Counterproposal (as applicable), the respective value and form of the consideration offered or proposed under the Competing Proposal and the Bidder Counterproposal, the respective funding, conditions, certainty and timing of the Competing Proposal and the Bidder Counterproposal, the views of Target Shareholders (including any person that has a beneficial interest in or ownership of a Target Share or is a Substantial Target Shareholder) in relation to each of the Competing Proposal and the Bidder Counterproposal (in each case, if the Target Board considers it appropriate to seek the views of any such Target Shareholder or other person), and any other relevant legal, regulatory, financial and other matters affecting the likelihood of the Competing Proposal or the Bidder Counterproposal (as applicable) being completed or implemented in accordance with its respective terms.

 then, to that extent (and only to that extent) Target will not be obliged to comply with this clause 8 (or the relevant part of).
- (b) To the maximum extent permitted by law, the parties must not make or cause to be made any application to the Takeovers Panel or a court of competition jurisdiction

for or in connection with a determination referred to in clause 8.7(a), unless a person other than a party to this deed has first made such an application.

## **9 Break Fee**

### **9.1 Background**

- (a) Bidder and Target each acknowledge that Bidder has incurred, and will further incur, significant costs, fees and expenses in connection with the Transaction (including those costs, fees and expenses described in clause 9.4), which will include significant opportunity costs if the Transaction is not implemented.
- (b) Target and Bidder acknowledge that, in the circumstances described in clause 9.1(a), Bidder has requested that provision be made for the payment of the Break Fee by Target in accordance with this clause 9, without which Bidder would not have entered into this deed and or agreed to assist Target to implement the Scheme.
- (c) Target confirms that the Target Board believes, having taken advice from its external legal advisers, that the implementation of the Transaction will provide significant benefits to Target and Target Shareholders, that it considers this clause 9 to be fair and reasonable, and that it is appropriate for Target to agree to the Break Fee in accordance with this clause 9 in order to secure Bidder's participation in the Transaction.

### **9.2 Break Fee triggers**

Subject to clauses 9.3 to 9.8 (inclusive), Target must pay to Bidder the Break Fee if any of the following events occur:

- (a) during the Exclusivity Period:
  - (i) there is a breach of clause 7.1 in respect of the Agreed Public Announcement or the Scheme Booklet;
  - (ii) any Target Director fails to make the Recommendation or publicly withdraws, adversely changes, adversely modifies or adversely qualifies his or her Recommendation;
  - (iii) any Target Director who holds or controls Target Shares before the Scheme Meeting fails to make the Voting Intention statement or publicly withdraws, adversely changes, adversely modifies or adversely qualifies a previously made Voting Intention statement (other than in circumstances where that Target Director has ceased to hold or control any Target Shares before the Scheme Meeting); or
  - (iv) any Target Director makes any public statement:
    - (A) supporting, endorsing or recommending a Competing Proposal; or
    - (B) to the effect that he or she does not support, or no longer supports, the Scheme,

in each case, provided that Bidder has terminated this deed in accordance with clause 13.3 or Target has terminated this deed in accordance with clause

13.4(a)(ii), and provided that each of clauses 9.2(a)(i), 9.2(a)(ii), 9.2(a)(iii) and 9.2(a)(iv) does not apply where:

- (v) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, the Independent Expert's Report) that the Scheme is not in the best interests of Target Shareholders, except where the sole, a substantial or the primary reason for the Independent Expert's opinion is the existence, announcement or publication of a Competing Proposal or a Superior Proposal;
- (vi) the adverse change, withdrawal, adverse modification or adverse qualification of a Recommendation or Voting Intention (as applicable) is because of a matter set out in clause 7.2(c); or
- (vii) Target is entitled to terminate this deed under clause 13.1(b) or clause 13.2(b) and has given the appropriate termination notice to Bidder,

and further provided that, for the avoidance of doubt, a statement made by Target, the Target Board or any Target Director: (A) to the effect that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target Board; or (B) permitted by clause 8.5(b) or clause 8.6(g) will not, by that statement alone, require Target to pay the Break Fee to Bidder;

- (b) without limiting clause 9.2(a), Target has terminated this deed under clause 13.4(a)(i) or 13.4(b);
- (c) a Competing Proposal is publicly announced during the Exclusivity Period and, within 12 months after that occurring, the Third Party that made the Competing Proposal (either alone or together with one or more of its Associates):
  - (i) enters into any agreement or arrangement with a Target Group Member which is:
    - (A) of the kind referred to in subparagraph (b) of the definition of Competing Proposal; and
    - (B) is not in respect of a transaction or acquisition of a kind described in subparagraph (ii) or subparagraph (iii) below,  
  
and the transaction the subject of that agreement or arrangement completes or otherwise becomes unconditional;
  - (ii) completes or implements a transaction of the kind referred to in subparagraph (a)(ii), (a)(iii) or (a)(iv) of the definition of Competing Proposal; or
  - (iii) without limiting clause 9.2(c)(ii), otherwise acquires a Relevant Interest in, or otherwise directly or indirectly acquires, or acquires, or obtains a right to acquire, a legal, beneficial interest in, or control of, more than 50% of Target Shares and that acquisition is (or becomes) unconditional;
- (d) Bidder has terminated this deed under clause 3.4 as a result of the Condition Precedent in clause 3.1(f) (**No Target Prescribed Occurrence**) or the Condition Precedent in clause 3.1(g) (**Target Incentive Rights**) not being satisfied;
- (e) Bidder has terminated this deed under clause 13.1(b) and the Transaction does not complete; or

- (f) Bidder has terminated this deed under clause 13.2(a) and the Transaction does not complete.

### **9.3 Payment of Break Fee**

- (a) A demand by Bidder for payment of the Break Fee under clause 9.2 must:
  - (i) be in writing;
  - (ii) be made after the occurrence of the event in that clause giving rise to the right to the payment of the Break Fee;
  - (iii) state the circumstances which give rise to the demand; and
  - (iv) nominate an account in the name of Bidder into which Target is to pay the Break Fee.
- (b) Target must pay the Break Fee into the account nominated by Bidder, without set-off or withholding, within 10 Business Days after receiving a demand for payment under clause 9.3(a) where Bidder is entitled to the Break Fee under clause 9.2.

