Tivan establishes regional office in Kununurra

Tivan Limited (ASX: TVN) (“Tivan” or “the Company”) is pleased to announce that it has established a regional office in Kununurra to support the development of the Speewah Fluorite Project (“Project”), located in the East Kimberley region.

The office is located at 108A Coolibah Drive, Kununurra, and will become operational in April following a fit-out. Tivan will host an office opening event with the local community in May.

Once operational, the office will serve as a base for key project personnel and will support increasing on-ground activity and engagement with regional stakeholders, including Traditional Owners and Native Title Holders. The office will act as a staging ground for Tivan to pursue its commitment to maximise local employment, procurement and training pathways in the East Kimberley. The office will also serve as focal point for community engagement, enabling Tivan’s team to share project information at a grassroots level.

The establishment of a permanent operational presence in Kununurra reflects the advancing maturity of the Project. The Project remains on schedule for completion of key milestones, including delivery of the Definitive Feasibility Study and a targeted Final Investment Decision in Q4 2026.

Reflecting Tivan’s commitment to localisation, Executive Chairman, Mr Grant Wilson, will be based out of Kununurra for six months commencing in April.

Comment from Tivan Executive Chairman

Mr Grant Wilson commented:

“We are delighted to establish a local office in Kununurra, a key step forward in our preparations for the development of the Speewah Fluorite Project. We extend thanks to local community who have made us feel so welcome over past couple of years. We look forward to making a durable contribution to the East Kimberley region”.
