About hipages Group (ASX:HPG)

hipages Group is an online tradie marketplace and Software-as-a-Service (SaaS) platform connecting tradies with residential and commercial consumers through its platforms hipages Australia and hipages New Zealand (Builderscrack). To date, nearly 5 million Australians and New Zealanders have used hipages Group to change the way they find, hire, and manage trusted tradies, providing more work to over 35,000 subscribed trade businesses. hipages for business (formerly, Tradiecore) is a proprietary workflow management platform that is key to the Company's strategic evolution from marketplace to platform. hipages for business helps tradies and other home improvement businesses by managing their whole workflow from lead generation through to payment and completion.