### **9.4 Nature of Break Fee**

Target and Bidder acknowledge and agree that the amount of the Break Fee has been calculated as an amount to compensate Bidder for the following costs and expenses:

- (a) fees for legal, financial and other professional advice in connection with planning, assessing, negotiating and implementing the Transaction (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transaction or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Transaction;
- (d) out of pocket expenses incurred by Bidder in planning and implementing the Transaction;
- (e) costs associated with any financing arrangements in respect of the Transaction; and
- (f) any damage to Bidder's reputation associated with a failed transaction,

in each case, incurred by Bidder directly or indirectly as a result of having entered into this deed and pursuing the Transaction, and Target and Bidder agree that:

- (g) the costs actually incurred by Bidder will be of such a nature that they cannot all be accurately ascertained; and
- (h) the Break Fee is a genuine and reasonable pre-estimate of those costs, fees and expenses.

### **9.5 Compliance with law**

- (a) This clause 9 imposes obligations on Target only to the extent that the performance of all or part of those obligations:

- (i) does not constitute “unacceptable circumstances” as declared by the Takeovers Panel; and
  - (ii) is not determined to be unenforceable or unlawful (including by virtue of it being a breach of the fiduciary or statutory duties of any Target Director) by a court of competent jurisdiction.
- (b) If:
- (i) clause 9.5(a)(i) or clause 9.5(a)(ii) applies; and
  - (ii) the Takeovers Panel or a court of competent jurisdiction (as applicable) determines that an amount lower than the Break Fee does not constitute unacceptable circumstances or is not unenforceable or a breach of law (as applicable) (**Permitted Break Fee Amount**),
- then:
- (iii) Target shall be required to pay the Permitted Break Fee Amount in accordance with clause 9.2; and
  - (iv) if the Break Fee has already been paid to Bidder, Bidder must refund an amount equal to the difference between the Break Fee and the Permitted Break Fee Amount to Target within 10 Business Days after receipt of a written demand from Target.
- (c) Each of Bidder and Target must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 9.5(a).

## 9.6 Break Fee payable only once

Without limiting clause 9.7:

- (a) Target can only ever be liable to pay the Break Fee once; and
- (b) where the Break Fee becomes payable to Bidder under this clause 9 and is actually paid to Bidder, Bidder cannot make any Claim against Target for payment of any subsequent Break Fee.

## 9.7 Exclusive remedy and limitation of liability

- (a) Despite anything to the contrary in this deed (but subject to clauses 9.7(b) and 9.7(c)), if:
    - (i) Target pays the Break Fee to Bidder in accordance with this clause 9 after receipt of a written demand from Bidder under clause 9.3(a); or
    - (ii) Bidder is entitled to the Break Fee and the Break Fee would be payable if Bidder made a written demand under clause 9.3(a),
- then:
- (iii) Bidder cannot make any Claim against Target or the other Target Indemnified Parties in relation to any event or occurrence referred to in clause 9.2 (other than a Claim for payment of the Break Fee under clause

9.3 (subject to clause 9.6) or a Claim expressly referred to in clause 9.7(e) (subject to this clause 9.7)); and

- (iv) subject to clause 9.7(e)(ii), Target has no further liability to Bidder under or in connection with this deed, the Transaction or the Scheme (including for any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising in connection with this deed, the Transaction or the Scheme).
- (b) Nothing in clause 9.7(a) in any way prevents Bidder or Target (in its own right or as trustee for another person or entity, as the case may be under this deed) from seeking orders from a court of competent jurisdiction for the specific performance by the other party of its obligations under this deed or the Scheme or injunctive relief or declaratory relief.
- (c) Without limiting clause 9.7(b), Target acknowledges and agrees that specific performance, injunctive relief, declaratory relief or any other remedies that would otherwise be available in equity are available as a remedy for a breach or threatened breach of this deed or the Scheme by Target, notwithstanding the ability of Bidder to demand payment of the Break Fee under this clause 9 and the other provisions of this clause 9.7.
- (d) Despite anything to the contrary in this deed, but subject to clauses 9.7(b), 9.7(c) and 9.7(e):
  - (i) the maximum aggregate liability of Target under or in connection with this deed (including for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) is the Break Fee; and
  - (ii) in no event will the aggregate liability of Target under or in connection with this deed (including for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) or in connection with the Transaction or the Scheme exceed the Break Fee.
- (e) Clause 9.7(d) does not apply to:
  - (i) any order of a court of competent jurisdiction for (A) the specific performance by Target of its obligations under this deed or the Scheme or (B) granting any injunctive relief, declaratory relief or other equitable remedy in respect of any breach or threatened breach of this deed or the Scheme by Target; or
  - (ii) any Claim made by Bidder for or in respect of a wilful or intentional breach of this deed or the Scheme by Target or to the extent that it arises as a result of the fraud of Target, a Target Group Member or a Target Indemnified Party (and, for the avoidance of doubt, the amount of any loss or damage caused by the wilful or intentional breach of this deed or the Scheme by Target, or fraud of Target, a Target Group Member or a Target Indemnified Party, for or in respect of which such a Claim has been made shall be deemed to be reduced by the amount of any Break Fee actually paid to Bidder under this clause 9).

## **9.8 No Break Fee payable in certain circumstances**

Despite anything to the contrary in this deed, the Break Fee will not be payable to Bidder if:

- (a) the Scheme becomes Effective; or
- (b) at the time that the Break Fee becomes payable under this clause 9, Target was entitled to terminate this deed under clause 13.1(b) or clause 13.2(b), and has given the appropriate termination notice to Bidder,

notwithstanding the occurrence of any event in clause 9.2 and, if this clause 9.8 applies, any amount or part of the Break Fee that has already been paid to Bidder must be refunded by Bidder:

- (c) where clause 9.8(a) applies, within 10 Business Days after the Scheme becomes Effective; or
- (d) where clause 9.8(b) applies, within 10 Business Days after the date Target notifies Bidder that, at the time that the Break Fee became payable under this clause 9, Target was entitled to terminate this deed under clause 13.1(b) or clause 13.2(b).

