During the period, Hexima continued to manage its residual intellectual property interests, including its 2% royalty interest in the onychomycosis intellectual property and its licence agreement with Corteva Inc. The Board has focused on preserving cash and reducing ongoing expenditure, having regard to the Company's cash position and continuing listing and compliance costs. As announced at the 2025 Annual General Meeting, the board has also been evaluating capital management alternatives, including a potential \$1m return of capital to shareholders, subject to finalisation of terms, shareholder approval and compliance with applicable regulatory requirements. Detailed terms of the proposed return of capital will be set out in a formal notice of meeting and explanatory memorandum to shareholders.

The Board is also considering measures aimed at simplifying the Company's structure and reducing ongoing costs, which may include undertaking a small-holding buyback (subject to applicable rules and approvals), and, at an appropriate time, applying to delist from ASX. Consideration of these matters remains ongoing and shareholders will be updated in accordance with the Company's continuous disclosure obligations

Significant changes in the state of affairs

NOTES TO THE FINANCIAL STATEMENTS

1. REPORTING ENTITY

Hexima Limited (the “Company”) is a company domiciled in Australia. The address of the Company’s registered office is C/- Acclime, Level 3, 62 Lygon Street, Carlton, Victoria 3053.

The interim consolidated financial report as at and for the half-year ended 31 December 2025 is for the Company and its subsidiaries (together referred to as the Group).

The consolidated annual financial report of the Group as at and for the year ended 30 June 2025 is available upon request from the Company’s registered office at C/- Acclime, Level 3, 62 Lygon Street, Carlton, Victoria 3072 or at www.hexima.com.au.

2. BASIS OF PREPARATION

(a) Statement of compliance

These general purpose financial statements for the interim half-year reporting period ended 31 December 2025 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2025 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

(b) New or amended Accounting Standards and Interpretations adopted.

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The adoption of these accounting standards and interpretations did not have any significant impact on the financial performance or position of the Group.

3. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies applied by the Group in these consolidated interim financial statements are the same as those applied by the Group in its consolidated annual financial statements as at and for the year ended 30 June 2025.

4. ESTIMATES

The preparation of the interim financial report requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In preparing this interim financial report, the significant judgements made by management in applying the Group’s accounting policies and the key sources of estimation uncertainty that applied to the financial report as at and for the year ended 30 June 2025 also applied to this period.

NOTES TO THE FINANCIAL STATEMENTS (continued)

4. ESTIMATES (continued)

Lodgement of research and development claims

In prior years, the entity has registered its research and development activities with AusIndustry and has accessed the refundable research and development tax offset for each claim year, which it has claimed through its submissions to the Australian Tax Office (ATO).

Under this self-assessment program, AusIndustry and the ATO have the right to audit these claims at any point up to 4 years from the date of lodgement of the Research and Development Tax Incentive Schedule (via the income tax return) for each relevant financial year. If the research and development activities or expenditure are found to be ineligible during this review, the ATO may potentially clawback these claims with penalties and interest. This matter may represent a contingent liability under AASB 137. However, it is the directors' view that there is no probable likelihood that any potential action may take place based upon the following reasons:

- the industry environment in which the entity deals in is known for its research and development activities which have historically been supported through research and development claims; and
- the entity has a positive track record of not being selected for a compliance review by the ATO or AusIndustry.
- the entity keeps appropriate substantiating documentation on file to ensure that its Tax Incentive claims can be supported with contemporaneous evidence in the event of an AusIndustry or ATO review.

5. SEGMENT REPORTING

The Group's activities in the period have been classified under a "Corporate" segment as they have not been directly attributable to specific operating segments. All activities have taken place in Australia.

6. CONTINGENT LIABILITIES

The Group had no contingent liabilities as at 31 December 2025. (30 June 2025: Nil)

DIRECTORS' DECLARATION

 - i) giving a true and fair view of the Group's financial position as at 31 December 2025 and of its performance for the half-year ended on that date; and
 - ii) complying with Australian Accounting Standard *AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*; and
 - b) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Independent auditor's review report to the members of Hexima Limited

Report on the half-year financial report

Our conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Hexima Limited (the Company), and its subsidiaries (the Group) does not comply with the *Corporations Act 2001*, including:

- giving a true and fair view of the Group's financial position as at 31 December 2025 and of its financial performance for the half-year then ended; and
- complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

What was reviewed?

We have reviewed the accompanying half-year financial report of the Group, which comprises:

- the consolidated statement of financial position as at 31 December 2025
- the consolidated statement of comprehensive income/statement of profit or loss and other comprehensive income for the half-year then ended,
- the consolidated statement of changes in equity for the half-year then ended,
- the consolidated statement of cash flows for the half-year then ended,
- notes to the financial statements, including a summary of material accounting policy information, and
- the directors' declaration.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's responsibilities for the review of the financial report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibilities of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2025 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
