Infragreen Announces Appointment of Financial Adviser for Strategic Review

Infragreen Group Limited (ASX: IFN) (**Infragreen** or **IFN**) refers to its announcement on 7 April 2026 relating to the commencement of a strategic review. Infragreen's Board today announces that it has appointed Grant Samuel Corporate Finance Pty Limited (**Grant Samuel**) as its financial adviser in connection with its strategic review. Infragreen has not previously engaged Grant Samuel as an adviser.

Grant Samuel is a leader in providing advisory and execution expertise across M&A, debt, equity, and valuations. Grant Samuel has offices in Sydney, Melbourne and Hong Kong, and brings deep, sector-specific expertise across energy, waste and core-plus infrastructure.

In line with the initial announcement on 7 April 2026, the Board will keep shareholders updated on material developments as the strategic review progresses, with a further update expected by the end of May 2026.

This announcement has been authorised for release by the Board.

About Infragreen

Positioned at the intersection of infrastructure and sustainability Infragreen owns, operates and grows mid-market infrastructure businesses with significant untapped value, that have historically had limited access to long-term capital. It has a strong focus on recycling and waste recovery alongside clean energy and energy transition across both Australia and New Zealand. Through its businesses, Infragreen drives sustainable value creation, meaningful impact, and improved community outcomes.
