ASX RELEASE

10 April 2026

MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous” or “the Company”) today announced the award of new construction and maintenance contracts and contract extensions in the resources sector valued at approximately \$145 million in aggregate.

The Company has secured a contract under its Rio Tinto sustaining capital projects agreement for the fabrication, supply, installation and commissioning of a new dust collector and ventilation system for the coarse ore stockpile tunnels at Paraburdoo iron ore mine, located in the Pilbara region of Western Australia. Work is expected to be completed in the first quarter of 2027.

Monadelphous has also been awarded a two-year extension to its existing maintenance services contract at BHP’s Olympic Dam operations in South Australia. The scope of work includes mechanical and electrical maintenance, shutdown and project services.

In Queensland, the Company has secured a two-year extension to its contract for the provision of mechanical maintenance and shutdown services at Queensland Alumina Limited’s operations in Gladstone, where Monadelphous has been providing services for over 30 years. Under the extension, the scope of the contract has been expanded to include demolition and power generation work.

Finally, Monadelphous has been awarded a contract with Harmony Gold for the construction of a Cyclone Dewatering Plant and associated pipeline at Hidden Valley Gold Mine in the Morobe Province, Papua New Guinea.