## 10 Reverse Break Fee

### 10.1 Background to Reverse Break Fee

- (a) Target and Bidder acknowledge that Target has incurred, and will further incur, significant costs, fees and expenses in connection with the Transaction (including those costs, fees and expenses described in clause 10.4), which will include significant opportunity costs if the Transaction is not implemented.
- (b) Target and Bidder acknowledge that, in the circumstances described in clause 10.1(a), Target has requested that provision be made for the payment of the Reverse Break Fee by Bidder in accordance with this clause 10, without which Target would not have entered into this deed and or agreed to implement the Scheme.
- (c) Bidder confirms that it believes that the implementation of the Transaction will provide significant benefits to Bidder, that it considers this clause 10 to be fair and reasonable and that it is appropriate for Bidder to agree to the Reverse Break Fee in accordance with this clause 10 in order to secure Target's participation in the Transaction.

### 10.2 Reverse Break Fee triggers

Subject to clauses 10.3 to 10.8 (inclusive), Bidder must pay to Target the Reverse Break Fee if any of the following events occur:

- (a) Target has terminated this deed pursuant to clause 13.1(b) or clause 13.2(b); or
- (b) the Scheme becomes Effective but Bidder does not pay the Scheme Consideration in accordance with its obligations under this deed and the Deed Poll.

### 10.3 Payment of Reverse Break Fee

- (a) A demand by Target for payment of the Reverse Break Fee under clause 10.2 must:
  - (i) be in writing;

- (ii) be made after the occurrence of the event in clause 10.2 giving rise to the right to payment;
  - (iii) state the circumstances which give rise to the demand; and
  - (iv) nominate an account in the name of Target into which Bidder is to pay the Reverse Break Fee.
- (b) Bidder must pay the Reverse Break Fee into the account nominated by Target, without set-off or withholding, within 10 Business Days after receiving a demand for payment under clause 10.3(a) where Target is entitled to the Reverse Break Fee under clause 10.2.

#### **10.4 Nature of Reverse Break Fee**

Bidder and Target acknowledge and agree that the amount of the Reverse Break Fee has been calculated as an amount to compensate Target for the following costs and expenses:

- (a) fees for legal, financial and other professional advice in planning, assessing, negotiating and implementing the Transaction (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transaction or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Transaction;
- (d) out of pocket expenses incurred by Target in planning and implementing the Transaction; and
- (e) any damage to Target's reputation associated with a failed transaction and the implications of that damage to Target's business,

in each case, incurred by Target directly or indirectly as a result of having entered into this deed and pursuing the Transaction, and Bidder and Target agree that:

- (f) the costs actually incurred by Target will be of such a nature that they cannot all be accurately ascertained; and
- (g) the Reverse Break Fee is a genuine and reasonable pre-estimate of those costs, fees and expenses.

#### **10.5 Compliance with law**

- (a) This clause 10 imposes obligations on Bidder only to the extent that the performance of all or part of those obligations:
  - (i) does not constitute "unacceptable circumstances" as declared by the Takeovers Panel; and
  - (ii) is not determined to be unenforceable or unlawful (including by virtue of it being a breach of the fiduciary or statutory duties of any director of the Bidder) by a court of competent jurisdiction.
- (b) If:

- (i) clause 10.5(a)(i) or clause 10.5(a)(ii) applies; and
- (ii) the Takeovers Panel or a court of competent jurisdiction (as applicable) determines that an amount lower than the Reverse Break Fee does not constitute unacceptable circumstances or is not unenforceable or a breach of law (as applicable) (**Permitted Reverse Break Fee Amount**),

then:

- (iii) Bidder shall be required to pay the Permitted Reverse Break Fee Amount in accordance with clause 10.2; and
  - (iv) if the Reverse Break Fee has already been paid to Target, Target must refund an amount equal to the difference between the Reverse Break Fee and the Permitted Reverse Break Fee Amount to Bidder within 10 Business Days after receipt of a written demand from Bidder.
- (c) Each of Bidder and Target must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 10.5(a).

#### **10.6 Reverse Break Fee payable only once**

Without limiting clause 10.7:

- (a) Bidder can only ever be liable to pay the Reverse Break Fee once; and
- (b) where the Reverse Break Fee becomes payable to Target under clause 10.2 and is actually paid to Target, Target cannot make any Claim against Bidder for payment of any subsequent Reverse Break Fee.

#### **10.7 Exclusive remedy and limitation of liability**

- (a) Despite anything to the contrary in this deed (but subject to clauses 10.7(b) and 10.7(c) and 10.7(f)), if:
  - (i) Bidder pays the Reverse Break Fee to Target in accordance with this clause 10 after receipt of a written demand from Target under clause 10.3(a); or
  - (ii) Target is entitled to the Reverse Break Fee and the Reverse Break Fee would be payable if Target made a written demand under clause 10.3(a),

then:

- (iii) Target cannot make any Claim against Bidder or the other Bidder Indemnified Parties in relation to any event or occurrence referred to in clause 10.2 (other than a Claim for payment of the Reverse Break Fee under clause 10.3 (subject to clause 10.6) or a Claim expressly referred to in clause 10.7(e) (subject to this clause 10.7)); and
- (iv) subject to clause 10.7(e)(ii), Bidder has no further liability to Target (or any Target Group Member) under or in connection with this deed, the Transaction or the Scheme (including for any Claim, action, damage, loss, liability, cost, expense or payment of whatever nature and however arising in connection with this deed, the Transaction or the Scheme).

