

# ASX Announcement:

Change of Chief Financial Officer

7 April 2026

5G Networks Limited (**ASX: 5GN**) ("**5GN**" or "**the Company**") announces that Chief Financial Officer Kieran Donovan has resigned and will be stepping down from the role effective today. The Board thanks Kieran for his service and contributions to the Company and wishes him well in his future endeavors.

The Company is pleased to announce the appointment of Mr Nathan Legg as the new Chief Financial Officer, effective 20 April 2026. Nathan is a finance professional with extensive experience in the technology and telecommunications sector. He has held a number of leadership positions across financial planning, commercial finance, and corporate reporting, supporting business growth, operational performance, and strategic decision-making.

Nathan previously served in various roles at Webcentral, including FP&A Manager and Commercial Finance Manager, where he was responsible for budgeting, financial analysis, cash-flow management, and supporting executive leadership on commercial and operational initiatives. He also played a key role in the sale of the Webcentral business in 2023. He then continued with the carved-out business as Head of Finance and executed a successful transition into World Host Group.

Nathan's background spans audit, mergers and acquisitions, and FP&A, complemented by experience in corporate governance and compliance responsibilities. Known for building and leading high-performing teams, he brings both strategic insight and commercial knowledge to the role.

The Board welcomes Mr Legg to the Company and looks forward to his contribution.

## About 5GN

5GN is an Australian owned digital services company who empower more than 2,500 corporate clients to grow and thrive online. Our portfolio of digital services is extensive, with market leading offers across Cloud, Data networks, Data centre, managed IT services and digital marketing.

5GN currently owns and operates its own Nationwide and Internationally highspeed Data Network with points of presence in all major Australian capital cities, Singapore, USA, Hong Kong and New Zealand. In addition, the Company offers managed cloud solutions through its Cloud and Data Centre capabilities as well as managed services to optimise customers' IT and network environments. Supporting this is the Company's combined rack capacity of over 1,200 racks through its owned and operated Data Centres across Melbourne, Sydney, Brisbane and Adelaide.

Our customer focussed heritage has been built on expertise, innovation and personalised service; critical attributes delivered through our culture and embraced by our people.

The 5GN mission is dedicated to leading online success for our customers. We achieve this by building trusted and valued client relationships which convert successful business outcomes at each milestone across the customers' digital journey.
