### Resolution 1 – Ratify prior issue of 4,467,404 Shares

---

On 5 November 2025, the Company announced the purchase of 2.15 million \$1.0 face value Ausbiz TV convertible notes (each, a **Convertible Note**) in consideration for the issue of 4,467,404 Shares at a deemed issue price of \$0.105 per Share. The purchase price paid by the Company was at a substantial discount to the aggregate face value of the Convertible Notes.

The Convertible Notes were acquired by the Company from a number of individual holders of those notes (together, the **Ausbiz TV Convertible Note Vendors**).

Further detail in relation to the acquisition and subsequent sale of the Convertible Notes is set out in the Company's ASX releases of 5 November 2025 and 27 January 2026, respectively.

All 4,467,404 Shares the subject of Resolution 1 were issued out of the Company's then available Listing Rule 7.1 placement capacity and thus the issue did not breach Listing Rule 7.1.

Broadly speaking, and subject to a limited number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the total number of fully paid ordinary shares it had on issue at the start of that 12-month period.

Listing Rule 7.1A enables eligible entities, after obtaining shareholder approval by way of a special resolution at an annual general meeting, to issue equity securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting. This is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

As the issue of the 4,467,404 Shares to the Ausbiz TV Convertible Note Vendors utilised part of the Company's 15% limit in Listing Rule 7.1, and since as it has not yet been ratified by Shareholders, this issue has reduced the Company's capacity to issue further equity securities under that rule for the 12 months following the date of issue.

Listing Rule 7.4 allows the shareholders of a listed company to ratify an issue of equity securities after it has been made or agreed to be made under Listing Rule 7.1 or 7.1A. If they do, the relevant issue of securities is taken to have been approved under Listing Rule 7.1 such that it does not reduce the company's capacity to issue further securities without approval under that rule. A ratification of the issue of shares has the effect of refreshing the Company's ability to issue shares within the 15% placement capacity or the additional 10% limit and restoring the Company's ability to make placements within the limits of those rules without the need for shareholder approval.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for any such future issue under the Listing Rules. To that end, Resolution 1 seeks Shareholder ratification of the issue of 4,467,404 Shares to the Ausbiz TV Convertible Note Vendors for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the issue of the 4,467,404 Shares the subject of Resolution 1 will be excluded from calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 months following the date of issue.

If Resolution 1 is not passed, the issue of the 4,467,404 Shares the subject of Resolution 1 will be included in the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 months following the date of issue.

In accordance with the disclosure requirements of Listing Rule 7.5, the following additional information is provided by the Company:

Listing Rule 7.5.1	The Shares the subject of Resolution 1 were issued to the Ausbiz TV Convertible Note Vendors.  None of the Ausbiz TV Convertible Note Vendors are/were a Related Party of the Company, a member of the Company's key management personnel, a substantial holder of the Company's shares, an adviser to the Company or an Associate of any such persons.
Listing Rule 7.5.2	The Company issued 4,467,404 Shares (each of which is a fully paid ordinary share in the equity capital of the Company).
Listing Rule 7.5.3	N/A
Listing Rule 7.5.4	The Shares the subject of Resolution 1 were issued on 5 November 2025.
Listing Rule 7.5.5	The deemed issue price for the Shares the subject of Resolution 1 was \$0.105 per Share.
Listing Rule 7.5.6	The Company issued 4,095,237 Shares in consideration for 2.15 million \$1 face value Convertible Notes and a further 372,167 Shares in consideration of approximately \$78,155 in unpaid interest that was outstanding on the Convertible Notes.
Listing Rule 7.5.7	N/A
Listing Rule 7.5.8	Please see the Voting Exclusion Statement for Resolution 1 in the Notice of Meeting.

**Board recommendation and undirected proxies.** The Board recommends that Shareholders vote in **FAVOUR** of Resolution 1. The Chairman intends to vote undirected proxies in **FAVOUR** of Resolution 1.

