Court Approval of Shareholder Class Action Settlement

EML Payments Limited (ASX:EML) (“EML”) announces that settlement of the shareholder class action against it has today been approved by the Supreme Court of Victoria.

As previously disclosed on 25 June 2025, the agreed settlement amount was \$37,356,125 inclusive of interest and costs which has been met from EML’s existing cash and debt facilities.

Under the Court approved terms of settlement, EML made no admission of liability rather it has elected to reach a commercial settlement in the best interests of shareholders, allowing the board and management team to fully focus on the execution of the EML2.0 strategy announced in November 2024.

This announcement has been authorised for release by the Board of Directors.
