The Half-Year Financial Report (the Report) of the Company is for the 27-week period ended 4 January 2026 and comprises the Company and its controlled entities (together referred to as the Group or Endeavour Group). The comparative period is for the 27-week period ended 5 January 2025.

The Report was authorised for issue by the Directors on 4 March 2026.

The Report is a general purpose Financial Report which:

- Has been presented in Australian dollars and amounts have been rounded to the nearest million dollars unless otherwise stated, in accordance with ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191.
- Has been prepared on the historical cost basis except for financial assets at fair value through other comprehensive income and certain financial liabilities which have been measured at fair value.
- The accounting policies applied in the preparation of the Report are consistent with those applied in the Group's Financial Report for the 52-week period ended 29 June 2025 (the 2025 Financial Report), unless otherwise stated. These accounting policies are consistent with Australian Accounting Standards and International Financial Reporting Standards.
- Has been prepared in accordance with Australian Accounting Standard AASB 134 Interim Financial Reporting (AASB 134) and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 Interim Financial Reporting.

The Report does not include all of the information required for a full financial report and should be read in conjunction with the 2025 Financial Report and any public announcements by the Group during the half-year in accordance with the continuous disclosure obligations under the *Corporations Act 2001* and ASX Listing Rules.

1.2 Deficiency in net current assets

As at 4 January 2026, the Group has a deficiency in net current assets of \$438 million (29 June 2025: \$170 million).

In addition, the Group generated \$997 million in cash flows from operating activities during the half-year (5 January 2025: \$1,036 million).

As such, in the Directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Notes to the Condensed Consolidated Financial Statements

Note 2. New and amended standards adopted by the Group

The Group has adopted all relevant new and amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board which are effective for annual reporting years beginning on or after 30 June 2025. None of the new standards or amendments to standards that are mandatory for the first time materially affected any of the amounts recognised in the current period or any prior period and are not likely to significantly affect future years.

2.1 Standards on issue but not yet effective

As of the date of this report, the Group has not applied the following new and revised standards and amendments on issue but not yet effective that were available for early adoption and were applicable to the Group:

EFFECTIVE DATE	ADOPTION DATE	REFERENCE	NEW STANDARD, INTERPRETATION AND AMENDMENTS	IMPACT
1 January 2026	27 June 2027	AASB 2024-2	AASB 2024-2 <i>Amendments to Australian Accounting Standards - Classification and measurement of financial instruments</i>	Amends AASB 9 <i>Financial Instruments</i> to introduce an option to derecognise financial liabilities settled through electronic transfer before the settlement date, clarifies how contractual cash flows should be assessed for financial assets with environmental, social and governance (ESG) and similar features, includes additional guidance in respect of non-recourse features and contractually linked instruments and amends specific disclosure requirements. The Group is currently evaluating the expected impact of these amendments on the financial statements.
1 January 2027	25 June 2028	AASB 18	AASB 18 <i>Presentation and Disclosure in Financial Statements</i>	AASB 18 replaces AASB 101 <i>Presentation of Financial Statements</i> . It will not change the recognition and measurement of items in the financial statements, but will affect presentation and disclosure in the financial statements, including introducing new categories and defined subtotals in the statement of profit or loss, requiring the disclosure of management-defined performance measures, and changing the grouping of information in the financial statements.

Reportable segments are identified on the basis of internal reports on the business units of the Group that are regularly reviewed by the Board of Directors in order to allocate resources to the segment and assess its performance. These business units offer different products and services and are managed separately.

The Group's reportable segments are as follows:

- **Retail** - Procurement and manufacture of drinks, and the sale of drinks to customers.
- **Hotels** - Provision of hotels-related goods and services, including food and drinks, accommodation, entertainment, and gaming.
- **Other** - Consists of various group support functions, including corporate costs.

There are varying levels of integration between the Retail and Hotels reportable segments. This includes the common usage of property, services and administration functions.

The primary reporting measure of the reportable segments is Earnings before interest, tax and significant items (Underlying EBIT), which is consistent with the way management monitor and report the performance of these segments.

Significant Items are transactions which arise outside of core trading activities and have been highlighted to assist investors to understand the underlying performance of the Group.

The financial performance of the Retail and Hotels reportable segments is affected by seasonality whereby earnings are typically greater in the first half of the financial year due to the December holiday trading period.

¹ In the year-ended 29 June 2025, the Group repaid the balance owing to the Victorian Government for the Victorian gaming entitlements. The repayment was financed by the Group's existing financing facilities.

The Group's unsecured bank loans are subject to financial covenants which are tested bi-annually in line with the Group's reporting period. The covenants measure the Group's leverage ratio and the Group's fixed charge coverage ratio. The Group has complied with these covenants as at 4 January 2026 (and 29 June 2025).

As part of the Group's liquidity risk management framework, the Group's expected compliance with the covenants are monitored on an ongoing basis and based on forecasts at reporting date, the Group expects to remain in compliance with the covenants over the next 12 months.

Pay remediation

The Group previously identified employee payment shortfalls relating to the Hotels and Retail segments under the Hospitality Industry General Award (HIGA), General Retail Industry Award (GRIA), and the BWS and Dan Murphy's Enterprise Agreements. The Group has continued to review all relevant periods over which the payment shortfalls relate and for which records exist.

Calculations of payment shortfalls involve significant amounts of data, interpretation of the respective awards and enterprise agreements, estimations and extrapolations. For areas of pay remediation where calculations have been finalised and payments have or are to be made, the Fair Work Ombudsman may determine that it considers further review and potential adjustment of our calculations is required.

Independent Auditor's Review Report to the Members of Endeavour Group Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Endeavour Group Limited (the "Company") and its subsidiaries (the "Group"), which comprises the Condensed Consolidated Balance Sheet as at 4 January 2026 and the Condensed Consolidated Statement of Profit or Loss, the Condensed Consolidated Statement of Comprehensive Income, the Condensed Consolidated Statement of Cash Flows and the Condensed Consolidated Statement of Changes in Equity for the half-year ended on that date, notes to the financial statements, including material accounting policy information and other explanatory information, and the Director's declaration as set out on pages 2 to 18.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated Group's financial position as at 4 January 2026 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Half-year Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) ("the Code") that are relevant to our audit of the annual financial report of public interest entities in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Directors' Responsibility for the Half-year Financial Report

The Directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Liability limited by a scheme approved under Professional Standards Legislation.

Independent Auditor's Review Report

Auditor's Responsibilities for the Review of the Half-year Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 4 January 2026 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