## **Resolution 2 – Ratify prior issue of 5,893,479 Shares**

---

On 11 December 2025, the Company announced that it had conducted a placement pursuant to which it raised gross proceeds of a total of \$677,750 (**Placement**). Under the Placement, the Company:

- issued 5,893,479 Shares at an issue price of \$0.115 per Share to a number of sophisticated and/or professional investors (including a number of existing Shareholders); and
- agreed to issue 1 option each of which is exercisable into a Share at any time on or before 5pm (Sydney time) on 15 December 2026 for \$0.115 for every Share issued under the Placement (for further information, please see Resolutions 3 and 5).

The Company will use the proceeds raised under the Placement (after costs) to support its balance sheet and for working capital purposes.

All of the Shares issued under the Placement were issued out of the Company's then available Listing Rule 7.1A placement capacity and thus the issue did not breach Listing Rule 7.1A.

Broadly speaking, and subject to a limited number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the total number of fully paid ordinary shares it had on issue at the start of that 12-month period.

Listing Rule 7.1A enables eligible entities, after obtaining shareholder approval by way of a special resolution at an annual general meeting, to issue equity securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting. This is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

As the issue of Shares under the Placement did not fit within any of the exceptions in Listing Rule 7.2 and, as it has not yet been ratified by Shareholders, this issue has reduced the Company's capacity to issue further equity securities under Listing Rule 7.1A (i.e. by 5,893,479) for the 12 months following the date of issue.

Listing Rule 7.4 allows the shareholders of a listed company to ratify an issue of equity securities after it has been made or agreed to be made under Listing Rule 7.1 or 7.1A. If they do, the relevant issue of securities is taken to have been approved under Listing Rule 7.1 such that it does not reduce the company's capacity to issue further securities without approval under that rule. A ratification of the issue of shares has the effect of refreshing the Company's ability to issues shares within the 15% placement capacity or the additional 10% limit and restoring the Company's ability to make placements within the limits of those rules without the need for shareholder approval.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for any such future issue under Listing Rule 7.1 or 7.1A. To that end, Resolution 2 seeks Shareholder ratification of the issue of 5,893,479 Shares under Placement for the purposes of Listing Rule 7.4.

If Resolution 2 is passed, the issue of the 5,893,479 Shares the subject of Resolution 2 will be excluded from calculating the Company's 10% limit in Listing Rule 7.1A, effectively increasing the number of equity securities the Company can issue without further Shareholder approval under the approval obtained at the Company's 2025 annual general meeting.

If Resolution 2 is not passed, the issue of the 5,893,479 Shares the subject of Resolution 2 will be included in the Company's 10% limit in Listing Rule 7.1A, effectively decreasing the number of equity securities the Company can issue without further Shareholder approval under the approval obtained at the Company's 2025 annual general meeting.

In accordance with the disclosure requirements of Listing Rule 7.5, the following additional information is provided by the Company:

<p>Listing Rule 7.5.1</p>	<p>The Shares issued under the Placement were issued to a number of investors each of whom were either clients of brokerage firm Morrison Securities or who were existing holders of the Company's shares.</p> <p>Other than as disclosed below, none of the investors in the Placement are/were a Related Party of the Company, a member of the Company's key management personnel, a substantial holder of the Company's shares, an adviser to the Company or an Associate of any such persons.</p> <p><u>Substantial holder participation</u></p> <p>Mason Stevens Pty Ltd (<b>Mason Stevens</b>), a professional wealth management and superannuation services provider, participated in the Placement on behalf of its clients, including Walker Holdings (Australia) Pty Ltd (an entity controlled by Director, Mr Michael Walker) (<b>Walker Holdings</b>). Based on filings given to ASX, Mason Stevens is a substantial holder of the Company's shares.</p> <p><u>Subsequent Related Party participation</u></p> <p>As noted elsewhere in this Explanatory Memorandum, Mr Walker was appointed as a Director after the Shares were issued under the Placement. Mr Walker participated in the Placement via Walker Investments (Australia) Pty Ltd (<b>Walker Investments</b>) and Walker Holdings, entities that he controls. Please see Resolutions 3 and 5 for further information.</p> <p>As an adviser to Mason Stevens, Mr Walker may be Associated with Mason Stevens.</p>
<p>Listing Rule 7.5.2</p>	<p>The Company issued 5,893,479 Shares (each of which is a fully paid ordinary share in the equity capital of the Company) under the Placement.</p>
<p>Listing Rule 7.5.3</p>	<p>N/A</p>
<p>Listing Rule 7.5.4</p>	<p>5,023,914 of the Shares the subject of the Placement were issued on 18 December 2025 with the balance (i.e. of 896,565 Shares) issued on 11 February 2026.</p>
<p>Listing Rule 7.5.5</p>	<p>The issue price for each of the Shares issued under the Placement was \$0.115 per Share.</p>
<p>Listing Rule 7.5.6</p>	<p>The Company will use the proceeds raised under the Placement (after costs) to support its balance sheet and for working capital purposes.</p>
<p>Listing Rule 7.5.7</p>	<p>N/A</p>