- (b) Nothing in clause 10.7(a) in any way prevents Target or Bidder (in its own right or as trustee for another person or entity, as the case may be under this deed) from seeking orders from a court of competent jurisdiction for the specific performance by the other party of its obligations under this deed or injunctive relief or declaratory relief.
- (c) Without limiting clause 10.7(b), Bidder acknowledges and agrees that specific performance, injunctive relief, declaratory relief or any other remedies that would otherwise be available in equity are available as a remedy for a breach or threatened breach of this deed by Bidder, notwithstanding the ability of Target to demand payment of the Reverse Break Fee under this clause 10.
- (d) Despite anything to the contrary in this deed, but subject to clauses 10.7(b), 10.7(c), 10.7(e) and 10.7(f):
  - (i) the maximum aggregate liability of Bidder under or in connection with this deed (including for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) is the Reverse Break Fee; and
  - (ii) in no event will the aggregate liability of Bidder under or in connection with this deed (including for any and all Claims, actions, damages, losses, liabilities, costs, expenses or payments of whatever nature and however arising in connection with this deed) or in connection with the Transaction or the Scheme exceed the Reverse Break Fee.
- (e) Clause 10.7(d) does not apply to:
  - (i) any order of a court of competent jurisdiction for (A) the specific performance by Bidder of its obligations under this deed or (B) granting any injunctive relief, declaratory relief or other equitable remedy in respect of any breach or threatened breach of this deed by Bidder; or
  - (ii) any Claim made by Target for or in respect of a wilful or intentional breach of this deed by Bidder or to the extent that it arises as a result of the fraud of Bidder, another Bidder Group Member or a Bidder Indemnified Party (and, for the avoidance of doubt, the amount of any loss or damage caused by the wilful or intentional breach of this deed by Bidder, or fraud of Bidder, another Bidder Group Member or a Bidder Indemnified Party, for or in respect of which such a Claim has been made shall be deemed to be reduced by the amount of any Reverse Break Fee actually paid to Target under this clause 10).
- (f) Nothing in clause 10.7(a) or otherwise in this deed will limit Bidder's liability under or in connection with a breach of clause 4.2 or this deed or the Deed Poll.

## **10.8 No Reverse Break Fee payable in certain circumstances**

Despite anything to the contrary in this deed, the Reverse Break Fee will not be payable to Target under or as a result of an event referred to in clause 10.2(a) if:

- (a) the Scheme becomes Effective, notwithstanding the occurrence of any event in clause 10.2(a); or
- (b) at the time that the Reverse Break Fee becomes payable under this clause 10, Bidder was entitled to terminate this deed under clause 13.1(b) or clause 13.2(a), and has given the appropriate termination notice to Target,

notwithstanding the occurrence of any event in clause 10.2, and if this clause 10.8 applies, any amount or part of the Reverse Break Fee that has already been paid to Target under or as a result of an event referred to in clause 10.2(a) must be refunded by Target:

- (c) where clause 10.8(a) applies, within 10 Business Days after the Scheme becomes Effective; and
- (d) where clause 10.8(b) applies, within 10 Business Days after the date Bidder notifies Target that, at the time that the Reverse Break Fee became payable under this clause 10, Bidder was entitled to terminate this deed under clause 13.1(b) or clause 13.2(a).

- (c) The release in clause 12.2(a) is subject to any restriction imposed by law (including the Corporations Act) and will be read down to the extent that any such restriction applies.
- (d) Bidder receives and holds the benefit of clause 12.2 to the extent that it relates to each other Bidder Indemnified Party as trustee or nominee for that Bidder Indemnified Party.

- (i) the scope of cover of the D&O Run-off Policy is on the same or substantially the same terms (except in respect of the premium) as the directors' and officers' liability insurance policies in place for the benefit of directors or officers of Target and other Target Group Members at the date of this deed;
  - (ii) Target must use reasonable endeavours to obtain the most attractive commercial terms for the D&O Run-off Policy reasonably available from a reputable insurer, provided that, without limiting Target's obligations under clause 12.3(b)(i), Target will be deemed to have satisfied its obligation to use reasonable endeavours under this clause 12.3(b)(ii) if it engages a reputable insurance broker to obtain quotes and/or proposals from insurers in respect of the D&O Run-off Policy and enters into arrangements to secure the D&O Run-off Policy with one or more of those insurers selected by Target (acting reasonably, having regard to the insurer's or insurers' proposed terms in respect of the D&O Run-off Policy (including in respect of the premium)); and
  - (iii) the premium for the D&O Run-off Policy does not exceed an amount agreed between Target and Bidder in writing in the Disclosure Letter (unless Bidder otherwise agrees in writing).

- (d) Target receives and holds the benefit of clause 12.3(a), to the extent it relates to the Target Indemnified Parties, as trustee for them.

- (a) **(Scheme Implementation Deed Conditions)** all of the Scheme Implementation Deed Conditions (other than the Scheme Implementation Deed Condition in clause 3.1(b) of the Scheme Implementation Deed) are satisfied or, if applicable, waived in accordance with the terms of the Scheme Implementation Deed as at the Delivery Time;

  - (b) The giving of certificates by Target and Bidder to the Court under clause 3.2(a) constitutes conclusive evidence that the Conditions Precedent in clauses 3.1(a) and 3.1(b) have been satisfied or, if applicable, waived as at the Delivery Time.

## **4 Scheme becoming Effective**

### **4.1 Effective Date**

Subject to:

- (b) clause 4.2 of this Scheme,

this Scheme will become Effective on and from the Effective Date.

### **4.2 End Date**

Without limiting any rights of Bidder and Target under the Scheme Implementation Deed, unless Target and Bidder otherwise agree in writing, this Scheme will lapse and be of no further force or effect if:

- (a) as at the End Date, this Scheme has not become Effective; or
  - (b) the Scheme Implementation Deed, the Deed Poll or both are terminated in accordance with their respective terms before the Scheme becomes Effective.
- 

## **5 Implementation of this Scheme**

### **5.1 Lodgement of Court orders with ASIC**

For the purposes of section 411(10) of the Corporations Act, Target must lodge with ASIC an office copy of the orders made by the Court under section 411(4)(b) of the Corporations Act approving this Scheme no later than the first Business Day after the date on which Target receives an office copy those orders (or such other Business Day as Target and Bidder may agree in writing).

