STATEMENT TO AUSTRALIAN SECURITIES EXCHANGE – April 16, 2026

FLIGHT CENTRE TRAVEL GROUP COMPLETES \$200M SHARE BUY-BACK

FLIGHT Centre Travel Group (FLT) has completed its \$200m on-market issued capital buy-back program.

The buy-back, which was announced in April 2025, resulted in the purchase and retirement of more than 16m shares, circa 7% of the company's issued capital prior to the buy-back's launch.

FLT will also retire its 2028 convertible notes next month, extinguishing the circa \$100m that is currently outstanding. The 2028 notes were issued during the COVID-19 pandemic to extend FLT's liquidity runway during a period of unprecedented disruption.

The company continues to actively manage its capital and portfolio to maximise shareholder value, balancing returns of surplus capital with strategic divestments and investment in long-term growth priorities.

Other recent actions include:

- The acquisitions of Fresh and Iglu, UK-based businesses that operate in the high growth meetings and events and cruise sectors respectively; and
- The proposed sale of FLT's 47% interest in the Pedal Group cycle joint venture to the Turner Collective for \$61.7m (subject to shareholder approval at an Extraordinary General Meeting on May 14).