Listing Rule 7.5.8	Please see the Voting Exclusion Statement for Resolution 2 in the Notice of Meeting.
--------------------	--

**Board recommendation and undirected proxies.** The Board recommends that Shareholders vote in **FAVOUR** of Resolution 2. The Chairman intends to vote undirected proxies in **FAVOUR** of Resolution 2.

### **Resolution 3 – Approve proposed issue of 4,589,132 Options**

Under the Placement, the Company also agreed, subject to the receipt of Shareholder approval, to issue each investor with 1 option, each of which is exercisable into a Share at any time on or before 5pm (Sydney time) on 15 December 2026 for \$0.115 (each, an **Option**), for each Share issued to that investor under the Placement.

Following the issue of Shares under the Placement, Mr Michael Walker was appointed as a Director. This means that entities controlled by Director, Mr Walker, being Walker Investments and Walker Holdings (which participated in the Placement as a client of Mason Stevens) that participated in the Placement, will now require Shareholder approval under Listing Rule 10.11 before they may be issued with any Options.

Approval for the issue of Options to the two entities controlled by Mr Walker is set out in Resolution 5.

Further detail in relation to the terms of the Options are set out in Schedule 1.

Broadly speaking, and subject to a limited number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the total number of fully paid ordinary shares it had on issue at the start of that 12-month period.

Since the proposed issuance of the 4,589,132 Options the subject of Resolution 3 does not fall within any of the exceptions to Listing Rule 7.1 (which are set out in Listing Rule 7.2) and because it would have exceeded the remainder of the Company's then available placement capacity under Listing Rule 7.1, Shareholder approval under Listing Rule 7.1 is required.

Resolution 3 seeks the required Shareholder approval to issue the Options for the purposes of Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the proposed issue of Options. In addition, the issue of Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue and will be required to pay investors a cash sum equivalent to the intrinsic value of the Options.

Listing Rule 7.3.1	<p>The Options the subject of Resolution 3 are to be issued to those persons who participated in the Placement on a 1 Option for 1 Share basis of their nominees. These persons were either sophisticated or professional investors or existing Shareholders.</p> <p>Other than as disclosed below, none of the investors that participated in the Placement are/were a Related Party of the Company, a member of the Company's key management personnel, a substantial holder of the Company's shares, an adviser to the Company or an Associate of any such persons.</p> <p><u>Substantial holder participation</u></p> <p>Mason Stevens participated in the Placement on behalf of its clients, including Walker Holdings (an entity controlled by Director, Mr Michael Walker). Based on filings given to ASX, Mason Stevens is a substantial holder of the Company's shares.</p> <p><u>Subsequent Related Party participation</u></p> <p>As noted elsewhere in this Explanatory Memorandum, Mr Walker was appointed as a Director after the Shares were issued under the Placement. Mr Walker participated in the Placement via Walker Investments and Walker Holdings, entities that he controls. Please see Resolutions 2 and 5 for further information.</p> <p>As an adviser to Mason Stevens, Mr Walker may be Associated with Mason Stevens.</p>
Listing Rule 7.3.2	The Company proposes to issue 4,589,132 Options, the material terms of which are detailed in Schedule 1.
Listing Rule 7.3.3	A summary of the material terms of the Options the subject of Resolution 3, is set out in Schedule 1.
Listing Rule 7.3.4	The Company expects that the Options the subject of Resolution 3 will be issued shortly after the receipt of Shareholder approval at the Meeting and in any event by no later than the date which is 3 months after the date of the Meeting.
Listing Rule 7.3.5	The Options the subject of Resolution 3 are being issued for nil cash consideration.
Listing Rule 7.3.6	The Company will use the proceeds received on exercise of any Options to support its balance sheet and for working capital purposes.
Listing Rule 7.3.7	N/A
Listing Rule 7.3.8	N/A