### **5.2 Consequences of this Scheme becoming Effective**

If this Scheme becomes Effective:

- (a) it will override the Target Constitution, the Target ESP Rules and the Target Incentive Plan Rules, in each case to the extent of any inconsistency;

- (b) in consideration for the transfer to Bidder of the Scheme Shares, each Scheme Shareholder will be entitled to the Scheme Consideration in respect of each Scheme Share (as determined in accordance with clause 6), subject to and in accordance with the terms and conditions of this Scheme;
- (c) Bidder must (pursuant to its obligations under this Scheme and the Deed Poll) deposit, or procure the deposit of, an amount in cleared funds equal to the Aggregate Scheme Consideration for all Scheme Shares into the Trust Account, subject to and in accordance with the terms and conditions of this Scheme (including clause 7.1); and
- (d) subject to the deposit, or procuring the deposit, of an amount in cleared funds equal to the Aggregate Scheme Consideration by Bidder as contemplated by clause 5.2(c), and the provision of the Scheme Consideration to Scheme Shareholders in accordance with clauses 7.2(b) and 7.2(c) (and, where applicable, clause 7.3), all the Scheme Shares (together with all rights and entitlements attaching to the Scheme Shares at the Implementation Date) will be transferred to Bidder on the Implementation Date in the manner contemplated by this Scheme.

### **5.3 Transfer of Scheme Shares**

On the Implementation Date, subject to, and after, Bidder having satisfied its obligations in clause 7.1 and the provision of the Scheme Consideration to Scheme Shareholders in accordance with clauses 7.2(b) and 7.2(c) (and, where applicable, clause 7.3):

- (a) all of the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares at the Implementation Date, must be transferred to Bidder without the need for any further act by any Scheme Shareholder (other than acts performed by Target or any of its directors, secretaries and officers as agent and attorney of the Scheme Shareholders under clause 9.6, or otherwise) by:
  - (i) Target duly completing and executing the Scheme Transfer on behalf of the Scheme Shareholders (as transferors) and delivering it to Bidder; and
  - (ii) Bidder duly executing the Scheme Transfer (as transferee) and delivering it to Target for registration; and
- (b) immediately after receipt of the Scheme Transfer in accordance with clause 5.3(a)(ii), but subject to the stamping of the Scheme Transfer (if required), Target must enter, or procure the entry of, the name of Bidder in the Target Share Register as the registered holder of all of the Scheme Shares.

### **5.4 Suspension of trading of Target Shares on ASX**

Target must apply to ASX for the suspension of trading in Target Shares on ASX with effect from the close of trading on ASX on the Effective Date.

### **5.5 Removal of Target from Official List of ASX**

Unless otherwise requested in writing by Bidder to Target, Target must apply, and take all other steps reasonably necessary, for:

- (a) the Official Quotation of Target Shares to be terminated; and
- (b) Target to be removed from the Official List,

in each case, with effect from the close of trading on the Trading Day immediately following the Implementation Date (or such other Trading Day notified by Bidder to Target in writing), including by lodging a request for the termination of the Official Quotation of Target Shares and the removal of Target from the Official List with ASX, and Target and Bidder must satisfy any conditions reasonably required by ASX for it to act on that application.

---

## 6 Scheme Consideration

### 6.1 Scheme Consideration

Under this Scheme (but subject to the terms of the Scheme), each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder at the Scheme Record Date.

### 6.2 Fractional entitlements

Where the calculation of the aggregate Scheme Consideration to be provided to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent (after applying the Scheme Shareholder's entitlement (prior to rounding) to its entire holding of Scheme Shares), the fractional entitlement will be rounded down to the nearest whole cent.

---

## 7 Provision of Scheme Consideration

### 7.1 Provision of Aggregate Scheme Consideration

- (a) Bidder must deposit, or procure the deposit, in cleared funds an amount equal to the Aggregate Scheme Consideration into the Trust Account by no later than one Business Day before the Implementation Date, such amount to be held by Target on trust for Scheme Shareholders (provided that any interest on such amount(s) deposited (less bank fees and other charges) will be credited to Bidder's account).
- (b) Bidder must notify Target in writing as soon as reasonably practicable after it has complied with its obligations under clause 7.1(a).

### 7.2 Provision of Scheme Consideration to Scheme Shareholders

- (a) On the Implementation Date, subject to clauses 7.2(b), 7.3 and 7.6 and Bidder having complied with its obligations under clause 7.1, Target must pay or procure the payment of the Scheme Consideration from the Trust Account to each Scheme Shareholder who is entitled to receive the Scheme Consideration (in accordance with the terms of this Scheme), by paying or procuring the payment of such amount of cash as is due to that Scheme Shareholder as Scheme Consideration in respect of all of that Scheme Shareholder's Scheme Shares.
- (b) The obligations of Target under clause 7.2(a) will be satisfied by Target (in its absolute discretion, and despite any election referred to in clause 7.2(b)(i) or authority referred to in clause 7.2(b)(ii) made or given by the Scheme Shareholder):
  - (i) if a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the Target Share Registry to receive dividend payments from Target (and/or other payments from Target in respect of distributions to Target Shareholders) by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying,

or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;

