

22 April 2026

Board Changes

WiseTech Global Limited (ASX:WTC; WiseTech; the Company) provides an update on an intended retirement and the appointment of a new Lead Independent Director and Chair of the Audit & Risk Committee.

Intended retirement

As previously disclosed in his Lead Independent Director's address to WiseTech's 2025 Annual General Meeting (AGM) held on 21 November 2025, Andrew Harrison re-joined the Board on 31 March 2025 in a transitional capacity and has had a longstanding plan to step down from his directorship once a new Board was in place. Since Andrew's appointment, four additional independent non-executive directors have been appointed to the Board, with the most recent appointment being Raelene Murphy, who was appointed after the 2025 AGM.

These appointments have been significant milestones in the Board's previously-announced renewal program.

Andrew has informed the Board that he intends to retire as a non-executive director effective 30 June 2026. The Board extends its sincere thanks and gratitude to Andrew for his dedicated service to the Company and for his outstanding stewardship during a period of significant change.

Following Andrew's retirement, the Company's independent non-executive directors will continue to comprise a majority of the Board.

Appointment of a new Lead Independent Director and Chair of the Audit & Risk Committee

In light of Andrew's intended retirement, the Board has appointed Raelene Murphy as its new Lead Independent Director, effective 1 May 2026. Raelene will also take over from Andrew as Chair of the Audit & Risk Committee, effective 1 May 2026. Raelene has been a member of the Audit & Risk Committee since she joined the Board on 1 January 2026 and brings deep financial expertise to the Company, from both her executive career as well as her extensive experience in chairing the audit and risk committees of other ASX-listed organizations.

To assist with a smooth transition, Andrew will remain a member of the Audit & Risk Committee and the People & Remuneration Committee until his retirement on 30 June 2026.

The Board is also progressing the search for an additional independent non-executive director.