**Board recommendation and undirected proxies.** The Board recommends that Shareholders vote in **FAVOUR** of Resolution 3. The Chairman intends to vote undirected proxies in **FAVOUR** of Resolution 3.

#### **Resolution 4 – Approve proposed issue of Shares to Michael Walker**

Subject to the receipt of Shareholder approval, the Company has also agreed to issue a total of 217,391 Shares to Mr Michael Walker, the Company’s recently appointed Non-Executive Director or his nominee. It is intended that these Shares be issued at a deemed issue price of \$0.115 per Share in lieu of \$25,000 in annual director’s fees under the Company’s employee share scheme (*Incentive Plan*).

The Incentive Plan, which was adopted by the Company on 4 September 2024, is an employee share scheme for the purposes of Division 1A of Part 7.12 of the Corporations Act.

Listing Rule 10.14 states that an entity must not permit any of the following persons to acquire equity securities under an incentive scheme without Shareholder approval:

- **LR 10.14.1:** a director of the entity;
- **LR 10.14.2:** an Associate of a person referred to in Listing Rule 10.14.1;
- **LR 10.14.3:** a person whose relationship with the listed company or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX’s opinion, the acquisition should be approved by its (i.e. the listed company’s) shareholders.

Resolution 4 is therefore seeking Shareholder approval under Listing Rule 10.14 to the extent necessary to permit the proposed issue of Shares to Mr Walker or his nominee.

If Resolution 4 is not passed, the Company will not proceed with the proposed issue of Shares to Mr Walker or his nominee and will instead pay his annual director’s fees in the form of cash.

In accordance with the disclosure requirements of Listing Rule 10.13, the following additional information is provided by the Company:

Listing Rule 10.15.1	The Shares the subject of Resolution 4 are proposed to be issued to the Company’s Non-Executive Director, Mr Michael Walker or his nominee.
Listing Rule 10.15.2	Listing Rule 10.14.1 provides that an entity must not issue or agree to issue equity securities under an incentive scheme to a director of the entity without security holder approval.  As Mr Walker is a Director, and thus is caught by Listing Rule 10.14.1, Shareholder approval under Listing Rule 10.14 is required.
Listing Rule 10.15.3	The Company is proposing to issue 217,391 Shares (each of which is a fully paid ordinary share in the equity capital of the Company) under the Incentive Plan to Mr Walker.

Listing Rule 10.15.4	The total annual remuneration of Mr Walker is currently \$25,000 per annum (inclusive of superannuation).
Listing Rule 10.15.5	No equity securities have previously been issued to Mr Walker under the Incentive Plan.
Listing Rule 10.15.6	N/A
Listing Rule 10.15.7	The Company expects that the Shares the subject of Resolution 4 will be issued in 4 equal tranches over the next four quarters and in any event by no later than the date which is 3 years after the date of the Meeting.
Listing Rule 10.15.8	The Shares are being issued at a deemed issue price of \$0.115 per Share in lieu of \$25,000 in annual director's fees.
Listing rule 10.15.9	A summary of the material terms of the Incentive Plan is set out in Schedule 2.
Listing Rule 10.15.10	No loan is being provided in connection with the issue of the Shares the subject of this Resolution.
Listing Rule 10.15.11	<p>Details of any securities issued under the Incentive Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.</p> <p>Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Incentive Plan after Resolution 4 is passed and who were not named in the Notice of Meeting will not participate in the Incentive Plan until approval is obtained under that rule.</p>
Listing Rule 10.15.12	Please see the Voting Exclusion Statement for Resolution 4 in the Notice of Meeting.
Other	No Shares will be issued to Mr Walker or his nominee if doing so will breach section 606 of the Corporations Act. In such circumstances, Mr Walker's director's fees will be paid by the Company in cash.