- (ii) if a Scheme Shareholder has otherwise nominated a bank account for the purpose of receiving the Scheme Consideration by an appropriate authority from the Scheme Shareholder to Target (or the Target Share Registry), paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to that bank account; or
  - (iii) otherwise, whether or not the Scheme Shareholder has made an election referred to in clause 7.2(b)(i) or a valid nomination referred to in clause 7.2(b)(ii), dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Shareholder by prepaid post to their Registered Address, such cheque being drawn in the name of the Scheme Shareholder (or, in the case of joint holders, in accordance with the procedures set out in clause 7.5).
- (c) For the purposes of clauses 7.2(b)(i) and 7.2(b)(ii) (as applicable):
- (i) if a Scheme Shareholder has validly elected in accordance with the requirements of the Target Share Registry (and, if applicable, the Third Party Currency Conversion Service Provider (as defined below)):
    - (A) to receive dividend payments from Target (and/or other payments from Target in respect of distributions to Target Shareholders) by electronic funds in Australian currency to a bank account operated by a third-party service provider (**Third Party Currency Conversion Service Provider**) (or otherwise nominated the Third Party Currency Conversion Service Provider to receive that Scheme Shareholder's dividend or other distribution payments from Target) which must (in accordance with the agreement between the Scheme Shareholder and the Third Party Currency Conversion Service Provider) then convert those payments into the Scheme Shareholder's nominated non-Australian currency (**Elected Foreign Currency**) and transfer the converted amount(s) (in the Elected Foreign Currency) to a bank account (denominated in the Elected Foreign Currency) nominated by the Scheme Shareholder for that purpose; or
    - (B) otherwise nominated (by an appropriate authority from the Scheme Shareholder to Target or the Target Share Registry) to receive the Scheme Consideration by electronic funds to a bank account operated by a Third Party Currency Conversion Service Provider (or otherwise nominated the Third Party Currency Conversion Service Provider to receive that Scheme Shareholder's Scheme Consideration) which must (in accordance with the agreement between the Scheme Shareholder and the Third Party Currency Conversion Service Provider) then convert the Scheme Consideration into the Scheme Shareholder's Elected Foreign Currency and transfer the converted amount(s) (in the Elected Foreign Currency) to a bank account (denominated in the Elected Foreign Currency) nominated by the Scheme Shareholder for that purpose,

then, without limiting clause 7.2(b), the obligations of Target under clause 7.2(a) will be satisfied by Target paying, or procuring the payment of, the Scheme Consideration to which a Scheme Shareholder is entitled (in accordance with the terms of this Scheme) in Australian currency by

electronic means to the bank account operated by (or otherwise to) the Third Party Currency Conversion Service Provider;

- (ii) each Scheme Shareholder that has made a valid election described in clause 7.2(c)(i)(A) or clause 7.2(c)(i)(B) above acknowledges and agrees that, if Target pays or procures the payment of the Scheme Consideration to which a Scheme Shareholder is entitled (in accordance with the terms of this Scheme) in Australian currency by electronic means to the bank account operated by (or otherwise to) the Third Party Currency Conversion Service Provider in accordance with clause 7.2(c)(i):
  - (A) the obligations of Target under clause 7.2(a) will be satisfied (in their entirety) in respect of that Scheme Shareholder;
  - (B) the aggregate Scheme Consideration to which the Scheme Shareholder is entitled will be converted from Australian currency to the relevant Elected Foreign Currency at an exchange rate determined or achieved by the Third Party Currency Conversion Service Provider (**Scheme Consideration Exchange Rate**);
  - (C) Target and Bidder each have no control over, cannot and does not make any assurance, guarantee, representations or warranties in respect of, and will not be responsible for, the Scheme Consideration Exchange Rate; and
  - (D) Target and Bidder each have no responsibility, and each accepts no liability, for the conduct, acts or omissions of the Third Party Currency Conversion Service Provider (including in relation to the conversion of the Scheme Consideration into the Scheme Shareholder's Elected Foreign Currency, the Scheme Consideration Exchange Rate actually achieved, and/or the transfer of the converted amount (in the Elected Foreign Currency) to a bank account (denominated in the Elected Foreign Currency) nominated by the Scheme Shareholder for that purpose), and the Scheme Shareholder hereby unconditionally and irrevocably waives its right to make any Claim against Target, Bidder or both in relation to any such conduct, act or omission of the Third Party Currency Conversion Service Provider;
- (iii) if a Scheme Shareholder has validly elected in accordance with the requirements of the Target Share Registry to receive dividend payments from Target (and/or other payments from Target in respect of distributions to Target Shareholders) by electronic funds transfer to a bank account that is denominated in a currency other than Australian dollars (**Relevant Foreign Currency**) (**Nominated Foreign Currency Bank Account**) then, without limiting clause 7.2(b), the obligations of Target under clause 7.2(a) will be satisfied by Target paying, or procuring the payment of, the Scheme Consideration to which that Scheme Shareholder is entitled (in accordance with the terms of this Scheme) in the Relevant Foreign Currency by electronic means to the Nominated Foreign Currency Bank Account (including, at the election of Target, by using a Third Party Currency Conversion Service Provider to convert the Scheme Consideration to which that Scheme Shareholder is entitled from Australian dollars to the Relevant Foreign Currency and transfer the converted amount(s) (in the Relevant Foreign Currency) to the Nominated Foreign Currency Bank Account); and
- (iv) each Scheme Shareholder that has made a valid election described in clause 7.2(c)(iii) above acknowledges and agrees that, if Target pays or

procures the payment of the Scheme Consideration to which a Scheme Shareholder is entitled (in accordance with the terms of this Scheme) by paying, or procuring the payment of, the Scheme Consideration to which that Scheme Shareholder is entitled (in accordance with the terms of this Scheme) in the Relevant Foreign Currency by electronic means to the Nominated Foreign Currency Bank Account in a manner described in clause 7.2(c)(iii):

- (A) the obligations of Target under clause 7.2(a) will be satisfied (in their entirety) in respect of that Scheme Shareholder;
- (B) the aggregate Scheme Consideration to which the Scheme Shareholder is entitled will be converted from Australian currency to the applicable Relevant Foreign Currency at an exchange rate determined or achieved by Target or, if applicable, the relevant Third Party Currency Conversion Service Provider; and
- (C) each of Target and Bidder does not give any assurance, guarantee, representation or warranty to that Scheme Shareholder in relation to, and accepts no responsibility for, the Scheme Consideration Exchange Rate used to convert the Scheme Consideration to which that Scheme Shareholder is entitled from Australian dollars to the Relevant Foreign Currency, and the Scheme Shareholder hereby unconditionally and irrevocably waives its right to make any Claim against Target, Bidder or both in relation to the Scheme Consideration being converted to the Relevant Foreign Currency at the Scheme Consideration Exchange Rate (or not converted to the Relevant Foreign Currency at a different exchange rate).