### **Resolution 5 – Approve proposed issue of Options to entities controlled by Mr Michael Walker**

Under the Placement, the Company issued 869,565 Shares to Walker Investments and 434,782 Shares to Walker Holdings (which participated in the Placement as a client of Mason Stevens), entities controlled by Mr Michael Walker on 18 December 2026. Following the issue of Shares under the Placement, Mr Walker was appointed as a Director on 13 March 2026. As a consequence of his subsequent appointment as a Director, the issue of Options that Walker Investments and Walker Holdings are entitled to receive as participants in the Placement are now subject to Shareholder approval under Listing Rule 10.11.

The Options to be issued to the Walker Investments (being 869,565 Options) and Walker Holdings (being 434,782 Options) have the same terms as the Options to be issued to the other investors under the Placement.

Listing Rule 10.11 states that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to any of the following persons without the approval of the holders of its ordinary securities:

- **LR 10.11.1**: a Related Party;
- **LR 10.11.2**: a person who is, or was at any time in the 6 months before the issue or agreement, a “substantial (30%+)” holder in the listed company;
- **LR 10.11.3**: a person who is, or was at any time in the 6 months before the issue or agreement, a “substantial (10%+)” holder in the listed company and who has nominated a director to the board of the listed company pursuant to a relevant agreement which gives them a right or expectation to do so;
- **LR 10.11.4**: an Associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- **LR 10.11.5**: a person whose relationship with the listed company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX’s opinion, the issue or agreement should be approved by its (i.e. the listed company’s) shareholders.

Resolution 5 is therefore seeking Shareholder approval under Listing Rule 10.11 to the extent necessary to permit the proposed issue of Options to Walker Investments and Walker Holdings, entities controlled by Mr Walker, a Related Party of the Company.

If Resolution 5 is not passed, the Company will not proceed with the proposed issue of Options to the entities controlled by Mr Walker and will instead pay him an amount equal to the value of those Options in cash.

In accordance with the disclosure requirements of Listing Rule 10.13, the following additional information is provided by the Company:

Listing Rule 10.13.1	The Options the subject of Resolution 5 are proposed to be issued to Walker Investments and Walker Holdings, entities that are controlled by Mr Michael Walker, a Director.
Listing Rule 10.13.2	<p>Listing Rule 10.11.1 provides that an entity must not issue or agree to issue equity securities to a “Related Party” without the approval of the holders of its ordinary securities.</p> <p>For the purposes of Listing Rule 10.11.1, the definition of “Related Party” includes a director of a listed company (or an entity which the director controls).</p> <p>Given that none of the exceptions in Listing Rule 10.12 apply to the present circumstances, and as Walker Investments and Walker Holdings are controlled by Mr Walker, Shareholder approval under Listing Rule 10.11 is required.</p>
Listing Rule 10.13.3	The Company is proposing to issue 869,565 Options to Walker Investments and 434,782 Options to Walker Holdings.
Listing Rule 10.13.4	A summary of the material terms of the Options the subject of Resolution 5 is set out in Schedule 1

Listing Rule 10.13.5	The Company expects that the Options the subject of Resolution 5 will be issued shortly after the receipt of Shareholder approval at the Meeting and in any event by no later than the date which is 1 month after the date of the Meeting.
Listing Rule 10.13.6	The Options the subject of Resolution 5 are being issued for nil cash consideration as they were issued as a component of the Placement.
Listing Rule 10.13.7	The Company will use the proceeds received on exercise of any Options issued to Walker Investments and Walker Holdings to support its balance sheet and for working capital purposes.
Listing Rule 10.13.8	The issue of Options the subject of Resolution 5 is not intended to remunerate Mr Walker and they are not otherwise being issued in connection with his appointment as a Director.
Listing rule 10.13.9	N/A
Listing Rule 10.13.10	Please see the Voting Exclusion Statement for Resolution 5 in the Notice of Meeting.

**Board recommendation and undirected proxies.** The Board (with Mr Walker abstaining) recommends that Shareholders vote in **FAVOUR** of Resolution 5. The Chairman intends to vote undirected proxies in **FAVOUR** of Resolution 5.

### **Resolution 6 – Ratify prior issue of 3,584,262 Shares**

As first announced by the Company on 24 December 2024, the Company acquired a 63.49% interest in The Term Deposit Shop Pty Ltd (**TTDS**) and a 100% interest in TTDS Holdings Pty Ltd, a related entity holding the applicable Australian Financial Services Licence for the business. The acquisition of the 63.49% interest was completed in May 2025.

TTDS owns and operates an all-encompassing online cash investment platform designed to streamline the process of investing cash and switching between banks. It empowers investors to maximise their returns with minimum effort.

The online cash investment platform provides essential information on interest rates, product terms and conditions, enabling customers to make well-informed investment decisions while also transacting on the investor platform in a user-friendly and cost-effective manner.

For further information in relation to TTDS, please see the Company's various ASX releases given in relation to the same during 2024 and 2026.

On 4 February 2026, the Company further disclosed to ASX that it had procured acceptances from a number of remaining TTDS minority shareholders (**Accepting TTDS Minority Shareholders**) to acquire a further 10.99% of TTDS that the Company did not already own.

The acquisition of this further 10.99% interest occurred on 5 February 2026.

The consideration paid to each vendor of Accepting TTDS Minority Shareholders was in the form of Shares, based on a deemed valuation of \$0.115 per Share.

On the basis of this valuation above, the Company issued 3,584,262 Shares in total the Accepting TTDS Minority Shareholders on 5 February 2026.

All 3,584,262 Shares issued to the TTDS Minority Shareholders were issued out of the Company's then available Listing Rule 7.1 placement capacity and thus the issue did not breach Listing Rule 7.1.

Broadly speaking, and subject to a limited number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the total number of fully paid ordinary shares it had on issue at the start of that 12-month period.

Listing Rule 7.1A enables eligible entities, after obtaining shareholder approval by way of a special resolution at an annual general meeting, to issue equity securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting. This is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

As the issue of the 3,584,262 Shares to the Accepting TTDS Minority Shareholders utilised part of the Company's 15% limit in Listing Rule 7.1, and since as it has not yet been ratified by Shareholders, this issue has reduced the Company's capacity to issue further equity securities under that rule for the 12 months following the date of issue.

Listing Rule 7.4 allows the shareholders of a listed company to ratify an issue of equity securities after it has been made or agreed to be made under Listing Rule 7.1 or 7.1A. If they do, the relevant issue of securities is taken to have been approved under Listing Rule 7.1 such that it does not reduce the company's capacity to issue further securities without approval under that rule. A ratification of the issue of shares has the effect of refreshing the Company's ability to issues shares within the 15% placement capacity or the additional 10% limit and restoring the Company's ability to make placements within the limits of those rules without the need for shareholder approval.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for any such future issue under the Listing Rules. To that end, Resolution 6 seeks Shareholder ratification of the issue of 3,584,262 Shares to the Accepting TTDS Minority Shareholders for the purposes of Listing Rule 7.4.

If Resolution 6 is passed, the issue of the 3,584,262 Shares the subject of Resolution 6 will be excluded from calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 months following the date of issue.

If Resolution 6 is not passed, the issue of the 3,584,262 Shares the subject of Resolution 6 will be included in the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 months following the date of issue.

In accordance with the disclosure requirements of Listing Rule 7.5, the following additional information is provided by the Company.