### **7.3 Target ESP Shareholders**

- (a) Each Target ESP Shareholder that holds (or, as at the Scheme Record Date, held) Target ITM ESP Shares directs Target to:
  - (i) pay to Target (or procure the payment to Target of) an amount (from the Trust Account) equal to the aggregate amounts (including any interest) outstanding and unpaid by the Target ESP Shareholder under the Target ESP Loan that was made to that Target ESP Shareholder for the purpose of enabling that Target ESP Shareholder to acquire those Target ITM ESP Shares; and
  - (ii) pay to the Target ESP Shareholder (in accordance with clause 7.2(b) (or, if applicable, clause 7.2(c))) an amount (from the Trust Account) equal to:
    - (A) the aggregate Scheme Consideration to which that Target ESP Shareholder would (but for the operation of this clause 7.3(a)) be entitled (in accordance with the terms of this Scheme) in respect of all of those Target ITM ESP Shares; less
    - (B) the amount paid to Target under clause 7.3(a)(i),

in each case, on the Implementation Date.

- (b) Each Target ESP Shareholder that holds (or, as at the Scheme Record Date, held) Target OTM ESP Shares directs Target to pay to Target (or procure the payment to Target of) on the Implementation Date an amount (from the Trust Account) equal to the aggregate Scheme Consideration to which that Target ESP Shareholder would

(but for the operation of this clause 7.3(b)) be entitled (in accordance with the terms of this Scheme) in respect of all of those Target OTM ESP Shares.

(c) Each Target ESP Shareholder:

- (i) that holds (or, as at the Scheme Record Date, held) Target ITM ESP Shares acknowledges and agrees that the obligations of Target under clause 7.2(a) in respect of that Target ESP Shareholder's Target ITM ESP Shares will be satisfied by Target paying or procuring the payment of:
  - (A) the amount referred to in clause 7.3(a)(i) from the Trust Account to the Target; and
  - (B) the amount referred to in clause 7.3(a)(ii) from the Trust Account to the Target ESP Shareholder in accordance with clause 7.2(b) (or, if applicable, clause 7.2(c)),

such that the aggregate Scheme Consideration that the Target ESP Shareholder would (but for this clause 7.3) otherwise have received (in accordance with the terms of this Scheme) in respect of all of those Target ITM ESP Shares will be reduced by the amount paid to Target under clause 7.3(a)(i);

- (ii) that holds (or, as at the Scheme Record Date, held) Target OTM ESP Shares acknowledges and agrees that the obligations of Target under clause 7.2(a) in respect of that Target ESP Shareholder's Target OTM ESP Shares will be satisfied by Target paying, or procuring the payment of, the amount referred to in clause 7.3(b) from the Trust Account to Target (such that the aggregate Scheme Consideration that the Target ESP Shareholder would (but for this clause 7.3) be entitled to receive (in accordance with the terms of this Scheme) in respect of all of those Target OTM ESP Shares will be reduced to nil and, therefore, that Target ESP Shareholder will not receive any payment of Scheme Consideration under clause 7.2 in respect of any of those Target OTM ESP Shares); and
- (iii) that holds (or, as at the Scheme Record Date, held) Target ESP Shares acknowledges and agrees that any 'Holding Lock' (as defined in the Target ESP Rules) in place in respect of any of that Target ESP Shareholder's Target ESP Shares as at the Scheme Record Date will be removed by Target (or the Target Share Registry at the direction of Target) before those Target ESP Shares are required to be transferred to Bidder (along with all other Scheme Shares) under clause 5.3.

(d) Target:

- (i) acknowledges and agrees that the payment of the amount referred to in:
  - (A) clause 7.3(a)(i) from the Trust Account to Target will fully and finally discharge all amounts (including any interest) outstanding and unpaid by the relevant Target ESP Shareholder under the Target ESP Loan that was made to that Target ESP Shareholder for the purpose of enabling that Target ESP Shareholder to acquire the relevant Target ITM ESP Shares; and
  - (B) clause 7.3(b) from the Trust Account to Target will fully and finally discharge all amounts (including any interest) outstanding and unpaid by the relevant Target ESP Shareholder under the Target ESP Loan

that was made to the relevant Target ESP Shareholder for the purpose of enabling that Target ESP Shareholder to acquire the relevant Target OTM ESP Shares,

in each case, with effect from the time the relevant payment is made from the Trust Account; and

- (ii) must remove (or procure that the Target Share Registry removes) any 'Holding Lock' (as defined in the Target ESP Rules) in place in respect of any Target ESP Shares as at the Scheme Record Date before those Target ESP Shares are required to be transferred to Bidder (along with all other Scheme Shares) under clause 5.3.

#### **7.4 Cancellation and re-issue of cheques, right to credit Separate Account, and treatment of unclaimed monies**

- (a) Target may cancel a cheque issued under clause 7.2(b)(iii) if the cheque:
  - (i) is returned to Target or the Target Share Registry; or
  - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Target or the Target Share Registry (which request may not be made until the date which is 10 Business Days after the Implementation Date), a cheque that was previously cancelled under clause 7.4(a) must be reissued.
- (c) In the event that:
  - (i) either:
    - (A) a Scheme Shareholder does not have a Registered Address; or
    - (B) Target, as trustee for the Scheme Shareholders, believes that a Scheme Shareholder is not known at the Scheme Shareholder's Registered Address,

and no account has been notified in accordance with clause 7.2(b)(i) or clause 7.2(b)(ii) or a deposit into such an account is rejected or refunded; or

- (ii) a cheque issued under this clause 7 has been cancelled in accordance with clause 7.4(a),

Target, as the trustee for the Scheme Shareholders, may credit the amount payable to the relevant Scheme Shareholder to a separate bank account of Target (**Separate Account**) to be held until the Scheme Shareholder claims the amount or the amount is dealt with in accordance with the *Unclaimed Money Act 1995* (NSW) (however, to avoid doubt, if the amount is not credited to a Separate Account, the amount will continue to be held in the Trust Account until the Scheme Shareholder claims the amount or the amount is dealt with in accordance with the *Unclaimed Money Act 1995* (NSW)).