Listing Rule 7.5.1	The Shares the subject of Resolution 6 were issued to the Accepting TTDS Minority Shareholders.  None of these vendors were a Related Party of the Company, a member of the Company's key management personnel, a substantial holder of the Company's shares, an adviser to the Company or an Associate of any such persons.
Listing Rule 7.5.2	The Company issued 3,584,262 Shares (each of which is a fully paid ordinary share in the equity capital of the Company) to the Accepting TTDS Minority Shareholders.
Listing Rule 7.5.3	N/A
Listing Rule 7.5.4	The Shares the subject of Resolution 6 were issued on 5 February 2026.
Listing Rule 7.5.5	The deemed issue price for the subject of Resolution 6 was \$0.115 per Share.
Listing Rule 7.5.6	The Company issued 3,584,262 Shares in consideration for 10.99% of the existing TTDS shares that the Company does not already own. The Company now owns 74.48% of TTDS.
Listing Rule 7.5.7	N/A
Listing Rule 7.5.8	Please see the Voting Exclusion Statement for Resolution 6 in the Notice of Meeting.

**Board recommendation and undirected proxies.** The Board recommends that Shareholders vote in **FAVOUR** of Resolution 6. The Chairman intends to vote undirected proxies in **FAVOUR** of Resolution 6.

### **Resolutions 7 and 8 – Approve proposed issue of Performance Rights**

Subject to the receipt of Shareholder approval, the Company has also agreed to issue 1,000,000 performance rights (each, a **Performance Right**) to each of Mr Michael Walker and Mr Peter Hasrouni, the Company's recently appointed Non-Executive Directors or their respective nominees.

Each Performance Right will be issued for nil cash consideration and will, subject to the satisfaction of the relevant temporal vesting condition, entitle its holder to be issued with 1 new Share for nil cash consideration. While the Performance Rights will be issued following the receipt of Shareholder approval, they will vest in accordance with the following schedule:

- half of each Director's Performance Rights (i.e. 500,000 Performance Rights) will vest on 30 June 2027 provided the holder is a Director on that date and has been engaged as such for the entirety of the preceding financial year;
- one quarter of each Director's Performance Rights (i.e. 250,000 Performance Rights) will vest on 30 June 2028 provided the holder is a Director on that date and has been engaged as such for the entirety of the preceding financial year; and
- one quarter of each Director's Performance Rights (i.e. 250,000 Performance Rights) will vest on 30 June 2029 provided the holder is a Director on that date and has been engaged as such for the entirety of the preceding financial year.

The Performance Rights the subject of Resolutions 7 and 8 will be issued under the Incentive Scheme.

The Incentive Plan, which was adopted by the Company on 4 September 2024, is an employee share scheme for the purposes of Division 1A of Part 7.12 of the Corporations Act.

Listing Rule 10.14 states that an entity must not permit any of the following persons to acquire equity securities under an incentive scheme without Shareholder approval:

- **LR 10.14.1**: a director of the entity;
- **LR 10.14.2**: an Associate of a person referred to in Listing Rule 10.14.1;
- **LR 10.14.3**: a person whose relationship with the listed company or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its (i.e. the listed company's) shareholders.

Resolutions 7 and 8 are therefore seeking Shareholder approval under Listing Rule 10.14 to the extent necessary to permit the proposed issue of Performance Rights to Mr Walker and Mr Hasrouni or their respective nominees.

If either Resolution 7 or 8 is not passed, the Company will not proceed with the proposed issue of Performance Rights to the relevant Director and will instead seek to incentivise that Director in some other manner, including, potentially, by way of the payment of a cash bonus.

In accordance with the disclosure requirements of Listing Rule 10.13, the following additional information is provided by the Company:

Listing Rule 10.15.1	The Performance Rights the subject of Resolutions 7 and 8 are proposed to be issued to the Company's Non-Executive Directors, Mr Michael Walker and Mr Peter Hasrouni or their respective nominees.
Listing Rule 10.15.2	Listing Rule 10.14.1 provides that an entity must not issue or agree to issue equity securities under an incentive scheme to a director of the entity without security holder approval.  As Messrs Walker and Hasrouni are Directors, Listing Rule 10.14.1 is enlivened and Shareholder approval under Listing Rule 10.14 is therefore required.
Listing Rule 10.15.3	The Company is proposing to issue 1,000,000 Performance Rights to each of Messrs Walker and Hasrouni or their respective nominees under the Incentive Plan.
Listing Rule 10.15.4	Messrs Walker and Hasrouni are each entitled to \$25,000 in director's fees per annum (inclusive of superannuation).
Listing Rule 10.15.5	No equity securities have previously been issued to either Mr Walker or Mr Hasrouni under the Incentive Plan.
Listing Rule 10.15.6	The information required by Listing Rule 10.15.6 is set out in Schedule 3.

Listing Rule 10.15.7	The Company expects that the Performance Rights the subject of Resolutions 7 and 8 will be issued shortly after the receipt of Shareholder approval at the Meeting and in any event by no later than the date which is 3 years after the date of the Meeting.
Listing Rule 10.15.8	The Performance Rights the subject of Resolutions 7 and 8 are being issued for nil cash consideration.
Listing rule 10.15.9	A summary of the material terms of the Incentive Plan is set out in Schedule 2.
Listing Rule 10.15.10	N/A
Listing Rule 10.15.11	<p>Details of any securities issued under the Incentive Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.</p> <p>Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Incentive Plan after Resolutions 7 and 8 are passed and who were not named in the Notice of Meeting will not participate in the Incentive Plan until approval is obtained under that rule.</p>
Listing Rule 10.15.12	Please see the Voting Exclusion Statement for Resolutions 7 and 8 in the Notice of Meeting.

<b>Participation in New Issues</b>	No Performance Right entitles its holder to participate in any new issue of securities in the Company unless the Performance Right has vested before the record date for determining entitlements to that issue and the holder participates in that issue as a result of holding Shares.

<p><b>Adjustment for Bonus Issues of Shares</b></p>	<p>If the Company makes a bonus issue of Shares and no Share has been issued in respect of a Performance Right before the record date for determining entitlements to the bonus issue, the number of Shares over which a Performance Right is exercisable is increased by the number of Shares which the holder of the Performance Right would have received had the Performance Right vested before the relevant record date.</p>
<p><b>Adjustment for Pro Rata Issues</b></p>	<p>N/A as the exercise price per Performance Right is nil.</p>
<p><b>Adjustments &amp; Transfers</b></p>	<p>In the event of a reorganisation of the Company's share capital, all Performance Rights will be reorganised in accordance with the requirements of the Listing Rules (and in particular, the requirements of Listing Rule 7.22).</p>
<p><b>Transfer</b></p>	<p>None of the Performance Rights are transferable other than with the prior written consent of the Company.</p>
<p><b>Valuation</b></p>	<p>Given the simple vesting conditions and the nil premium and nil exercise price (and the fact that on satisfaction of the temporal vesting conditions each Performance Right will convert into a Share), the Company has formed the view that each Performance Right is worth \$0.074. Accordingly, the value of each grant of Performance Rights to each of Mr Walker and Mr Hasrouni is \$74,000.</p>
<p><b>Listing Rule 10.15.6</b></p>	<p>While the Company could have utilised options (or other types of equity securities) to incentivise its two recently appointed Non-Executive Directors, Performance Rights were chosen as they generally allow for more detailed terms (such as more specific vesting dates) to be embedded within them and because they, unlike Shares, can easily be cancelled if the Director resigns before vesting.</p>

## PROXY FORM

Please complete and return this form if you wish to appoint a proxy and/or direct how you want your votes cast at the Extraordinary General Meeting of ARC Funds Limited (ABN 52 001 746 710) (the Company) to be held at 11:30 a.m. AEST on Tuesday, 5 May 2026 and at any adjournment or postponement of the meeting.

### HOW TO DIRECT YOUR PROXY TO VOTE

**Voting 100% of your holding:** Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box in respect of an item, your proxy may vote as they choose on that item. If you mark more than one box on an item your vote will be invalid on that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the number or percentage of shares you wish your proxy to vote in the For, Against or Abstain box or boxes. The sum of the votes to be cast by your proxy on an item of business must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the Meeting and vote on a poll. If you appoint two proxies you must specify the number or percentage of shares you wish each proxy to vote, otherwise each proxy may vote half of the shares. Fractions of votes will be disregarded. When appointing a second proxy write both names and the number or percentage of shares for each in Step 1 overleaf.