- (d) Without limiting clause 7.4(f), if the Target credits an amount payable to a Scheme Shareholder to a Separate Account under clause 7.4(c), until such time as the

amount is dealt with in accordance with the *Unclaimed Money Act 1995* (NSW), Target must hold the amount on trust for the relevant Scheme Shareholder.

- (e) An amount credited to a Separate Account or Trust Account (as applicable) is to be treated as having been paid to the Scheme Shareholder when credited to the Separate Account or Trust Account (as applicable). Target must maintain records of the amounts paid to or from the Separate Account, the people who are entitled to those amounts and any transfers of those amounts.
- (f) Subject to clause 7.4(d), the *Unclaimed Money Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 7 of the *Unclaimed Money Act 1995* (NSW)).

## **7.5 Joint holders**

In the case of Scheme Shares held in joint names:

- (a) subject to clause 7.2(b), any Scheme Consideration payable in respect of those Scheme Shares is payable to the joint holders of those Scheme Shares;
- (b) any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to the holder whose name appears first in the Target Share Register as at the Scheme Record Date; and
- (c) any other document required to be sent under this Scheme will be forwarded to the holder whose name appears first in the Target Share Register as at the Scheme Record Date.

## **7.6 Orders or directions of a court or Public Authority**

- (a) Notwithstanding any other provision of this clause 7, if written notice is given to Target (or the Target Share Registry) of an order or direction made by a court of competent jurisdiction or a Public Authority that:
  - (i) requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Shareholder, which sum would otherwise be payable to that Scheme Shareholder by Target in accordance with this clause 7, then Target will be entitled to make that payment (or procure that it is made) in accordance with that order or direction; or
  - (ii) prevents Target from making a payment to a particular Scheme Shareholder in accordance with this clause 7, or that such payment is otherwise prohibited by applicable law, Target will be entitled to retain an amount, in Australian dollars, equal to the amount of the relevant payment until such time as payment in accordance with this clause 7 is permitted by that order or direction or otherwise by law.
- (b) To the extent that amounts are paid in accordance with clause 7.6(a)(i), the amount paid will be treated for all purposes under this Scheme as having been paid to the Scheme Shareholder in respect of which such amount was paid.
- (c) To the extent that amounts are retained under clause 7.6(a)(ii), the amount retained will be treated for all purposes under this Scheme as having been paid to the Scheme Shareholder in respect of which such amount was retained, provided that the amount retained must be paid to that Scheme Shareholder as soon as reasonably practicable after such time as payment in accordance with this clause 7 is permitted by the relevant order or direction or otherwise by law.

## 7.7 Remaining monies (if any) in Trust Account

To the extent that, following satisfaction of the Target's obligations under the other provisions of this clause 7 and provided the Bidder has by that time acquired all of the Scheme Shares in accordance with this Scheme, there is a surplus in the Trust Account (which, for the avoidance of doubt, excludes any amount payable to a Scheme Shareholder (whether Scheme Consideration or otherwise)) under this Scheme (including any amount payable to a Scheme Shareholder that the Target may credit to a Separate Account under clause 7.4(c)), then (subject to compliance with applicable laws, the other terms of this Scheme, the Deed Poll and the Scheme Implementation Deed) that surplus (less any bank fees and related charges) must be paid by Target (or the Target Registry on the Target's behalf) to Bidder.

## 8 Dealings in Target Shares

### 8.1 Dealings in Target Shares by Target Shareholders

To establish the identity of the Scheme Shareholders, dealings in Target Shares will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHES, the transferee is registered in the Target Share Register as the holder of the relevant Target Shares at or before the Scheme Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in respect of those dealings are received by the Scheme Record Date at the place where the Target Share Register is kept,

and, for the purpose of establishing the identity of the Scheme Shareholders, Target must not accept for registration, nor recognise for the purpose of establishing the persons who are Scheme Shareholders, nor for any other purpose (other than to transfer to Bidder pursuant to this Scheme and any subsequent transfers by Bidder and its successors in title) any transfer or transmission application in respect of the Target Shares received after the Scheme Record Date or received at or prior to the Scheme Record Date but not in registrable or actionable form (as appropriate).

### 8.2 Target Share Register

- (a) Target must maintain the Target Share Register in accordance with the provisions of this clause 8.2 until the Scheme Consideration has been provided to the Scheme Shareholders and the name and address of Bidder has been entered in the Target Share Register as the holder of all of the Scheme Shares, in each case, in accordance with this Scheme and:
  - (i) the Target Share Register in this form (and, for the avoidance of doubt, as at the Scheme Record Date) and the terms of this Scheme will solely determine entitlements to the Scheme Consideration; and
  - (ii) each entry on the Target Share Register as at the Scheme Record Date is the sole evidence of entitlement to the Scheme Consideration in respect of the Scheme Shares relating to that entry.
- (b) Target must register valid registrable transmission applications or transfers of the kind referred to in clause 8.1(b) by no later than the Scheme Record Date (provided that, for the avoidance of doubt, nothing in this clause 8.2(b) requires

Target to register a transfer that would result in a Target Shareholder holding a parcel of Target Shares that is less than a Marketable Parcel).

- (c) From the Scheme Record Date until the earlier of registration of Bidder in the Target Share Register as the holder of all Scheme Shares under clause 5.3(b) and the End Date, no Target Shareholder (or any person claiming through that Target Shareholder) may deal (or agree or purport to deal) with Target Shares in any way except as set out in this Scheme and any attempt to do so will be void and have no legal effect and Target must disregard any such dealing, agreement or purported dealing.

### **8.3 Information to be made available to Bidder**

Within two Business Days after the Scheme Record Date, Target must provide, or procure the provision, to Bidder a complete copy of the Target Share Register (which must include the name, Registered Address and registered holding of each Scheme Shareholder) as at the Scheme Record Date.

### **8.4 Effect of share certificates and holding statements**
